RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the North Central Neighborhoods Community Plan, adopted in 2002, and is currently designated as “Neighborhood Commercial” in the future land use component of the plan. The requested “C-1” base zoning district is consistent with the future land use designation.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.
3. **Suitability as Presently Zoned:** The existing “C-1” Light Commercial District is an appropriate zoning for the property and surrounding area. The proposed “C-1 CD” Light Commercial District with a Conditional Use for a Liquor Store is also an appropriate zoning. The change of zoning will keep the base zoning district of light commercial but permit an additional use which is normally permitted in higher intense zoning districts. Staff finds the Liquor Store use generally consistent with the existing commercial uses, including hair salon, tobacco shop, restaurant, and motor vehicle sales, which are located within proximity along the San Pedro corridor. The “CD” Conditional Use would hold the development to a site plan, and any deviation could warrant additional Council consideration.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does/does not appear to conflict with any public policy objective. Relevant Goals and Policies of the Comprehensive Plan may include:
 - GCF Goal 5: Growth and city form support improved livability in existing and future neighborhoods.
 - GCF P9: Allow higher-density and mixed uses in portions of, or adjacent to, single-family residential areas to encourage shopping, services and entertainment amenities in close proximity to housing and where appropriate.

Relevant Goals and Objectives of the North Central Neighborhoods Community Plan may include:

- GOAL 1: Support and promote business and employment development along the commercial corridors that provide for a healthy business climate while supporting the needs of the North Central Neighborhoods Community by aesthetically and environmentally reinforcing their community cultural identity and providing an attractive destination for visitors and shoppers from around the city.
- Objective 1.1: Market San Pedro Avenue and Blanco Road from Hildebrand to Loop 410 as the place to live, work, shop and play with their central location and convenient access to all San Antonio.
- GOAL 3: Maintain and preserve the quality of the existing residential and commercial properties through the encouragement of rehabilitation and code compliance.
- Objective 3.1: Promote the maintenance of existing properties.
- GOAL 4: Ensure a transition between residential and commercial areas that is aesthetically pleasing while discouraging encroachment into residential areas.

6. Size of Tract: The 0.6657 acre site is of sufficient size to accommodate the proposed commercial development.

7. Other Factors: The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

The applicant is rezoning to develop a Liquor Store.

The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates commercial uses.
