In the event that the scope of the Project is adjusted downward, the City shall have the option of adjusting its commitment downward accordingly. City is not responsible for any costs over the estimated amount of the Project unless agreed to in writing in the form of an amendment to this Funding Agreement. The City shall fund its commitment hereunder from proceeds derived from its sale of bonds authorized under Proposition C of the City's May 7, 2022 bond election (such City bonds, as well as any City bonds from time to time issued to refund the same, the "City Bonds").

Grantee shall not make any substantial changes to the Plans without the prior written approval of City. The approvals given in this Section do not relieve Grantee of the burden of obtaining all necessary governmental or lease approvals, including those provided by City through its relevant development departments and relevant boards and commissions and the State of Texas Commission on Environmental Quality (Article 9102). Nor does City's approval of the Plans release Grantee of the responsibility for the correction of Grantee's mistakes, errors or omissions contained in the Plans, including any mistakes, errors or omissions which may be the result of circumstances unforeseen at the time the Plans were developed or approved.

2.08 Grantee shall provide to City a Budget for the Project illustrating where City Bond Funds are to be utilized in accordance with this agreement, as well as illustrating all funding for the entire Project if applicable as Exhibit B.

2.09 City shall have authority to inspect the Project throughout the construction process to ensure compliance with the Scope and Plans and to request copies of construction inspections performed by Grantee and third parties. 2.10.2 Evidence of insurance coverage, with City as additional insured, as outlined in Section 12 below.

2.10.3 Description of all maintenance activities, including routine capital and any deferred maintenance, for the previous calendar year and planned maintenance activities for the upcoming calendar year.

2.11 Unless written notification by Grantee to the contrary is received and approved by City, Grantee's Chief Financial Officer/CFO shall be Grantee designated representative responsible for the management of this Funding Agreement and the point of contact for City on all matters regarding this Funding Agreement.

### **III. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS**

3.01 Grantee warrants and represents that it will comply with all Federal, State and Local laws and regulations and will use all reasonable efforts to ensure said compliance by any and all contractors and subcontractors that may work on the Project.

3.02 To the extent applicable, Grantee agrees to abide by Chapters 252, and 271 of the Texas Local Government Code, and Chapters 2254 and 2267 of the Texas Government Code or other open competitive contracting processes which are advertised to the public in a legal and appropriate manner.

3.03 Plans must conform to Americans with Disabilities Act requirements and must be approved by the Texas Department of Licensing and Regulation before construction may begin. Inspections and final approval shall be the responsibility of Grantee.

3.04 Prevailing Wage Rate and Labor Standards

A. The requirements of Chapter 2258 of the Texas Government Code, entitled "Prevailing Wage Rates," shall apply to this Funding Agreement. Grantee agrees that its construction contractor will comply with City Ordinance No. 71312 and its successors such as Ordinance No. 2008-11-20-1045 and will require subcontractors to comply with City Ordinance 71312 and its successors such as Ordinance No. 2008-11-20-1045 and shall not accept affidavits.

B. In accordance with the provisions of Chapter 2258 and Ordinance No. 2008-11-20-1045, Grantee shall request upon advertisement of construction bids, and the City will provide Grantee with the appropriate wage determination which includes

the general prevailing rate of per diem wages in this locality for each craft or type of workman needed to perform the construction work. The Grantee is required, and shall require its construction contractor and all subcontractors to comply with each updated schedule of the general prevailing rates in effect at the time the Grantee calls for bids for construction of a given phase. The Grantee is further required to cause the latest prevailing wage determination decision to be included in bids and contracts with the Grantee's general contractor and all subcontractors for construction of each Phase. Grantee is responsible for and shall collect and monitor weekly certified payrolls and perform site visits to ensure the prevailing wage is being paid to all workmen. City will audit certified payroll records as necessary in accordance with this Funding Agreement.

