VIA HAND DELIVERY

RE: Petition for City of San Antonio Consent to the Creation of the Lucero Special Improvement District, in accordance with Chapter 382 of the Texas Local Government Code, for Property Generally Located Southeast of the Intersection of Highway 90 and Montgomery Road, in the Extraterritorial Jurisdiction ("ETJ") of the City of San Antonio, Bexar County, Texas (the "Subject Property"); *Our File No. 8110.001.*

Dear Ms. Racca-Sittre:

On behalf of the Petitioner, LGI Homes-Texas, LLC (Petitioner and Property Owner), we respectfully submit the enclosed Petition to the City of San Antonio (the "City") and, pursuant to Chapter 382 of the Texas Local Government Code (the "Code"), request the written consent of the City to the creation of the Lucero Special Improvement District (the "District") and the inclusion of the Subject Property therein, all as further described in the attached Petition. The Petitioner is the property owner representing more than fifty percent (50%) of the appraised value of taxable real property liable for assessment under the proposal to create the District and additionally constitutes more than fifty percent (50%) of all record owners of property liable for assessment under the proposed creation.

With this submittal, we respectfully request the City's consent to the creation of the District and the inclusion of the Subject Property therein. City consent to the creation of the District will allow for construction of a single-family residential development and associated public improvements across the Subject Property.

Please find enclosed the following documents and information related to the request for City consent to the creation of the District.

1. Petition for Consent to the Creation of the Lucero Public Improvement District (including Field Notes of the Subject Property and Sworn Statement of Petitioner/Property Owner).
2. Lucero PID Development Agreement Provisions Matrix.
3. Summary of the Proposed Lucero PID.
4. Pro-Forma showing Expected Public Improvement Costs and Revenues within the Lucero PID.
5. Site Plan of the Lucero PID.
6. Petitioner/Property Owner's Executed Contracts Disclosure Form and Form 1295.
7. Ownership Deeds and Bexar County Appraisal District Information related to the Lucero PID.

Please do not hesitate to contact our office should you have any questions or need any additional information regarding this matter.

Thank you,

**PETITION FOR CONSENT TO THE CREATION OF THE LUCERO PUBLIC
IMPROVEMENT DISTRICT**

**PETITION FOR CONSENT TO THE CREATION OF A PUBLIC IMPROVEMENT DISTRICT
TO BE NAMED THE LUCERO SPECIAL IMPROVEMENT DISTRICT**

STATE OF TEXAS §
 §
COUNTY OF BEXAR §

TO: THE HONORABLE CITY COUNCIL OF SAN ANTONIO, TEXAS

The undersigned petitioner (the “Petitioner”) acting pursuant to the provisions of Chapter 382 of the Texas Local Government Code, as amended (the “Code”), submits this petition (“Petition”) to request consent to the creation of a public improvement district, within the extraterritorial jurisdiction (the “ETJ”) of the City of San Antonio (the “City”), Bexar County, Texas (the “County”). Specifically, the Petitioner requests that the City consent to the County’s creation of a public improvement district and inclusion of the property described in **Exhibit “A”** attached hereto (the “Subject Property”) within such public improvement district. In support of this Petition, the Petitioner presents the following:

I. NAME

A public improvement district is being requested, which will be named the “Lucero Special Improvement District” (referred to herein as the “District”).

II. PETITIONER

In compliance with the requirements of the Code, and as determined by the current tax roll of the Bexar County Appraisal District, the Petitioner constitutes: the owner representing more than fifty-percent (50%) of the appraised value of taxable real property proposed to be included within the public improvement district proposed in this Petition.

Attached to this Petition is a sworn statement, affirming the Petitioner is the holder of fee simple title to more than fifty-percent (50%) of the appraised value of taxable real property proposed to be included within the District (as defined below) and is the owner representing more than fifty-percent (50%) of all record owners of property within the proposed District. The Petitioner requests, and consents to, the creation of the District, as set forth in this Petition. The sworn statement of the Petitioner is attached hereto as **Exhibit “B”** and incorporated herein for all purposes.

