

Casa Bella Street Extension

Public Works

Item 9

COUNCIL CONSIDERATION REQUEST

Submitted February 20, 2024, by Council Districts 8 and 4.

Request

- Commission the City Manager to conduct a traffic study of Casa Bella Street that will inform the development of a funding plan and schedule for the extension of Casa Bella Street to connect with Vance Jackson (Exhibit A)
- Commission the City Manager to conduct a traffic study for 7100 block of Heathers Place that will inform the development of a funding plan and schedule for construction of a turnaround mechanism for neighbors (Exhibit B)
- Set a deadline of no more than 36 months from the date of this CCR's filing for the completion of the road's extension.

EXHIBIT B

Staff Recommendation

- Staff recommends this CCR utilize existing FY 2024 NAMP or Capital District Infrastructure Improvement funds for a feasibility assessment and potential design of the proposed street extensions.
- Funding for final design and construction will be identified after finalized cost estimates. Potential funding sources are FY 2025 NAMP and 2022 Bond Pedestrian Mobility Funds.
- No further action is needed.