C. Upon audit of the records and certified payrolls under this section, should the City or its auditors find any violations, the Grantee shall cause its Construction Contractor to forfeit as a penalty to the City \$60.00 for each laborer, workman, or mechanic employed, for each calendar day, or portion thereof, that such laborer, workman or mechanic is paid less than the said stipulated rates for any work done under said contract, by the Contractor or any subcontractor. The establishment of prevailing wage rates in accordance with Chapter 2258, Texas Government Code shall not be construed to relieve the Grantee from its obligation under any federal or state law regarding the wages to be paid to or hours worked by laborers, workmen or mechanics insofar as applicable to the work to be performed under this Funding Agreement.

3.05 Environmental - Construction shall be in accordance with all Federal, State, and local environmental requirements including all City applicable construction and development regulations.

3.06 Small Business Economic Development Advocacy Program - Grantee shall comply with all Small/Minority and Woman Owned Business Terms and Conditions as attached hereto as **Exhibit C**.

3.07 Compliance with Bond Covenants – The City's commitment hereunder is funded with City Bonds, which are obligations the interest on which is excluded from the gross income calculations of the holders thereof for the purpose of determining income tax liability under applicable federal law. Maintaining the eligibility of the City Bonds for this tax treatment requires the City's compliance with applicable federal tax law and regulations, which includes agreements regarding the use of City Bonds' proceeds and the use and operation of facilities financed with those proceeds. As the expenditure of the City Bonds' proceeds once delivered to the Grantee, and the use and operation of the completed Project, is under the control of the Grantee, Grantee agrees that it shall not use, or permit the use of, proceeds of the City Bonds, or earnings thereon, or any other amounts or any property, the acquisition, construction, or improvement of which is to be financed directly or indirectly with proceeds of the City Bonds or earnings thereon, in a manner which, if used or permitted to be used, respectively, would cause the interest on City Bonds to be includable in the gross income of the bond owners for federal income tax purposes. In

addition, purposes which are not permissible include, but are not limited to religious activities, restaurants, cafes, and retail stores.

3.08 No Boycotting of Israel. Texas Government Code §2270.002 provides that a governmental entity may not enter into a contract with a company for goods or services, unless the contract contains a written verification from the company that it:

- (1) does not boycott Israel; and
- (2) will not boycott Israel during the term of the contract.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

"Company" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

SUDAN, OR FOREIGN TERRORIST ORGANIZATION PROHIBITED

Texas Government Code §2252.152 provides that a governmental entity may not enter into a governmental contract with a company that is identified on a list prepared and maintained under Texas Government Code §2270.0201 or §2252.153 "Listed Companies". Consultant/Contractor hereby certifies that it is not identified on such a list and that it will notify City should it be placed on such a list while under contract with City. City hereby relies on Consultant's/Contractor's certification. If found to be false, or if Consultant/Contractor is identified on such list during the course of its contract with City, City may terminate this Agreement for material breach.

**IV. OWNERSHIP, USE OPERATIONS**

4.01 Grantee hereby acknowledges that it will construct the Project in a manner consistent with use by the general public. Grantee hereby agrees that the operating hours

Grantee shall satisfy this obligation by assuring that, for the duration previously specified, the construction of facility improvements and rehabilitation of the birding center within available funding provided at the Project, once completed, as a ratio of all services provided at the completed Project, shall be at least proportionate to the percentage of the total Project cost funded by the City (assuming a City contribution of \$6,000,000 and an overall Project cost of \$6,000,000).

After reimbursement has been made by City for authorized expenses, any breach or violation by City to this Agreement of the provisions herein contained shall give rise immediately to the right on the part of Grantee, at its option, upon thirty (30) days' written notice to City, unless such breach or violation is cured prior to the expiration of the notice period, to cancel this Agreement or to seek any remedy which now is or may be provided by law, whether or not stated herein. ### SMALL BUSINESS ECONOMIC DEVELOPMENT ADVOCACY (SBEDA) PROGRAM Mitchell Lake Audubon Center

#### A. SBEDA Program

City has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2016-05-19-0367 and as amended, also referred to as “SBEDA” or “the SBEDA Program”), which is posted on City’s Economic Development (hereafter referred to as “EDD”) website page and also is available in hard copy form upon request to City. The SBEDA Ordinance Compliance Provisions contained in this Exhibit 1 are governed by the terms of said Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by City, pursuant to said Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual in effect as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this Exhibit 1 shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