III. BOUNDARIES

The proposed boundaries of the District shall include the Subject Property, more particularly described in **Exhibit “A”** attached hereto and incorporated herein for all purposes. The total acreage of the District is approximately 111.274 acres total. None of the land to be included in the District is within the corporate boundaries of any municipality and all of the land proposed to be included in the District is in the ETJ of the City and in the County.

IV. GENERAL NATURE OF THE PROPOSED PUBLIC IMPROVEMENTS

The Petitioner requests that the County create and City consent to a public improvement district and authorize it to engage in economic development projects and grant to the District the powers requested in this Petition. The District proposes to enter into development agreements as are deemed advisable to promote state and local economic development and to stimulate residential and commercial activity in the District. The general nature of the work proposed to be done may include, but is not limited to: onsite roads (including, but not limited to, a collector road); offsite roads; offsite utility extension (including, but not limited to, extension of a water line); onsite public improvements for residential lots (septic system, water, streets, and drainage); the improvement and construction of water, septic system, dry utilities (gas and electric) detention ponds, storm sewer (if applicable), impact fees for capacity, road, landscaping in public right of ways, or sidewalks; right of way acquisition costs; easement acquisition costs; appraisal costs; geotechnical engineering costs; environmental inspection/testing and remediation costs; well plugging costs; demolition costs; water and sewer (if applicable) impact fees; floodplain reclamation costs; tree mitigation costs; park/entry/amenity improvement costs; including any cost or expense of purchasing, constructing, maintaining, acquiring, owning, operating, repairing, leasing, improving, extending, or paying for inside (i.e. onsite) and outside (i.e. offsite) the district boundaries flood plains and wetlands regulation and endangered species permits, stormwater permits, including mitigation; and all works, improvements, facilities, plants, equipment, appliances, interest in property, and contract rights needed thereof, and administrative facilities needed in connection therewith, related surveying, engineering, and legal fees, costs and expenses, and all rights of way and other interests in land necessary or convenient in connection therewith, as well as reasonable contingencies, associated with the costs of public improvements. Further, the public improvements financed by the District may include any public improvements in compliance with Chapter 382 of the Code, as amended, and in accordance with the governing laws.

V. ESTIMATED COSTS OF THE PROPOSED CONSTRUCTION OF THE PUBLIC IMPROVEMENTS

The total estimated capital cost for the District's public improvements is approximately \$23,211,016.00. Such costs can be partially offset with the imposition of taxes and the issuance of bonds by the District, as further described herein.

VI. NATURE OF THE DISTRICT AND AUTHORITY

The District is expressly requested pursuant to Chapter 382 of the Code. The District shall be created for the purposes of a district created and organized under Section 52, Article III, and Section 59, Article XVI of the Texas Constitution, Chapters 380, 381, and 382 of the Code, and for the purpose of creating a program for economic development as provided in Section 52, Article III of the Texas Constitution, and for any other lawful purpose authorized by the governing laws.

The Petitioner specifically requests that:

- (1) the County authorize the District to exercise the powers granted under Chapter 382 of the Code;
- (2) the County delegate to the District all powers that the County is granted pursuant to Chapter 382; and

- (3) the County authorize the District to engage in economic development projects, as the District may enter into development agreements which are deemed advisable to promote state and local economic development and to stimulate business and commercial activity in the District.

VII. ROAD IMPROVEMENTS

The Petitioner requests that pursuant to Section 382.109 of the Code the County designate and approve the proposed onsite and offsite road improvements as a “Road Improvement Project” and designate and approve such Road Improvement Project as a targeted economic development project, which is of an economic benefit to the District, to the Subject Property within the District, and to the County.

VIII. ADVISORY BOARD

As authorized by the Code, an advisory body may be established by the County to develop and recommend an improvement plan. However, an improvement plan is not necessary or applicable, as the Petitioner does not propose that the District be granted the power to impose assessments.

IX. MANAGEMENT OF THE DISTRICT AND BOARD OF DIRECTORS

The Petitioner specifically requests the County appoint a seven (7) member Board of Directors to govern the District and approve their respective terms in accordance with Section 382.051 of the Code, as the population of the District is less than 1,000 persons. The Petitioner also requests that the County delegate to the District’s Board of Directors the County’s powers and duties provided by Chapter 382 of the Code, in order for the Board of Directors to oversee, manage, and govern the District to the fullest extent authorized by the Code.

