CONTRACT NUMBER 30245000001

ADDENDUM D

PRWORA REQUIREMENTS

City of San Antonio,

a political subdivision of the State of Texas

If an individual is applying for EH Fund grant funds, a Subrecipient must verify that the individual applying for EH Fund grant funds is a qualified recipient for funding under the Personal Responsibility and Work Opportunity Act of 1996 ("PRWORA"), Pub. L. 104-193, 110 Stat. 2105, codified at 8 U.S.C. §1601 *et. seq.*, as amended by the Omnibus Appropriations Act, 1997, Pub. L. 104-208.

To ensure that a non-qualified applicant does not receive "public benefits," a political subdivision that administers "public benefit programs" is required to determine, and to verify, the individual's alienage status before granting eligibility. 8 U.S.C. §1642 (a) and (b). Subrecipient must use the SAVE verification system to verify and document qualified alien eligibility once access to the system is provided by the Department.

There are certain types of assistance that are not subject to the Act's restriction on access to public benefits based on immigration status. This includes activities that: (1) deliver in-kind services at the community level, (2) are necessary for the protection of life or safety, and (3) do not condition the provision of assistance on the applicant's income or resources. Generally, under the EH Fund State Rules, an activity that provides a public benefit to a Household that is Homeless is exempt, while an activity that is provided to a Household that is At-Risk of Homelessness is not exempt. However, if Subrecipient has adopted income-based criteria for the provision of assistance, than that activity may be subject to the Act. Yet, some activities do not provide a public benefit to a Household such as a case manager performing a Household eligibility determination or purchase of an HMIS database. Section 401(b)(1)(C) of the PRWORA also exempts "public health assistance for immunizations with respect to immunizable diseases and for testing and treatment of symptoms of communicable diseases whether or not such symptoms are caused by a communicable disease."

If Subrecipient is unsure of whether or not an activity is exempt from the Act, it should contact the Department before beginning the activity to receive a written determination

**CERTIFICATION REGARDING USE OF THE SYSTEMATIC ALIEN VERIFICATION FOR ENTITLEMENTS (SAVE)
SYSTEM**

Subrecipient shall:

- (1) System Use.

- (a) Establish the identity of the applicants and require each applicant to present the applicant's immigration or naturalization documentation that contains the information (e.g., alien registration number) required by the SAVE Program;
- (b) Physically examine the documentation presented by the applicant and determine whether the document(s) reasonably appear(s) to be genuine and to relate to the individual;
- (c) Provide to the SAVE Program the information the SAVE Program requires to respond to Subrecipient requests for verification of immigration or naturalized or derived citizenship status information, including (1) information from the applicant's immigration or naturalization documentation for initial automated verification, (2) additional information obtained from the alien's immigration or naturalization documentation for automated additional verification, and (3) completed Forms G-845 and other documents and information required for manual additional verification. For manual only verification, ensure that Forms G-845 and other documents and information required for manual verification are provided;
- (d) Ensure that, prior to using the Verification Information System, all employees designated by Subrecipient to use SAVE on behalf of the Subrecipient (Users) performing verification procedures complete SAVE required training including: reading the SAVE Program Guide, taking the latest version of Web tutorial(s), <http://www.uscis.gov/save/what-save/save-webinars>, and maintaining a working knowledge of requirements contained therein and in this Contract as updated. Documentation of training must be maintained by the Subrecipient for monitoring review;
- (e) Ensure that Users are provided with and maintain User Ids only while they have a need to perform verification procedures;
- (f) Ensure all Users performing verification procedures comply with all requirements contained in the SAVE Program Guide, web-based tutorial, this Contract, and updates to these requirements;
- (g) Ensure that all Users performing verification procedures have contact information for the SAVE Program and SAVE Monitoring and Compliance. - (h) Ensure all Users perform any additional verification procedures the SAVE Program requires and/or the applicant requests after the Subrecipient initiates a request for verification;
- (i) Use any information provided by DHS-USCIS under this Contract solely for the purpose of determining the eligibility of persons applying for the benefit issued by the Subrecipient and limit use of such information in accordance with this and all other provisions of this Contract;
- (j) Comply with the requirements of the Federal Information Security Management Act ("FISMA") (PL-107-347), Title III, Section 301 and OMB guidance as applicable to electronic storage, transport

of records between agencies, and the internal processing of records received by either agency under the terms of this Contract;

(k) Safeguard such information and access methods to ensure that it is not used for any other purpose than described in this Contract and protect its confidentiality; including ensuring that it is not disclosed to any unauthorized person(s) without the prior written consent of DHS-USCIS. (m) Comply with federal laws prohibiting discrimination against applicants and discriminatory use of the SAVE Program based upon the national origin, color, race, gender, religion, or disability of the applicant;

(n) Provide all benefit-applicants who are denied benefits based solely or in part on the SAVE response with adequate written notice of the denial and the information necessary to contact DHS-USCIS so that such individual may correct their records in a timely manner, if necessary. A Fact Sheet that includes the process by which applicants may contact DHS-USCIS is posted at http://www.uscis.gov/USCIS/Verification/SAVE/SAVE_Native_Documents/Fact_Sheet_HowToCorrectYourRecordswithUSCIS.pdf, (subject to revision and reposting on the SAVE Website and Online Resources);

(o) Provide all benefit-applicants who are denied benefits based solely or in part on the SAVE response with the opportunity to use the Subrecipient's existing process to appeal the denial and to contact DHS-USCIS to correct their records prior to a final decision, if necessary; and

(p) Refrain from using SAVE, or assisting any person or entity, to comply with the employment eligibility verification requirements of Section 274A of the Immigration and Nationality Act, 8 U.S.C. §1324a.

(2) Monitoring and Compliance.

(a) Allow Department and SAVE Monitoring and Compliance to monitor and review all records and documents related to the use, abuse, misuse, fraudulent use or improper use of SAVE by the Subrecipient, including, but not limited to original applicant consent documents required by the Privacy Act, 5 U.S.C. §552a or other applicable authority;

(b) Notify the Department's Compliance Division immediately whenever there is reason to believe a violation of this agreement has occurred;

(c) Notify the Department's Compliance Division immediately whenever there is reason to believe an information breach has occurred as a result of User or Subrecipient action or inaction pursuant to Office of Management and Budget (OMB) Memorandum M-07-16, "Safeguarding Against and Responding to the Breach of Personally Identifiable Information;"