#### B. SBEDA Program Compliance – Affirmative Procurement Initiatives

City has applied the following contract-specific Affirmative Procurement Initiatives to this Agreement. Grantee hereby acknowledges and agrees the selected API requirement also shall be extended to any change order or subsequent contract modification and, absent SBO’s granting of a waiver, that its full compliance with the following API terms and conditions are material to its satisfactory performance under this Agreement:

**M/WBE Subcontracting Program.** In accordance with SBEDA Ordinance Section III. D. 2. (d), this contract is being awarded pursuant to the M/WBE Subcontracting Program. The Grantee agrees to subcontract at least **twenty-three percent (23%)** of its prime contract value to certified M/WBE firms headquartered or having a Significant Business Presence within the San Antonio Metropolitan Statistical Area (SAMSA).

**Segmented M/WBE Goal.** In accordance with SBEDA Ordinance Section III. D. 2. (e), this contract is being awarded pursuant to Segmented M/WBE Goals. The Grantee agrees to subcontract at least **two percent (2%)** of the contract value to a certified African American Business Enterprise (AABE) firm headquartered or having a significant business presence within the San Antonio Metropolitan Statistical Area (SAMSA). This **two percent (2%)** subcontracting goal will also count toward the aforementioned **twenty-three percent (23%)** M/WBE subcontracting goal.

Grantee shall submit a **Subcontractor/Supplier Commitment Form** to City with this funding agreement. Failure to include a completed, signed copy of the Subcontractor/Supplier Commitment Form acknowledging the subcontracting goal(s) for

this funding will render this contract voidable. *As the comprehensive scope of work is established*, Grantee agrees to submit a Subcontractor/ Supplier Utilization Plan with the names of the certified M/WBE and AABE Subcontractors to be used by Grantee on this contract, the respective percentages of the total prime contract dollar value to be awarded and performed by each M/WBE and AABE Subcontractor, and documentation including a description of each M/WBE and AABE Subcontractor's scope of work and confirmation of each M/WBE and AABE Subcontractor's commitment to perform such scope of work for an agreed upon dollar amount is to be attached and incorporated by reference into the material terms of this Agreement.

In the absence of a waiver granted by the SBO, the failure of Grantee to attain this subcontracting goal for M/WBE and AABE firm participation in the performance of a Commercially Useful Function under the terms of its contract shall be a material breach and grounds for termination of the contract with the CITY, and may result in debarment from performing future CITY contracts, withholding of payment for retainage equal to the dollar amount of the underutilization below the agreed upon M/WBE and AABE subcontracting goal, and/or shall be subject to any other remedies available under the terms of this Agreement for violations of the SBEDA Ordinance, or under any other law.

C. Contract Requirements and Commitment

Grantee understands and agrees the following provisions shall be requirements of this Funding Agreement and Grantee, in acknowledging these requirements, commits to comply with these provisions.

**Waiver Request** - Grantee may request, for good cause, a full or partial Waiver of **specified subcontracting goal(s)** by submitting the *Respondent/ Vendor Subcontracting Waiver Request* form (available at <http://www.sanantonio.gov/SBO/Forms.aspx>). Grantee's Waiver request fully must document Consultant, Sub-Consultant, Contractor, Subcontractor and/or Supplier unavailability despite Grantee's good faith efforts to comply with the goal. Such documentation shall include all good faith efforts made by Grantee including, but not limited to, which Consultants, Sub-Consultants, Contractors, Subcontractors and/or Suppliers were contacted (with phone numbers, e-mail addresses and mailing addresses, as applicable) and the method of contact.