X. TAXES AND BONDS

The Petitioner requests that the City consent to and the County authorize the District to accomplish its purposes and the costs of services and improvements by imposing an ad valorem tax and a sales and use tax. The District shall also have the authority to issue bonds, negotiate promissory notes, and other District obligations, as further described herein.

The Petitioners specifically request that:

- (1) the District’s proposed improvements be financed and paid for with taxes authorized by Chapter 382 of the Code instead of assessments;
- (2) the City consent to and the County grant the District authority to impose an ad valorem tax and sales and use tax to accomplish the economic development purposes prescribed by Section 52a, Article III, of the Texas Constitution;
- (3) the County grant the District authority, in accordance with Section 382.152 of the Code, to issue bonds, negotiable promissory notes and other District obligations, which may be secured by District revenue or any type of District taxes, or any combination of taxes and revenue pledged to the payment of bonds; and
- (4) the County grant the District authority as provided in Sections 382.158 and 382.159 of the Code, regarding borrowing and repayment of costs, respectively.

In regards to the proposed tax rates, the Petitioner specifically requests that the City consent to and the County authorize the District to:

- (1) impose an ad valorem tax not to exceed the City's tax rate; and
- (2) impose a sales and use tax with a rate not to exceed two-percent (2%).

XI. METHOD OF ASSESSMENT

The Petitioner does not propose that the District be granted the power to impose assessments, and accordingly, the Petitioner is not required to present a Service Plan, an Assessment Plan (including method of assessment), or to prepare an Assessment Roll. As stated above, the Petitioner requests that the District's proposed improvements be financed and paid for with taxes authorized by Chapter 382 of the Code instead of assessments.

XII. APPORTIONMENT OF COST BETWEEN CITY, COUNTY, AND THE DISTRICT

Approval and creation of the District will not obligate the City or County to provide any funds to finance the proposed public improvements. All costs of the District shall be paid by and apportioned to the District, and not to the City or County, as a whole.

XIII. ADVISABILITY AND FEASIBILITY OF THE DISTRICT AND BEST INTERESTS OF THE COUNTY

The District and its proposed improvements and economic development projects appear feasible and are necessary and advisable for the economy of the District and the County. Additionally, the County may create a public improvement district if the County determines it is in the best interest of the County. The area comprising the District is not presently developed, and therefore, the proposed District is necessary to pay for or finance public improvements and economic development within the District. Furthermore, the District will serve the public purpose of promoting and encouraging new residential development in the District and the County, which will encourage employment and economic activity within the District and the County. As such, the County's creation of the District is in the best interest of the County, as the District and the proposed improvements confer a special benefit on the District, the Subject Property within the District, and the County.

XIV. FILING WITH THE CITY CLERK

This Petition will be filed with the City Clerk in support of the City's consent to creation of the District, as described herein.

XV. PRAYER

This Petition requests that the City consent to County creation of the District, include the Subject Property therein, and consent to the County's grant to the District the powers requested in the Petition. The Petitioner prays that this Petition be heard and the City Council set a hearing date, publish notice of, conduct

a hearing, make certain findings, and enter an Order or Resolution consenting to the creation of the District in a manner authorized under Chapter 382 of the Code and as described herein.

Respectfully submitted this 8th day of February 2024.

Notes:

1. Please note that this cost estimate prepared is with the benefit of engineering, design and construction plans. The estimated quantities, values and items provided are based on the latest revised Lucero at Luckey Ranch site plan, code research, general standards, communication and experience. Quantities are subject to change at the time of final plan approval.
2. The Water & Sewer Impact fees are \$6,822/Lot, which are due at the time of homebuilding. Reference the latest San Antonio Water System Impact Fee Schedule at SAWS.org for August 2023.
3. This estimate is based on unit prices from VK Knowlton for Luckey Ranch South, Unit 1 (currently Unit 5) & Luckey Ranch, Unit 1A Cluster. Any unit prices that were unavailable, an average market price on similar projects in Central Texas was used. No unit price increases and/or adjustments were made to accommodate current market conditions.
4. This estimate includes offsite water main extensions for water supply to the site along WT Montgomery and offsite sewer to tie-in the outfall.
5. The engineering & surveying fees are based on estimated existing contract values with Pape-Dawson.
6. A 3% material testing factor was included for Items I-IV. This estimate accounts for construction phase Geotechnical Engineering services (i.e. construction, field testing, lab reports etc.).
7. This estimate includes both 113 Single Family Residential (SFR) Lots and 40 Courtyard Villa (CV) lots.

