Property Details

Property History: Subject property was annexed into the City of San Antonio by Ordinance 18115, dated September 25, 1952, and zoned "A" Single-Family Residence District. The property was rezoned by Ordinance 40221, dated December 16, 1971, to "R-2" Two-Family Residence District. Under the 2001 Unified Development code, established by Ordinance 93881, dated May 3, 2001, the property zoned "R-2" Two-Family Residence District converted to the current "RM-4" Residential Mixed District.

Code & Permitting Details: There is no code enforcement or permitting history for the subject property.

Topography: The property does not include any abnormal physical features such as slope or incursion in a floodplain.

Adjacent Base Zoning and Land Uses

Direction: East

Current Base Zoning: IDZ-3 with uses permitted for C-3

Current Land Uses: Commercial Strip Center

Direction: West

Current Base Zoning: R-5

Current Land Uses: Single-Family Residential

Overlay District Information:

The "MLOD-2" Lackland Military Lighting Overlay District does not restrict permitted uses, but does regulate outdoor lighting in an effort to minimize night-time light pollution and its effects on operations at the military installation.

The "AHOD" Airport Hazard Overlay District, due to the location of the property and its proximity to an airport or approach path, does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

Special District Information:

The Infill Development Zone (IDZ) District provides flexible standards for developments. IDZ may be approved as either a base zoning district or an overlay zoning district. Typically, IDZ gives flexibility to parking requirements, lots sizes, and setbacks.

Transportation

Thoroughfare: Willard Drive

Existing Character: Local

Proposed Changes: None known.

Public Transit: There is public transit within walking distance of the subject property.

Routes Served: 88, 288

Traffic Impact: A Traffic Impact Worksheet was submitted. Any additional traffic requirements will be reviewed at the build permit phase of the project.

Parking Information: There are no minimum or maximum parking requirements for a Noncommercial Use Parking Lot.

ISSUE:

None

ALTERNATIVES:

Current Zoning: "RM-4" Residential Mixed District permits single-family dwelling (detached, attached or townhouse), two-family dwelling, three-family dwelling, four-family dwelling, row-house or zero-lot line dwelling, accessory dwelling, with a minimum lot size of 4,000 square feet and a minimum lot width of 15 feet, public and private schools.

Proposed Zoning: "IDZ-1" Limited Intensity Infill Development Zone allows rezoning requests up to 18 units per acre, and uses permitted in "C-1" and "O-1". All approved uses must be requested and stated within the ordinance. Provide flexible standards for setbacks and parking for the development and reuse of underutilized parcels within a qualifying area of the city.

The proposed "IDZ-1" would permit uses in "RM-4" Residential Mixed District and a Noncommercial Parking Lot.

FISCAL IMPACT:

None

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

Subject property is not located within a Regional Center, but is within ½ a mile of the Bandera Metro Premium Transit Corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the West/Southwest Sector Plan, adopted in 2011, and is currently designated as "General Urban Tier" in the future land use component of the plan. The requested "IDZ-1" base zoning district is consistent with the future land use designation.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The property use is consistent with the established development pattern of the surround area.
3. **Suitability as Presently Zoned:** The existing "RM-4" Residential Mixed District is an appropriate zoning for the property and surrounding area. The proposed "IDZ-1" Limited Intensity Infill Development Zone District with uses permitted in "RM-4" Residential Mixed District and a Noncommercial Parking Lot is also appropriate zoning. Neighboring an established commercial strip center which accommodates a variety of uses including bingo hall, retail stores, bar and auto service shops, the subject property appears vacant and has been used as overflow parking for the commercial property. The proposed noncommercial parking lot is a lower intense commercial use, offering a transition from the high intense commercial uses from the northeast to the existing single-family and multi-family residential to the south and west. The Infill Development Zone District requires a site plan, which would prevent any expansion of commercial buildings or impervious coverage without additional public review.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objectives. Relevant Goals and Policies of the Comprehensive Plan may include:
 - GCF Goal 5: Growth and city form support improved livability in existing and future neighborhoods.
 - GCF P14: Establish appropriate buffers and transitions (land use, form and/or landscaping) between residential neighborhoods and surrounding higher-density development.Relevant Goals and Strategies of the West/Southwest Sector Plan may include:
 - ED-1.3 Stimulate and support increased activity of existing businesses.
 - LU-1.3 Ensure that high density / intensity land uses are buffered and screened to reduce the impact on lower density / intensity land uses that are nearby.
6. **Size of Tract:** The 0.5834 acre site is of sufficient size to accommodate the proposed commercial development.
7. **Other Factors:** The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding,

JB SA was notified of the proposed request. The Military has indicated that there are no objections to this request.

The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates commercial uses. The applicant is rezoning to develop a Noncommercial Parking Lot.