D. SBEDA Program Compliance – General Provisions

Grantee acknowledges and accepts the terms of City's SBEDA Ordinance, as amended, together with all requirements, guidelines and procedures set forth in City's SBEDA Policy & Procedure Manual, are in furtherance of City's efforts at economic inclusion and, moreover, such terms are part of Grantee's Scope of Work, as referenced in City's Funding Agreement, forming the basis for a Funding Agreement award and subsequent execution of this Agreement. These SBEDA Ordinance requirements, guidelines and procedures hereby are incorporated by reference into this Agreement and are considered by the Parties hereto to be material terms. Grantee's agreement fully to comply with these SBEDA program terms is a material condition for being awarded this Funding Agreement by City.

Without limitation, Grantee further agrees to the following terms as part of its contract compliance responsibilities under City's SBEDA Program:

1. GRANTEE shall cooperate fully with the Small Business Office and other CITY departments in their data collection and monitoring efforts regarding GRANTEE's utilization and payment of Subcontractors, S/M/WBE firms, and HUBZone firms, as applicable, for their performance of Commercially Useful Functions on this contract including, but not limited to, the timely submission of completed forms and/or documentation promulgated by SBO, through the Originating Department, pursuant to the SBEDA Policy & Procedure Manual, timely entry of data into monitoring systems, and ensuring the timely compliance of its subcontractors with this term;
2. GRANTEE shall cooperate fully with any CITY or SBO investigation (and shall also respond truthfully and promptly to any CITY or SBO inquiry) regarding possible non-compliance with SBEDA requirements on the part of GRANTEE or its subcontractors or suppliers;
3. GRANTEE shall permit the SBO, upon reasonable notice, to undertake inspections as necessary including, but not limited to, contract-related correspondence, records, documents, payroll records, daily logs, invoices, bills, cancelled checks, and work product, and to interview Subcontractors and workers to determine whether there has been a violation of the terms of this Agreement;
4. GRANTEE shall notify the SBO, in writing on the Change to Utilization Plan form, through the Originating Department, of any proposed changes to GRANTEE's Subcontractor / Supplier Utilization Plan for this contract, with an explanation of the necessity for such proposed changes, including documentation of Good Faith Efforts made by GRANTEE to replace the Subcontractor / Supplier in accordance with the applicable Affirmative Procurement Initiative. All proposed changes to the Subcontractor / Supplier Utilization Plan including, but not limited to, proposed self-performance of work by GRANTEE of work previously designated for performance by Subcontractor or supplier, substitutions of new Subcontractors, terminations of previously designated Subcontractors, or reductions in the scope of work and value of work awarded to Subcontractors or suppliers, shall be subject to advanced written approval by the Originating Department and the SBO.
5. GRANTEE shall immediately notify the Originating Department and SBO of any transfer or assignment of its contract with the CITY, as well as any transfer or change in its ownership or business structure.
6. GRANTEE shall retain all records of its Subcontractor payments for this contract for a minimum of four years or as required by state law, following the conclusion of this contract or, in the event of litigation concerning this contract, for a minimum of four years or as required by state law following the final determination of litigation, whichever is later.

7. In instances wherein the SBO determines that a Commercially Useful Function is not actually being performed by the applicable S/M/WBE or HUBZone firms listed in a GRANTEE's Subcontractor / Supplier Utilization Plan, the GRANTEE shall not be given credit for the participation of its S/M/WBE or HUBZone Subcontractor(s) or joint venture partner(s) toward attainment of S/M/WBE or HUBZone firm utilization goals, and the GRANTEE and its listed S/M/WBE firms or HUBZone firms may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.
8. GRANTEE acknowledges that the CITY will not execute a contract or issue a Notice to proceed for this project until the GRANTEE for this project have registered and/or maintained active status in the CITY's Centralized Vendor Registration System (CVR), and GRANTEE has represented to CITY which primary commodity codes each Subcontractor will be performing under for this contract. CITY recommends all Subcontractors to be registered in the CVR.