Notes:

1. This estimate assumes all clearing and grubbing was completed with the mass grading operations with Unit 5.
2. The street sections are 50' ROW, 28' Pavement (Local Type A) and 60' ROW, 40' Pavement (Local B), 70' ROW, 40' Pavement (Collector), 96' ROW, 48' Pavement (Secondary Arterial), 20' Private Street & WT Montgomery Rd.
3. The street sections are based on the pavement report by Terradyne Engineering for Lucero at Luckey Ranch, Unit 1, dated July 3, 2023.
4. This estimates assumes Gravity Retaining Walls are required.
5. The estimate for Tensor TX-5 Geogrid is required for drainage pipes within streets at 4' wide.

Notes:

1. This estimate is based on final engineering and/design. Quantities are subject to change at the time of City & County plan approval
2. It is assumed that all offsite easements, property/ROW access, permits, approvals etc. are in place prior to construction start of these drainage improvements, therefore no separate OPC items are included herein. It is assumed open cuts in-lieu of bore operations for the installation of drainage across existing driveways, streets, property etc., if necessary.

Notes:

1. Please note that this cost estimate prepared is without the benefit of engineering, design or construction plans. The estimated quantities, values and items provided are based on the latest revised Lucero at Luckey Ranch site plan, code research, general standards, communication and experience. Quantities are subject to change at the time of final plan approval.
2. The Water & Sewer Impact fees are \$6,822/Lot, which are due at the time of homebuilding. Reference the latest San Antonio Water System Impact Fee Schedule at SAWS.org for August 2023.
3. This estimate is based on unit prices from VK Knowlton for Luckey Ranch South, Unit 1 (currently Unit 5) & Luckey Ranch, Unit 1A Cluster. Any unit prices that were unavailable, an average market price on similar projects in Central Texas was used. No unit price increases and/or adjustments were made to accommodate current market conditions.
4. This estimate includes offsite water main extensions for water supply to the site along WT Montgomery.
5. The engineering & surveying fees are based on estimated existing contract values with Pape-Dawson.
6. A 3% material testing factor was included for Items I-IV. This estimate accounts for construction phase Geotechnical Engineering services (i.e. construction, field testing, lab reports etc.).
7. This estimate includes both 100 Single Family Residential (SFR) Lots and 20 Courtyard Villa (CV) lots.

Notes:

1. Please note that this cost estimate prepared is without the benefit of engineering, design or construction plans. The estimated quantities, values and items provided are based on the latest revised Lucero at Luckey Ranch site plan, code research, general standards, communication and experience. Quantities are subject to change at the time of final plan approval.
2. The Water & Sewer Impact fees are \$6,822/Lot, which are due at the time of homebuilding. Reference the latest San Antonio Water System Impact Fee Schedule at SAWS.org for August 2023.
3. This estimate is based on unit prices from VK Knowlton for Luckey Ranch South, Unit 1 (currently Unit 5) & Luckey Ranch, Unit 1A Cluster. Any unit prices that were unavailable, an average market price on similar projects in Central Texas was used. No unit price increases and/or adjustments were made to accommodate current market conditions.
4. This estimate assumes all offsite water main extensions for water supply to the site are in place.
5. The engineering & surveying fees are based on estimated future contract values with Pape-Dawson.
6. A 3% material testing factor was included for Items I-IV. This estimate accounts for construction phase Geotechnical Engineering services (i.e. construction, field testing, lab reports etc.).
7. This estimate includes both 113 Single Family Residential (SFR) Lots and 31 Courtyard Villa (CV) lots.

