**Current Base Zoning:** I-1, R-4

**Current Land Uses:** Empty Commercial Building, Training Center

**Direction:** West

**Current Base Zoning:** I-2

**Current Land Uses:** Manufacturer, Industrial Equipment Supplier

**Overlay District Information:**

The "AHOD" Airport Hazard Overlay District, due to the location of the property and its proximity to an airport or approach path, does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

The "MLOD-3" Martindale Army Airfield Military Lighting Overlay District does not restrict permitted uses but does regulate outdoor lighting in an effort to minimize night-time light pollution and its effects on operations at the military installation.

**ISSUE:**

None.

**ALTERNATIVES:**

Current Zoning: "R-4" Residential Single-Family District allows for single-family dwelling (detached) with a minimum lot size of 4,000 square feet and a minimum lot width of 35 feet, foster family home, public and private schools.

"I-1" General Industrial District accommodates areas of heavy and concentrated fabrication and manufacturing and industrial uses which are suitable based on the character of adjacent development. Examples of permitted uses: auto & light truck auction, truck stop, abrasives manufacturing, food & drug manufacturing, sand & gravel storage & sales, outdoor flea market, manufactured homes/oversized vehicles sales, service, and storage.

Proposed Zoning: "I-1" General Industrial District accommodates areas of heavy and concentrated fabrication and manufacturing and industrial uses which are suitable based on the character of adjacent development. Examples of permitted uses: auto & light truck auction, truck stop, abrasives manufacturing, food & drug manufacturing, sand & gravel storage & sales, outdoor flea market, manufactured homes/oversized vehicles sales, service, and storage.

**FISCAL IMPACT:**

None.

**PROXIMITY TO CURRENT AND/OR PLANNED REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR AS IDENTIFIED IN THE SA TOMORROW COMPREHENSIVE PLAN:**

Subject property is not located within the Fort Sam Houston Regional Center and is within ½ a mile from the BRT Premium Transit Corridor.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval, pending Plan Amendment.

**Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.**

1. **Consistency:** The subject property is located within the Arena District/Eastside Community Plan, adopted December 2003, and is currently designated as “Light Industrial” in the future land use component of the plan. The requested “I-1” base zoning district is not consistent with the future land use designation. The applicant has requested a Plan Amendment to “Heavy Industrial.” Staff and Planning Commission recommend Approval.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area. Surrounding properties are “I-1” General Industrial District and “I-2” Heavy Industrial District.
3. **Suitability as Presently Zoned:** The existing “R-4” Residential Single-Family District is not an appropriate zoning for the property and surrounding area, but the existing “I-1” General Industrial District is consistent. Consolidation of the properties to “I-1” General Industrial District is appropriate with the area. Existing active uses of abutting properties are industrial in nature. Additionally, the subject property is located along North WW White Road, a Principal, Primary Arterial providing adequate access.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy. Relevant Goals and Policies of the San Antonio International Airport Vicinity Land Use Plan may include:  
Land Use and Community Facilities:
  - 4.7 Recommend new light industrial uses in general location of exiting industrial uses and adjacent to residential development, to create an appropriate land use transition.
  - 4.8 Concentrate heavy industrial uses near IH-Loop 410 and W.W. WhiteRelevant Goals and Policies of the SA Tomorrow Comprehensive Plan may include:
  - GCF P14: Establish appropriate buffers and transitions (land use, form and/or landscaping) between residential neighborhoods and surrounding higher-density development.

6. **Size of Tract:** The 2.0254-acre site is of sufficient size to accommodate the proposed commercial development.
7. **Other Factors:** The zoning change request is to consolidate the properties zoning for the existing industrial use.

The subject property is located within the Fort Sam Houston Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military has indicated that there are no objections to this request.

The subject property is located within the Martindale Army Airfield Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, Texas Army National Guard and JBSA were notified of the proposed request. The Military has indicated that there are no objections to this request.
