**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval, pending Plan Amendment.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the Kelly/South San PUEBLO Community Plan adopted February 15, 2007, and is currently designated as “Neighborhood Commercial” in the future land use component of the plan. The requested “C-2” base zoning district is not consistent with the future land use designation. The applicant has requested a Plan Amendment to “Community Commercial”. Staff and Planning Commission recommend Approval.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area. Surrounding properties are “C-2” Commercial District and “C-3NA” General Commercial Nonalcoholic Sales District.
3. **Suitability as Presently Zoned:** The existing “C-2” Commercial District is an appropriate zoning for the property and surrounding area. The proposed "C-2 S" Commercial District with a Specific Use Authorization for Party House, Reception Hall, and Meeting Facilities is also appropriate. The subject property is appropriately located within a commercial corridor along Southwest Military Drive, a Primary Arterial Type A, which is able to support the traffic generated by commercial activity. The use provided by the Specific Use Authorization will be limited by the specified site plan.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy. Relevant Goals and Policies of the Comprehensive Plan may include:
  - GCF P9: Allow higher-density and mixed uses in portions of, or adjacent to, single-family residential areas to encourage shopping, services and entertainment amenities in closer proximity to housing and where appropriate.
  - GCF Goal 1: Higher-density uses are focused within the city’s 13 regional centers and along its arterial and transit corridors.

Relevant Goals and Policies of the Kelly/South San PUEBLO Community Plan may include:

- Objective 3.1: Business Cooperation

- Encourage local business owners to work together to support each other, share financial advice and information, and improve the community.
  - Objective 3.2: Attractive, Diverse Businesses
    - Attract and support a variety of businesses in a walkable, mixed-use environment.
- 6. Size of Tract:** The subject property is 0.2204 acres, which can reasonably accommodate the proposed commercial development.
- 7. Other Factors:** The purpose of the Specific Use Authorization is to provide for certain uses which, because of their unique characteristics or potential impacts on adjacent land uses, are not generally permitted in certain zoning districts as a matter of right, but may, under the right set of circumstances and conditions be acceptable in certain specific locations.

The applicant is rezoning to develop a Party House, Reception Hall, Meeting Facilities.

The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates commercial uses.

TxDOT Comments: No access may be allowed onto SL 13 (SW Military), due to spacing.

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military has indicated that there are no objections to this request.
