The proposed Plan Amendment from “Agribusiness RIMSE Tier” to “General Urban Tier” is requested to rezone the 11.38-acre parcel of property to "C-2 AHOD" Commercial Airport Hazard Overlay District. The applicant wants to incorporate a small area of “General Urban Tier”, located at the intersection of South Zarzamora Street and Highway 16 South, to permit commercial uses that would offer retail and food services for the workforce of surrounding industrial businesses. The requested plan amendment is consistent with existing land uses in the area, with “General Urban Tier” further north on Highway 16 South.

Sector Plan Criteria for review:

- The recommended land use pattern identified in the Heritage South Sector Land Use Plan inadequately provides appropriate optional sites for the land use change proposed in the amendment.
- The amendment must constitute an overall improvement to the Heritage South Sector Plan and will not solely benefit a particular landowner or owners at a particular point in time.
- The amendment must uphold the vision for the future of the Heritage South Sector Plan.

The amendment will not adversely impact a portion of, or the entire Planning Area by;

- Significantly altering acceptable existing land use patterns, especially in established neighborhoods.
- Affecting the existing character (i.e. visual, physical, and functional) of the immediate area.
- Creating activities that are not compatible with adjacent neighboring uses.
- Significantly alter recreational amenities such as open space, parks, and trails.
