## Section 1: Term

This Agreement will commence October 1, 2024 and continue through September 30, 2028 unless earlier termination shall occur pursuant to any provision hereof. The City shall have the option to renew this Agreement for one additional one-year term (October 1 – September 30) subject to (a) the City's receipt of additional monies sufficient to fund the renewal term and appropriation; and (b) the Contractor satisfactorily meeting the performance requirements of this Agreement, as solely determined by City. Lack of funding is not and will not be considered a breach of this Agreement; provided, however, that lack of funding will not excuse payment for services rendered.

## Section 2: Scope of Services

Contractor agrees to provide all services in compliance with the Statement of Work (**Attachment I**) in a manner satisfactory to the San Antonio Fire Department Chief. The determination made by the Chief shall be final, binding and conclusive on all Parties hereto. City shall have the right to terminate this Agreement, in whole or in part, in accordance with Article IX, Termination, should Contractor's work not be satisfactory to Chief; however, City shall have no obligation to terminate and may withhold payment for any unsatisfactory work, as stated herein, even should City elect not to terminate.

## Section 3: Budget and Payment

- A. City will reimburse Contractor for eligible costs incurred providing the services under this Agreement in accordance with the attached Budget (**Attachment II**) and in an amount not to exceed the below amount as total compensation.

October 1, 2024 to September 30, 2025 - \$283,442.00

- B. Eligible costs are defined as those costs that are necessary, reasonable and allowable under applicable federal, state and local law, and the grant including but not limited to those laws referenced in Section 7 of this Agreement, for the proper administration and performance of the services to be provided under this Agreement. All requested reimbursements must be consistent with budgeted line items described in Attachment II of this Agreement, unless (a) a subsequent budget revision has been approved and signed by the Chief in cases where a Program Budget remains the same, or (b) an Agreement amendment has been approved and signed by the Chief pursuant to Section 24 of this Agreement in cases where there is an increase or decrease to a Program Budget. Approved Budget Revisions (*total Program Budget remains the same*) and Budget Amendments (*an increase or decrease to the Program Budget*) supersede prior budget documents and all references to the Budget mean the last revised, approved budget. Contractor may confirm eligibility of a cost prior to making the expenditure if Contractor is uncertain.
- C. Reimbursement requests of eligible expenses incurred under this Agreement and in compliance with the applicable Budget shall be submitted by the 15<sup>th</sup> of every month. All requests for reimbursement shall be accompanied with documentation required by the Chief.
- D. Contractor shall submit to City all final requests for payment no later than 30 days from the expiration or early termination date of this Agreement, unless Contractor receives written authorization from the Chief allowing Contractor to submit a request for payment after such 30

day period.

The Contractor shall adequately safeguard all such assets and shall ensure that they are used solely for authorized purposes. Contractor shall maintain an accounting system that can separate funds by funding source and project; and
  - 2. Supporting source documentation (i.e., professional services agreements, purchases, and other documentation as required by City); and
  - 3. An accounting system based on generally acceptable accounting principles which accurately reflects all costs chargeable (paid and unpaid) to this Agreement. A Receipts and Disbursements Ledger must be maintained. A general ledger with an Income and Expense Account for each budgeted line item is necessary. Paid invoices revealing check number, date paid and evidence of goods or services received are to be filed according to the expense account to which they were charged.
- G. Contractor costs or earnings claimed under this Agreement will not be claimed under another contract or grant from another agency, organization, business entity or governmental entity.
- H. Contractor shall establish, submit with supporting documentation with Contractor's annual Program budget prior to Agreement execution by the deadline established by the City, and use a Cost Allocation Plan. The Cost Allocation Plan is a plan that identifies and distributes the cost of services provided by staff and/or departments or functions and overhead not solely devoted to the Program funded by this Agreement. The Plan substantiates how the costs of a program are charged to a particular cost category or to the program and ensures that the City is only paying its share of the costs for services, overhead and staffing.
- I. Within 10 business days of City's written notification, or the Contractor becoming aware of its existence, Contractor must return to the City any funds, credits that are on-hand or collected, or advance payments that:
  - 1. exceed allowable costs incurred during the Agreement term; or
  - 2. for which Contractor fails to deliver services as specified under the Agreement

Any amounts not returned within 10 business days may, at City's option, be subject to offset against future funding obligations by City.

- J. Contractor shall maintain financial stability and operate in a fiscally responsible and prudent manner. City may immediately terminate this Agreement if the City finds, in its sole discretion, that Contractor's financial condition may impact performance under this Agreement. The City

may consider evidence such as the apparent inability of Contractor to meet its financial obligations; items that reflect detrimentally on the credit worthiness of Contractor; pending litigation, liens and encumbrances on the assets of Contractor; the appointment of a trustee, receiver or liquidator for all or a substantial part of Contractor's property; or the institution of bankruptcy, reorganization, rearrangement of or liquidation proceedings by or against Contractor. Contractor shall provide any records requested by City that City deems necessary to make such a determination.

- K. City's obligations under this Agreement are contingent upon the actual receipt of adequate general fund revenue or grant funds to meet City's liabilities under this Agreement. If City does not receive sufficient funds to make payments pursuant to this Agreement or if grant fund awards are reduced, City shall notify Contractor in writing within a reasonable time after such fact has been determined and may, at its option, either terminate this Agreement or reduce the applicable Scope of Work and Payment accordingly.
- L. Contractor shall not use funds awarded from this Agreement as matching funds for any federal, state or local grant without the prior written approval of the Chief.
- M. It is expressly understood and agreed that each party shall make payments for the performance of governmental functions or services from current revenues available to the paying party.
