**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the Southeast Community Area Plan, adopted December 15, 2022, and is currently designated as "Community Commercial" in the future land use component of the plan. The requested "C-2" base zoning district is consistent with the future land use designation.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area. There is existing "C-2" Commercial District zoning in the area.
3. **Suitability as Presently Zoned:** The existing "O-2" High-Rise Office District is not appropriate for the property and the surrounding area. However, the existing and proposed "C-2" Commercial District is appropriate. While the portion of the property currently zoned "O-2" is not within the scope of the land use of the Southeast Community Area Plan, the proposed zoning is. Additionally, the subject property meets locational requirements by being located within an established commercial corridor and along East Southcross Boulevard, a secondary arterial. The request to rezone is to accommodate the future development of a Dollar General.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does appear to conflict with any public policy objectives. Relevant Goals and Policies of the SA Tomorrow Comprehensive Plan may include:
  - GCF Goal 5: Growth and city form support improved livability in existing and future neighborhoods.
  - JEC Goal 1: Employment is focused in the city's 13 Regional Centers, in site-specific locations in Urban Centers and along mobility corridors, providing easy connectivity for San Antonio's residents and businesses.

Relevant Goals and Policies of the Southeast Community Area Plan may include:

- Goal 1: Land Use - Implement land use policies that promote compatible adjacency, mixed-use opportunities, and commercial centers that provide a variety of uses.

- Goal 2: Community Engagement - Strengthen community relationships by creating a cohesive and welcoming atmosphere that encourages engagement and interaction.
  - Goal 5: Local Economic Development - Attract new and retain existing businesses that provide a variety of shopping, healthy food and quality dining options, entertainment, and services that support all residents and expand
6. **Size of Tract:** The 1.471-acre site is of sufficient size to accommodate the proposed commercial development.
7. **Other Factors:** The subject property is located within the Martindale Army Airfield Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, Texas Army National Guard and JBSA were notified of the proposed request. The Military has indicated that there are no objections to this request.

The applicant is rezoning to develop a Dollar General.