Notes:

1. This estimate assumes all clearing and grubbing was completed with the mass grading operations with Unit 5.
2. The street sections are based on 20' Private Streets, 50' ROW, 28' Pavement (Local Type A), 60' ROW, 40' Pavement (Local B) and 96' ROW, 48' Pavement (Secondary Arterial).
3. The street sections are based on the pavement report by Terradyne Engineering for Lucero at Luckey Ranch, Unit 1, dated July 3, 2023.
4. This estimates assumes Gravity Retaining Walls are required.
5. The estimate for Tensar TX-5 Geogrid is required for drainage pipes within streets at 4' wide.

Notes:

1. Please note that this cost estimate prepared is without the benefit of engineering, design or construction plans. The estimated quantities, values and items provided are based on the latest revised Lucero at Luckey Ranch site plan, code research, general standards, communication and experience. Quantities are subject to change at the time of final plan approval.
2. The Water & Sewer Impact fees are \$6,822/Lot, which are due at the time of homebuilding. Reference the latest San Antonio Water System Impact Fee Schedule at SAWS.org for August 2023.
3. This estimate is based on unit prices from VK Knowlton for Luckey Ranch South, Unit 1 (aka Unit 5) & Luckey Ranch, Unit 1A Cluster. Any unit prices that were unavailable, an average market price on similar projects in Central Texas was used. No unit price increases and/or adjustments were made to accommodate current market conditions.
4. This estimate assumes all offsite water main extensions for water supply to the site are in place.
5. The engineering & surveying fees are based on estimated future contract values with Pape-Dawson.
6. A 3% material testing factor was included for Items I-IV. This estimate accounts for construction phase Geotechnical Engineering services (i.e. construction, field testing, lab reports etc.).
7. This estimate includes only 162 Single Family Residential (SFR) Lots.

Updates on Contributions Required

Information regarding contributions must be updated by submission of a revised form from the date of the submission of this form, up through the time City Council takes action on the contract identified in response to Question 2 and continuing for 30 calendar days after the contract has been awarded.

Notice Regarding Contribution Prohibitions for "High-Profile" Contracts

Under Section 2-309 of the Municipal Campaign Finance Code, the following listed individuals are prohibited from making a campaign or officeholder contribution to any member of City Council, candidate for City Council or political action committee that contributes to City Council elections from the 10th business day after a contract solicitation has been released until 30 calendar days after the contract has been awarded:

- a. Any individual seeking a high-profile contract;
- b. Any owner, officer, officer of board, and executive committee member of an entity seeking a high-profile contract, excluding board officers and executive committee members of 501(c)(3), 501(c)(4) and 501(c)(6) non-profit organizations not created or controlled by the City whose board service is done strictly as a volunteer with no financial compensation and no economic gain from the non-profit entity;
- c. The legal signatory of the high-profile contract;
- d. Any attorney, lobbyist or consultant hired or retained to assist the individual or entity in seeking a high-profile contract;
- e. Subcontractors hired or retained to provide services under the high-profile contract; and
- f. Any first-degree member of the household of any person listed in (1), (2), (3) or (5) of this subsection.

Penalty. A high-profile contract cannot be awarded to the individual or entity if a prohibited contribution has been made by any of these individuals during the contribution "black-out" period, which is the 10th business day after a solicitation has been released until 30 calendar days after the contract has been awarded.

* 8) Disclosure of conflict of interest.

Are you aware of any fact(s) with regard to this contract that would raise a "conflict of interest" issue under Sections 2-43 or 2-44 of the City Ethics Code for any City Council member or board/commission member that has not or will not be raised by these city officials?

☐ I am not aware of any conflict(s) of interest issues under Section 2-43 or 2-44 of the City Ethics Code for members of City Council or a city board/commission.

If applicable, provide the conflict(s) of interest below:

* 9) Prohibited Interest in Contracts.

Currently, or within the past twelve (12) months, have you, your spouse, sibling, parent, child or other family member within the first degree of consanguinity or affinity served on a City board or commission?

☐ Yes ☒ No

Currently, or within the past twelve (12) months, has an owner, partner or employee of a business entity in which you, your spouse, parent, child own 10% or more of the voting stock or shares, or 10% or more of the fair market value served on a City board or commission?

☐ Yes ☒ No

Currently, or within the past twelve (12) months, has an owner, partner, or employee of a business entity who owns 10% or more of the voting stock or shares, or 10% or more of the fair market value, that will be a subcontractor for this contract, served on a City board or commission?

