**ISSUE:**

None

**ALTERNATIVES:**

Current Zoning: Single-family dwelling (detached) with a minimum lot size of 5,000 square feet and a minimum lot width of 45 feet, foster family home, public and private schools.

Proposed Zoning: C-2 districts accommodate community commercial uses, with unlimited building size, and building height limitation of 25 feet. Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair (sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. No outdoor storage or display of goods shall be permitted except for outdoor dining.

The proposed "CD" Conditional Use would allow for Home Improvement Center.

**FISCAL IMPACT:**

None

**PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The subject property is not located within a Regional Center or within a ½ mile of a Premium Transit Corridor.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Denial with an Alternate Recommendation of "C-2 CD" Commercial District with a Conditional Use for Home Improvement Center on Lot 9 and the west 31.3 feet of Lot 10, Block 35, NCB 11475 and "R-5 CD" Residential Single-Family District with a Conditional Use for Noncommercial Parking Lot on Lot 8 and the west 31.3 feet of Lot 7, Block 35, NCB 11475.

**Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.**

1. **Consistency:** The subject property is located within the West/Southwest Sector Plan, adopted April 21, 2011, and is currently designated as "General Urban Tier" in the future land use component of the plan. The requested "C-2 CD" base zoning district is consistent with the future land use designation.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area. Surrounding zoning includes "C-1" Light Commercial District, "C-2" Commercial District, and "C-3" General Commercial District.
3. **Suitability as Presently Zoned:** The current "R-5" Residential Single-Family District is an appropriate zoning for the property and surrounding area. The proposed "C-2 CD" Commercial District with a Conditional Use for Home Improvement Center is not appropriate for the whole property. While half of the property fronts a primary arterial and is placed and sized to adequately accommodate the proposed home improvement store, the back half of the property does not as it is within a residential neighborhood. Staff finds that the more intense commercial use can be achieved by limiting it to the front half of the property that fronts Culebra Road

while maintaining the residential base zoning district of the back portion. Thus, staff recommends an Alternate Recommendation of “C-2 CD” Commercial District with a Conditional Use for Home Improvement Center on Lot 9 and the west 31.3 feet of Lot 10, Block 35, NCB 11475 and “R-5 CD” Residential Single-Family District with a Conditional Use for Noncommercial Parking Lot on Lot 8 and the west 31.3 feet of Lot 7, Block 35, NCB 11475. The “CD” Conditional Use requires a site plan that will hold the applicant to the proposed layout of the development. Deviation from the approved document could warrant the need for additional Council consideration.

4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does appear to conflict with any public policy objective. Relevant Goals and Objectives from the Comprehensive Plan may include: - GCF P14: Establish appropriate buffers and transitions (land use, form and/or landscaping) between residential neighborhoods and surrounding higher-density development. Relevant Goals and Policies of the West/Southwest Sector Plan: - GOAL LU-1: Land use pattern emphasizes compatibility and appropriateness between uses, and protects neighborhoods and businesses from incompatible land uses - LU-1.1: Limit encroachment of commercial uses into established low-density residential areas - LU-1.3: Ensure that high density / intensity land uses are buffered and screened to reduce the impact on lower density / intensity land uses that are nearby
  - GCF P14: Establish appropriate buffers and transitions (land use, form and/or landscaping) between residential neighborhoods and surrounding higher-density development.

Relevant Goals and Policies of the West/Southwest Sector Plan:

- GOAL LU-1: Land use pattern emphasizes compatibility and appropriateness between uses, and protects neighborhoods and businesses from incompatible land uses
  - LU-1.1: Limit encroachment of commercial uses into established low-density residential areas
  - LU-1.3: Ensure that high density / intensity land uses are buffered and screened to reduce the impact on lower density / intensity land uses that are nearby
6. **Size of Tract:** The subject property is 0.4777-acres, which can reasonably accommodate the proposed commercial development.
  7. **Other Factors:** The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JB SA was notified of the proposed request. The Military has indicated that there are no objections to this request. The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions. The applicant is rezoning to allow for Home Improvement Center . The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates commercial uses.