E. Violations, Sanctions and Penalties

In addition to the above terms, Grantee acknowledges and agrees it is a violation of the SBEDA Ordinance and shall be deemed to have committed a material breach of this Agreement if Grantee:

1. fraudulently obtains, retains, attempt to obtain, or aids another in fraudulently obtaining, retaining, or attempting to obtain or retain Certification status as an SBE, MBE, WBE, M/WBE, HUBZone firm, Emerging M/WBE, or ESBE for purposes of benefitting from the SBEDA Ordinance;
2. willfully falsifies, conceals or covers up by a trick, scheme or device, a material fact or makes any false, fictitious or fraudulent statements or representations, or makes use of any false writing or document, knowing the same to contain any false, fictitious or fraudulent statements or entries pursuant to the terms of the SBEDA Ordinance;
3. willfully obstructs, impedes or attempts to obstruct or impede any authorized official or employee investigating the qualifications of a business entity which has requested Certification as an S/M/WBE or HUBZone firm;
4. fraudulently obtains, attempts to obtain or aids another person fraudulently obtaining or attempting to obtain public monies to which the person is not entitled under the terms of the SBEDA Ordinance; and
5. makes false statements to any entity that any other entity is or is not certified as an S/M/WBE for purposes of the SBEDA Ordinance.

Any person of entity violating the provisions of this **clause** shall be subject to the provisions of Section III. E. 13. of the SBEDA Ordinance and any other penalties, sanctions and remedies available under law including, but not limited to:

1. Suspension of contract
2. Withholding of funds
3. Rescission of contract based upon a material breach of contract pertaining to S/M/WBE Program compliance
4. Refusal to accept a response or proposal
5. Disqualification of GRANTEE or other business firm from eligibility for providing goods or services to the City for a period not to exceed two years (upon City Council approval).

F. Commercial Nondiscrimination Policy Compliance

As a condition of entering into this Agreement, Grantee represents and warrants it has complied with, throughout the course of this solicitation and contract award process and will continue to comply with, City's Commercial Nondiscrimination Policy, as described under Section III. C. 1. of the SBEDA Ordinance. As part of such compliance, Grantee shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or, on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring or commercial treatment of Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s), Suppliers vendors or commercial customers, nor shall Grantee retaliate against any person for reporting instances of such discrimination. Grantee shall provide equal opportunity for Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s), Suppliers and vendors to participate in all of Grantee's public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this **clause** shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in City's Relevant Marketplace. Grantee understands and agrees a material violation of this **clause** shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of Grantee from participating in City contracts or other sanctions. This **clause** is not enforceable by or for the benefit of, and creates no obligation to, any third party. Grantee's certification of its compliance with this Commercial Nondiscrimination Policy, as submitted to City pursuant to the solicitation for this Agreement, hereby is incorporated into the material terms of this Agreement. Grantee shall incorporate this Commercial Nondiscrimination Policy clause into each of its Consultant(s), Sub-Consultant(s), Contractor(s) Subcontractor(s) and Supplier agreements entered into pursuant to City contracts.

G. Prompt Payment

Upon execution of this Agreement, Grantee shall be required to submit to City accurate progress payment information with each invoice, with regard to each of its Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and Suppliers, including HUBZone Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and Suppliers, to ensure

Grantee's reported subcontract participation is accurate. Grantee shall pay its Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and Suppliers in compliance with Chapter 2251, Texas Government Code (known as the "Prompt Payment Act") within ten (10) days of receipt of payment from City. In the event of Grantee's noncompliance with these prompt payment provisions, no new City contracts shall be issued to Grantee until City's audit of previous subcontract payments is complete and payments are verified to be in accordance with the specifications of the Agreement.

#### H. Definitions

**Affirmative Procurement Initiatives (hereafter referred to as "API")** – refers to various Small Business Enterprise, Minority Business Enterprise, and/or Women Business Enterprise (hereafter referred to as "S/M/WBE") Program tools and Solicitation Incentives that are used to encourage greater prime contract and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE program tools, see Section III. D. of Attachment A to the SBEDA Ordinance).

**Centralized Vendor Registration System (hereafter referred to as "CVR")** – refers to a mandatory electronic system wherein City requires all prospective Consultants, Sub-Consultants, Contractors and Subcontractors ready, willing and able to sell goods or services to City to register. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices and for receiving payments from City. The CVR-assigned identifiers also are used by City's Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE (as defined herein) firms by Industry or commodity codes and for establishing annual aspirational Goals and contract-by-contract Subcontracting Goals.