☐ Yes ☒ No

If you answered Yes to any questions in Question 9, please list the name of the individual, name of board/commission, and start/end date of service (for each instance).

Notice Regarding Prohibited Interest in Contracts.

Please be aware, the City's Charter and Ethics Code prohibits members of certain more-than-advisory boards and commissions, as well as their close family members and any businesses they or their families hold a 10% or greater ownership interest from obtaining a contract with the City during their board or commission service. The prohibition extends to subcontracts on City contracts, and would also apply to parent, subsidiary or partner businesses owned by the member of the board or commission and their family. Please see Section 141 of the City Charter and Section 2-52 of the City Ethics Code (Prohibited Interests in Contracts) for complete information.

Former members of certain more-than-advisory boards and commissions, their family members and the businesses they own will continue to be prohibited from obtaining any discretionary contracts for one year after leaving City service. Please see Section 2-58 of the City Ethics Code (Prohibited Interest in Discretionary Contracts) for complete information.

Please note that any contract in place at the time the applicant becomes a City officer may remain in effect, but cannot be amended, extended, modified, or changed in any manner during the officer's City service on the more-than-advisory board.

If you have any questions, please contact the Office of the City Attorney to request to speak with a member of the Ethics staff: (210) 207-8940

Acknowledgments

***1. Updates Required.**

- ☐ I understand that this form must be updated by submission of a revised form if there is any change in the information before the discretionary contract, housing and retail development incentive, or the purchase, sale, or lease of real estate to or from the City is the subject of action by the City Council, and no later than 5 business days after any change has occurred, whichever comes first. This includes information about political contributions made after the initial submission and up until 30 calendar days after contract has been awarded.

***2. No Contract with City Officials or Staff during Contract Evaluation**

- ☐ I understand that a person or entity who seeks or applies for a city contract or any other person acting on behalf of that person or entity is prohibited from contacting city officials and employees regarding the contract after a Request for Proposal (RFP), Request for Qualification (RFQ), or other solicitation has been released.

This no-contact provision shall conclude when the contract is posted as a City Council agenda item. If contact is required with city officials or employees, the contact will take place in accordance with procedures incorporated into the solicitation documents. Violation of this prohibited contacts provision set out in Section 2-61 of the City Ethics Code by respondents or their agents may lead to disqualification of their offer from consideration.

***3. Contribution Prohibitions for "High-Profile" Contracts**

☒ This is not a high-profile contract.

If this is a high-profile contract please complete the following questions:

☐ I acknowledge that this contract has been designated as a high-profile contract by the city. I further acknowledge that the following individuals are prohibited from making campaign or officeholder contributions to members of City Council, candidates for City Council, or political action committees that make contributions to City Council elections from the 10th business day after the solicitation has been released until 30 calendar days after the contract has been awarded: legal signatory to contract individual(s) seeking the contract, owner or officer of an entity seeking the contract, the spouse of any of these individuals, and any attorney, lobbyist, or consultant retained to assist in seeking the contract.

☐ I warrant that no contributions have been made by these individuals in violation of Section 2-309 of the Municipal Campaign Finance Code.

***4. Conflicts of Interest Questionnaire (CIQ)**

Chapter 176 of the Local Government Code requires all contractors and vendors to submit a Conflict of Interest Questionnaire Form (CIQ) to the Office of the City Clerk, even if contract is not designated as "High Profile".

☒ I acknowledge that I have been advised of the requirement to file a CIQ form under Chapter 176 of the Local Government Code.

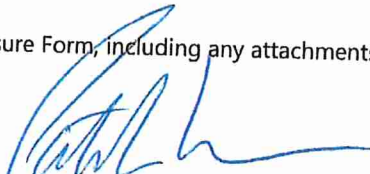

*** Oath**

☒ I swear or affirm that the statements contained in this Contracts Disclosure Form, including any attachments, to the best of my knowledge and belief are true, correct, and complete.

