**ALTERNATIVES:**

Current Zoning: "C-1 CD" Light Commercial Districts accommodate neighborhood commercial uses which depend on a greater volume of vehicular traffic than an NC district. C-1 uses are considered appropriate buffers between residential uses and C-2 and C-3 districts and uses. Building size is limited to 5,000 square feet. Examples of permitted uses: arcade, boarding house, noncommercial athletic field, retail furniture sales, grocery store, nursery (retail – no growing of plants on site permitted), retail office equipment and supply, and retail rug or carpet sales. No outdoor storage or display of goods shall be permitted except for outdoor dining.

The current "CD" Conditional Use permits Auto and Light Truck Repair on the property.

Proposed Zoning: "C-1 CD" Light Commercial Districts accommodate neighborhood commercial uses which depend on a greater volume of vehicular traffic than an NC district. C-1 uses are considered appropriate buffers between residential uses and C-2 and C-3 districts and uses. Building size is limited to 5,000 square feet. Examples of permitted uses: arcade, boarding house, noncommercial athletic field, retail furniture sales, grocery store, nursery (retail – no growing of plants on site permitted), retail office equipment and supply, and retail rug or carpet sales. No outdoor storage or display of goods shall be permitted except for outdoor dining.

The proposed "CD" Conditional Use would allow Motor Vehicle Sales (Full Service) on the property.

**FISCAL IMPACT:**

None

**PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The subject property is not located within a Regional Center or within a ½ mile of a Premium Transit Corridor.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the Near Northwest Community Plan, adopted February 2002, and is currently designated as "Neighborhood Commercial" in the future land use component of the plan. The requested "C-1 CD" base zoning district is consistent with the future land use designation.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area. Surrounding zoning includes "C-1" Light Commercial, "NC" Neighborhood Commercial and "R-6" Residential Single-Family Districts.
3. **Suitability as Presently Zoned:** The current "C-1 CD" Light Commercial District with a Conditional Use for Auto and Light Truck Repair is an appropriate zoning for the property and surrounding area. The proposed "C-1 CD" Light Commercial District with a Conditional Use for Motor Vehicle Sales (Full Service) is also appropriate. The property fronts a primary arterial and is placed and sized to adequately accommodate the proposed development. The existing building and flatwork will accommodate the proposed use, and the "CD" Conditional Use site plan will prevent expansion of the structure. Deviation from the approved document could warrant the need for additional Council consideration.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objective. Relevant Goals and Objectives from the Comprehensive Plan may include:
  - GCF Goal 5: Growth and city form support improved livability in existing and future neighborhoods.

- GCF P14: Establish appropriate buffers and transitions (land use, form and/or landscaping) between residential neighborhoods and surrounding higher-density development.
- JEC Goal 1: Employment is focused in the city's 13 Regional Centers, in site-specific locations in Urban Centers and along mobility corridors, providing easy connectivity for San Antonio's residents and businesses.

Relevant Goals and Policies of the Near Northwest Community plan:

- GOAL 2: Economic Development - Ensure the Near NW Community's business corridors are filled with a mix of uses including professional offices, residences and busy shops, providing neighbors an attractive place to walk for shopping, playing, working and relaxing both day and night.
- OBJECTIVE 2.2: Business Development - Create opportunities for new business development to ensure a diversity of attractive businesses in pedestrian friendly environments.
- OBJECTIVE 2.3: Business Appearance – Improve the appearance of area commercial corridors.

6. **Size of Tract:** The subject property is 0.2755 acres, which can reasonably accommodate the proposed commercial development.
7. **Other Factors:** The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

The applicant is rezoning to allow for Motor Vehicle Sales.

The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates commercial uses.
