☒

I acknowledge that under the City Charter and Ethics Code, City Officers (including members of certain boards and commissions considered "more than advisory" in nature) and certain City Employees, as well as their close family members, and businesses they or their family own (with a 10% or greater interest) are prohibited from obtaining contracts with the City during their service. This includes subcontracts and applies to related businesses. These individuals and their families remain prohibited from obtaining discretionary contracts for one year after leaving City service.

***5. Conflicts of Interest Questionnaire (CIQ).**

I understand Chapter 176 of the Local Government Code requires certain contractors and vendors to submit a Conflict of Interest Questionnaire Form (CIQ) to the Office of the City Clerk, even if the contract is not designated as "High Profile". I acknowledge that I have been advised of the requirement.
