The request was for designation of the referenced property which lies within the Edwards Aquifer Recharge Zone, as a Category 1 property. The 13.642-acre tract is contained entirely within the Stone Oak II POADP.

The following documentation was submitted for the above referenced project:

- 1) A blue line copy of the Stone Oak II POADP outlining the 13.642-acre tract.
- 2) A letter of response from the San Antonio Water System for a Category request, dated January 19, 1996, for a 40-acre tract contained within the Stone Oak II POADP.
- 3) A letter of response from the San Antonio Water System for a Category request, dated March 13, 1996, for The Forest at Stone Oak contained within the Stone Oak II POADP.
- 4) A letter of response from the San Antonio Water System for a substantial alteration, dated February 13, 1995, for the Balcort tract contained within the Stone Oak II POADP.

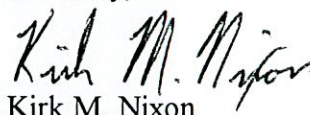

Based on the documentation submitted and in accordance with Chapter 34, Article VI, Division 6, Section 34-925 of the City Code, the 13.642-acre tract contained entirely within the Stone Oak II POADP is classified as Category 1 property.