**Certification or "Certified"** – refers to the process by which City's Small Business Office (hereafter referred to as "SBO") staff determines a firm to be a bona-fide small, minority-, women-owned or emerging small business enterprise. Emerging Small Business Enterprises (hereafter referred to as "ESBEs") automatically are eligible for Certification as SBEs. Any firm may apply for multiple Certifications covering each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, City accepts any firm that is certified by local government entities and/or other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6 of Attachment A.

**Commercially Useful Function** – means a S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of a distinct element of the work of the contract and is carrying out its responsibilities by actually performing, staffing,

managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm also must be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it actually is performing, the S/M/WBE credit claimed for its performance of the work and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation when, in similar transactions in which S/M/WBE firms do not participate, there is no such role performed. The use of S/M/WBE firms by Grantee to perform such “pass-through” or “conduit” functions that are not commercially useful shall be viewed by City as fraudulent, if Grantee attempts to obtain credit for such S/M/WBE participation towards the satisfaction of S/M/WBE participation goals or other API participation requirements. As such, under such circumstances where a commercially useful function is not actually performed by the S/M/WBE firm, Grantee shall not be given credit for the participation of its S/M/WBE Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s), Suppliers or joint venture partner towards attainment of S/M/WBE utilization goals, and Grantee and S/M/WBE firm may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

**Good Faith Efforts** – means the documentation of Grantee’s intent to comply with S/M/WBE Program Goals and procedures including, but are not limited to, the following:

(1) documentation reflecting Grantee’s commitment to comply with SBE or M/WBE Program Goals as established by the GSC for a particular contract; or

(2) documentation of efforts made toward achieving the SBE or M/WBE Program Goals (e.g., timely advertisements in appropriate trade publications and publications of wide general circulation; timely posting of SBE or M/WBE subcontract opportunities on the City of San Antonio website; solicitations of bids/proposals/qualification statements from all qualified SBE or M/WBE firms listed in the Small Business Office’s directory of certified SBE or M/WBE firms; correspondence from qualified SBE or M/WBE firms documenting their unavailability to perform SBE or M/WBE contracts; documentation of efforts to subdivide work into smaller quantities for subcontracting purposes, to enhance opportunities for SBE or M/WBE firms; documentation of a Prime Consultant’s posting of a bond covering the work of SBE or M/WBE Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and/or Suppliers; documentation of efforts to assist SBE or M/WBE firms with obtaining financing, bonding or insurance required by Grantee and the solicitation; and documentation of consultations with trade associations and Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and/or Suppliers representing the interests of SBE and/or M/WBEs in order to identify qualified and available SBE or M/WBE Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and/or

Suppliers). The appropriate form and content of Grantee’s Good Faith Efforts documentation shall be in accordance with the SBEDA Ordinance as interpreted in the SBEDA Policy & Procedure Manual.

**HUBZone Firm** – means a business certified by the U.S. Small Business Administration for participation in the federal HUBZone Program, as established under the 1997 Small Business Reauthorization Act. To qualify as a HUBZone firm, a small business must meet all of the following criteria:

1. The business is owned and Controlled by U.S. citizens;
2. At least thirty five percent (35%) of the business’s employees must reside in a HUBZone; and
3. The business’s Principal Place of Business must be located in a HUBZone within the San Antonio Metropolitan Statistical Area. [See 13 C.F.R. 126.200 (1999).]

**Independently Owned and Operated** – means the ownership of an SBE firm must be direct, independent and by Individuals only. Ownership of an M/WBE firm may be by Individuals and/or by other businesses provided the ownership interests in the M/WBE firm can satisfy the M/WBE eligibility requirements for ownership and Control as specified herein in Section III.E.6. The M/WBE firm must also be Independently Owned and Operated in the sense that it cannot be the subsidiary of another firm that does not itself (and in combination with the certified M/WBE firm) satisfy the eligibility requirements for M/WBE Certification.

**Individual** – means an adult person that is of legal majority age.