EXHIBIT C

EAA Water Reserved Rights

GRANTOR and GRANTEE acknowledge the Land contains base irrigation groundwater rights from the Edwards Aquifer pursuant to Edwards Aquifer Authority ("EAA") Regular Permit No. P107-206 (BE00046) recorded as Document No. 20140213493 of the Official Public Records of Bexar County, Texas and as may be amended from time to time (collectively, the "Permit"), including therein and without limitation all successor rights of or relating to such Permit or such groundwater withdrawal rights and all other real or personal property rights appurtenant to the Permit and groundwater withdrawal rights. It is the intent of GRANTOR and GRANTEE that GRANTOR is to retain all of the base irrigation groundwater under the Permit. However, pursuant to the EAA Rules the base irrigation groundwater cannot be severed from the real property to which it relates. Consequently, the base irrigation groundwater appurtenant to the Land (the "BIG") that the parties desire to be retained by the GRANTOR is currently not severable from and must remain with the Land.

GRANTOR and GRANTEE specifically acknowledge and agree the BIG which relates to, or is otherwise in and under the Land and referenced in the Permit, or any successor or substitute permit, together with all rights associated therewith, are conveyed by GRANTOR to GRANTEE in Fee Simple Determinable, which rights (including without limitation as the same may be converted or re-classified, or both, as contemplated herein) shall automatically revert to the GRANTOR upon the date such BIG is no longer categorized as Base Irrigation Groundwater by the EAA and therefore is severable from the Land, which shall include without limitation by and upon the issuance or entry of an order by the EAA board of directors converting or re-categorizing the BIG to or as Unrestricted Irrigation Groundwater or other severable water rights. GRANTEE hereby covenants and agrees not to pledge, mortgage, assign or otherwise encumber any one or more of such BIG, Permit or any other rights which are to revert back to GRANTOR under this instrument. GRANTEE agrees when the BIG automatically reverts back to the GRANTOR under this paragraph, GRANTEE shall execute any and all reasonable documentation necessary to further evidence this reversion, including, but not limited to, an affidavit of reversion, deed of reversion or such other documentation; provided, however, that it is intended that no such documentation shall be necessary and that this reversion shall be automatic without the need for further action on the part of GRANTOR. GRANTEE also hereby grants GRANTOR a limited power of attorney in all matters related to the conversion of the BIG, including the right to convert, as well as the authority to amend or modify any permit (including without limitation the Permit) issued by the EAA (or any successor entity which jurisdiction over the BIG) reflect title to the BIG in GRANTOR. This limited power of attorney shall not terminate until all of the BIG relating to the Land has been converted and transferred to GRANTOR. This limited power of attorney shall be binding upon GRANTEE's successors and assigns and shall run with the Land. The limited power of attorney granted herein is irrevocable and coupled with an interest. GRANTOR shall bear costs and expenses that are related to the conversion of the BIG. GRANTOR also reserves to itself and shall be entitled to any proceeds: a.) from groundwater trust transfer contracts relating to, or retirement and/or abandonment of the BIG b.) relating to programs of the EAA (or any successor entity which jurisdiction over the BIG) which pay permit holders to not utilize their Base Irrigation Groundwater and/or any lease revenue derived from the BIG until the conversion occurs. GRANTEE also hereby grants

GRANTOR a limited power of attorney in all matters related to groundwater trust transfer contracts, and the leasing, retirement and/or abandonment of the BIG. This limited power of attorney shall not terminate until all of the BIG relating to the Land has been converted and transferred to GRANTOR. This limited power of attorney shall be binding upon GRANTEE's successors and assigns and shall run with the Land. The limited power of attorney granted herein is irrevocable and coupled with an interest.

GRANTOR, FOR ITSELF, ITS SUCCESSORS OR ASSIGNS WAIVES GRANTOR'S RIGHT TO: A.) USE, ENTER UPON OR OCCUPY ANY PORTION OF THE SURFACE OF THE LAND FOR PURPOSES OF EXPLORING, PRODUCING, DEVELOPING, OR TRANSPORTING ANY GROUNDWATER FROM THE EDWARDS AQUIFER AND B.) PLACE ANY FIXTURES, EQUIPMENT, BUILDINGS OR STRUCTURES ON THE LAND IN CONNECTION WITH THE EXERCISE OF ANY OF GRANTOR'S RIGHTS RESERVED IN THIS EXHIBIT C.
