

# **ACS No-Cost Clinics Contract Amendment**

**City Council “A” Session - Item 15**

*April 3, 2025*

# Background

---

ACS works with three community partners to provide over 4,800 free microchips and vaccines per year for San Antonio pets

Each clinic provides free microchips and core vaccines, which include Rabies, DHPP/DAPP, and FVRCP

Partners conduct a clinic almost every weekend, serving between 100-120 pets per clinic

Partners are provided with microchips and reimbursed \$20 per pet served

# Amendments

- Esparza Veterinary Relief Services (Protect Your Pet)
  - Increase FY25 funding by \$10,000, from \$56,000 to \$66,000
  - Serve an additional 500 pets, increasing from 2,800 to 3,300 for the contract year
  - Assisted with the March 30 Mega Vaccine Event, which served almost 1,000 pets

# Recommendation

---

- Staff recommends approval of this ordinance
