**WHEREAS**, the purpose of the Edwards Aquifer Protection Program (EAPP) is to obtain property rights by fee simple purchase, conservation easements or donations of land over the sensitive zones of the Edwards Aquifer. This program was initiated in May 2000 when voters approved Proposition 3, a 1/8-cent sales tax venue up to \$45 million for the acquisition of lands over the Edwards Aquifer for parks and watershed protection. Proposition 3 ran from 2000 through 2005 and was limited to Bexar County; and

**WHEREAS**, the 2005 Proposition 1 program was an extension of the initial voter-approved Edwards Aquifer protection endeavor and was extended by voters in 2010 and renewed again in 2015. Changes in state legislation allowed watershed protection activities to expand outside of Bexar County. In 2020, City Council approved a 10-year, \$100 million alternative funding program through the San Antonio Municipal Facilities Corporation which will issue debt for the Edwards Aquifer Protection Program to continue its mission of protecting recharge water quality and quantity over the Edwards Aquifer Recharge and Contributing Zones; and

**WHEREAS**, the Gilleland Ranch Phase II property is located adjacent to the 1,951-acre Gilleland Ranch conservation easement which was purchased by the Edwards Aquifer Protection Program in 2012; the proposed purchase of the conservation easement on the Gilleland Ranch Phase II property is located over the Edwards Aquifer Recharge Zone and consists of 562.003 acres in Uvalde County, Texas; the property was initially identified through use of the Scientific Evaluation Team's GIS Spatial Model and subsequent site visits identified favorable recharge features on the property; the Gilleland Ranch Phase II property is located within the Long Canyon-Dry Frio and Elm Draw-Frio River watersheds which drain to the Frio River and contribute to significant recharge of the Edwards Aquifer; the Edwards Aquifer Authority issued a geological assessment of the property confirming that preservation would provide moderate water quantity and moderate water quality benefit for the City of San Antonio.

**NOW THEREFORE,**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:**

**SECTION 1.** The City Manager or designee is authorized to acquire a conservation easement on the 20.03-acre tract of land known as the Hoover Property located in Bexar County in the amount of \$608,007.74 under the San Antonio Municipal Facilities Corporation fund.
