2. Make an alternate recommendation.
3. Continue to a future date.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Denial. Planning Commission recommends Approval.

The proposed Plan Amendment from “General Urban Tier” to “Regional Center” is requested to rezone the property to “C-3NA CD S” General Commercial Non-Alcoholic Sales District with a

Conditional Use for Oversized Vehicle Sales, Service and Storage Specific Use Authorization for Outside Storage. There are established residential neighborhoods in proximity to the subject property. Introducing the designation to the area would allow high-intensity commercial encroachment into the established neighborhoods. Additionally, the existing land uses already permit moderate commercial uses which are more characteristic of the area. Thus, certain proposed uses could be achieved under the current land use, eliminating the need for a Plan Amendment.
