MEMORANDUM OF UNDERSTANDING SAN ANTONIO INDEPENDENT SCHOOL DISTRICT AND CITY OF SAN ANTONIO

This Memorandum of Understanding (MOU) is between the City of San Antonio (“CITY”) and San Antonio Independent School District (“SAISD”) relating to the Thomas Jefferson High School Area Streets Project. CITY and SAISD are referred to collectively herein as the “Parties”. CITY and SAISD understand and agree that this MOU is an administrative statement of policy by the CITY and SAISD, entered into by the Parties with the intention of acknowledging maintenance and operations of the Project facilities moving forward.

I. BACKGROUND

1.1 On May 6, 2017, City of San Antonio voters approved \$3,600,000 in City Bonds to construct improvements to streets and sidewalks in the Thomas Jefferson High School area (“Project”). The project encompassed improvements to the Wilson Boulevard median, including underground utility conversion at the intersections of Wilson Boulevard/Donaldson Avenue and Wilson Boulevard/Club Drive, sidewalks, lighting, landscaping, Thespian Island fountain restoration, and other improvements.

1.2 While City Bonds can be used for construction of the Project, a separate source of funds and agreement between the Parties is necessary for the long-term maintenance of the streets, sidewalks, fountain, landscaping, and other Project elements located in the Project area. SAISD can spend its maintenance funds on property that it owns.

1.3 SAISD owns fee simple title to real property known as Thespian Island and the improvements thereon, located at Kampmann Blvd. and Donaldson Ave., in the City of San Antonio, Bexar County, Texas, and as shown in **Exhibit A**, attached hereto.

1.4 CITY owns fee simple title, as well as a Right of Way (ROW) interest to Wilson Boulevard and the median, as shown in **Exhibit A**.

1.5 CITY and SAISD desire that the Project’s elements be properly maintained for public purposes.

1.6 Upon completion of the Project, SAISD and CITY agree that the Thespian Island fountain and adjoining property continue to be owned exclusively by SAISD, and that any and all rights of entry granted to the CITY during the Project have terminated.

1.7 In order to facilitate the long-term maintenance of the Wilson Boulevard median, CITY agrees to convey its underlying fee simple ownership interest to SAISD, subject to a reservation of a ROW easement.

1.8 For and in consideration of the mutual benefits herein expressed, SAISD and CITY agree to the following:
