RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the West/Southwest Sector Plan, adopted in 2011, and is currently designated as “General Urban Tier” in the future land use component of the plan. The requested “C-2NA” base zoning district is consistent with the future land use designation.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area. Properties in the surrounding area of the subject site are zoned “C-1” Light Commercial District and “C-2” Commercial District.
3. **Suitability as Presently Zoned:** The existing “R-6” Residential Single-Family District is an appropriate zoning for the property and surrounding area. The proposed “C-2NA CD” Commercial Nonalcoholic Sales District with a Conditional Use for Funeral Home or Undertaking Parlor is also appropriate. The property is located along secondary arterial providing adequate ingress and egress. Additionally, there are active commercial uses within direct proximity of the proposed funeral home. The Conditional Use requires a prescribed site plan that cannot be changed without further public review.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy. Relevant Goals and Policies of the Comprehensive Plan may include:
 - JEC Goal 1: Employment is focused in the city’s 13 Regional Centers, in site-specific locations in Urban Centers and along mobility corridors, providing easy connectivity for San Antonio’s residents and businesses
 - JEC Goal 2: Traditional and targeted growth industries support San Antonio’s diversified economy and provide a wide range of job opportunities.Relevant Goals and Objectives of the West/Southwest Sector Plan may include:

- Goal ED-3: The West/Southwest Sector community values existing and future businesses which in turn support the neighborhoods.
 - Goal ED-3.1: Ensure the development of new business locations and employment centers are compatible with the West/Southwest Sector Land Use Plan.
- 6. Size of Tract:** The 0.4591 acre site is of sufficient size to accommodate the proposed commercial development.
- 7. Other Factors:** The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

The applicant is rezoning to develop a Funeral Home and Undertaking Parlor.

The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates commercial uses.

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military has indicated that there are no objections to this request.
