BACKGROUND INFORMATION:

On May 7, 2022, voters approved the 2022 Bond Program, which included \$1,500,000 for the District 2 Park Improvements project. The District 2 Park Improvements include Dellcrest Park, located at 1701 Diane Road, and Milam Wesley Tealer Park, located at 5640 Lakefront Street. These parks have been integral to our community, providing recreational activities since 1958 and 1998.

The proposed improvements as part of this project include a new concrete loop trail with pedestrian

lighting, a new picnic pavilion, park furnishings, approximately 50 tree plantings, and accessibility upgrades at Dellcrest Park. For Milam Wesley Tealer Park, the proposed improvements include fishing pier replacement, pedestrian lighting along a portion of the existing trail, park furnishings, and accessibility upgrades designed to enhance the community's recreational experience. The additive alternate in this contract includes the construction of the interior cross trail and associated pedestrian lighting in conjunction with the proposed trail improvements at Dellcrest. Construction is anticipated to begin in Spring 2025 and be completed by Fall 2025.

This contract will be awarded in compliance with the Small Business Economic Development Advocacy (SBEDA) Program, which requires contracts be reviewed by a Goal Setting Committee to establish a requirement and/or incentive unique to the particular contract to maximize the amount of small, minority and women-owned business participation on the contract. The Goal Setting Committee set a 16% Minority/Women Business Enterprise (M/WBE) subcontracting goal and a 2% African-American Business Enterprise (AABE) subcontracting goal. TCL Construction Enterprises, LLC has committed to meeting the subcontractor participation goals.
