

DELEGATE AGENCY CONTRACT WITH

This Contract is between the City of San Antonio (“City”), a Texas Municipal Corporation, acting by and through its Director of the Department of Human Services (“Managing City Department”) pursuant to Ordinance No. 2023-09-14-0623, dated September 14, 2023, and San Antonio Metropolitan Ministry, Inc. dba S.A.M.Ministries (“AGENCY”) (together, the “Parties”).

A. The City adopted a budget for the expenditure of City of San Antonio General or Grant Fund Operating funds (“**General Fund**” or “**Grant Fund**,” as applicable), which included an allocation of funds for consolidated human development services; and

B. The City wishes to engage the AGENCY to carry out one or more projects for which allocations have been made.

The Parties agree as follows:

- 1.1 The terms and conditions of this Contract apply to each and every project (further described in the **Project Schedule**, attached as **Attachment I**) for which the City engages AGENCY to carry out under this Contract unless a provision or an attachment to this Contract pertaining to a specified project clearly creates an exception or states otherwise; in such cases, the exception or variance set forth in the provision or applicable attachment governs with respect to the specified project only. Wherever in this Contract, a process, restrictions or parameters are established on AGENCY's use of Contract funds, that process, restriction or parameter applies to each project independent of the others as if a separate, distinct contract were entered into for each project, unless the Contract provision clearly indicates that the projects or funding allocated to AGENCY shall be considered together as a whole for the purposes of the Contract provision's application.
- 1.2 City may enforce, or waive enforcement of any of, the terms of this Contract, in connection with each project under this Contract without prejudice to any rights or remedies (whether set forth in this Contract or provided for by law or in equity) which might otherwise be available to the City in connection with the other projects under this Contract.
- 1.3 Project specific requirements for each Project shall be compiled in a Project package, consisting of a: (a) **Scope of Work and Scorecard**; (b) **Budget**; and (c) **Supplemental Grant Contract and/or Terms and Conditions (if any)**.

All Project packages are grouped together in **Attachment II** and incorporated herein as if fully set forth. All references throughout the Contract to the **Scope of Work and Scorecard**, the **Budget**, or to the **Supplemental Grant Contract and/or Terms and Conditions** (if any), refer to the respective document for each project. For example, wherever in this Contract reference is made to the Budget, such reference is being made to the applicable Budget for each project.

1.4 The AGENCY will provide, oversee and administer all activities and services in a manner satisfactory to the

City and in compliance with the applicable **Scope of Work and Scorecard** for the Project.

II. TERM

- 2.1 This Contract shall begin on October 1, 2023 and shall terminate on September 30, 2024 (FY 24). The Contract shall automatically renew for a second year (October 1, 2024 through September 30, 2025 (FY 25)), subject to (a) the City's receipt of additional monies sufficient to fund FY 25; (b) the AGENCY satisfactorily meeting the performance requirements of this Contract, as solely determined by the City, and (c) the prior approval by the City Council of San Antonio of funding for FY 25, as evidenced by an ordinance duly passed and approved.
- 2.2 The City reserves the right to (i) determine that one or more programs will not be renewed for FY 25, in which case the City will notify AGENCY prior to the renewal period; (ii) renegotiate the terms and conditions (e.g., Scope of Work, Scorecard and Budget) for FY 25, and amend the contract accordingly, or terminate the Contract if the parties are unable to mutually agree on new terms. The AGENCY shall be entitled to receive just and equitable compensation for any work satisfactorily completed prior to termination.
- 2.3 FY 24 funds that are not expended by AGENCY shall *not* carry forward into FY 25 if AGENCY fails to encumber or invoice the City for allowable costs by FY 24 deadlines established herein, unless the City *specifically* approves the carry forward in writing. City's written approval shall specify any conditions associated with carry forward, which may include the requirement that carry forward funds must be expended prior to expenditure of FY 25 awarded funds, a description regarding the benefit to the City and the public purpose to be served in such approval. A copy of the written approval shall be appended to AGENCY's FY 25 digital or written records kept by the City.

III. CONSIDERATION

- 3.1 The City will reimburse AGENCY in accordance with the applicable Budget for the Project, and all subsequently authorized budget revisions or budget amendments to that budget, and in a total Contract amount not to exceed **\$157,995.00** for each term.
- 3.2 The Funding Guide includes terms and conditions associated with multiple grants awarded by the Managing City Department to contractors. AGENCY shall comply with the applicable grant specific terms and conditions in the **Funding Guide** and the **Supplemental Grant Contract and/or Terms and Conditions, if any**, attached hereto as **Attachment III and Attachment II(c), respectively**, and incorporated herein as if fully set forth.
- 3.3 The City's obligations under this Contract are contingent upon the actual receipt of adequate General or Grant Fund revenue, as applicable, to meet City's liabilities under this Contract. If the City does not receive sufficient funds to make payments pursuant to this Contract or if the award of Grant Funds is reduced, then City, at its sole discretion, may elect to terminate this Contract or reduce the **Scope of Work** and compensation associated with the applicable Project. City shall notify AGENCY in writing of its determination within a reasonable time.
- 3.4 AGENCY's total agency revenues and expenses derived from both non-City sources and from the City is deemed AGENCY's Total Budget:

$$\text{Total Budget} = \text{non-City revenue/expenses} + \text{City Revenue/expenses}$$

The percentage of Total Budget derived from non-City sources must meet the following "match" requirements:

- (A) If AGENCY receives an aggregate amount of \$1,000,000.00 or more in City funds from all City funded contracts, then AGENCY must obtain at least thirty-five percent (35%) of its Total Budget from non-City sources (i.e., no more than sixty-five percent (65%) of its Total Budget is derived from the City).

- (B) If AGENCY receives less than an aggregate amount of \$1,000,000.00 in City funds from all City funded contracts, then AGENCY shall obtain fifty percent (50%) of its Total Budget from non-City sources (i.e., no more than fifty percent (50%) of its Total Budget is derived from the City).

City shall require sufficient information that AGENCY's match is in place within 30 days of contract execution, and may request, at the end of each quarter, information and documentation confirming that AGENCY has expended or is on course to expend its "match" requirement before the end of the Contract term. City has no obligation to provide any funds until AGENCY demonstrates having secured or expended the required percentage of matching funds. Pell grants and other awards received by individuals, and in-kind contributions shall not count toward its matching fund requirements. If AGENCY does not provide City with acceptable information and documentation that the required amount of non-City funds have been expended, then City may reduce or recapture funds pursuant to Section 4.6 to comply with the match requirement. AGENCY acknowledges that reduction or recapture of funds pursuant to Section 4.6 does not require the approval of City Council.

- 3.5 AGENCY understands and agrees that the submission of certain documents by October 16, 2023 are necessary for proper administration of this Contract and that Contract funds are subject to reallocation to another entity should AGENCY fail to submit the applicable documents by the stated deadline. City shall notify AGENCY by October 9, 2023 which documents are outstanding and that AGENCY's funding may be reallocated pursuant to this Section. Extensions may be granted on a case-by-case basis and as solely determined by the Director of the Managing City Department.

IV. COST REIMBURSEMENT; FISCAL RESPONSIBILITY

- 4.1 ***Allowable Costs*** means *those costs which are necessary, reasonable and allowable under applicable federal, state, and local law, including but not limited to those laws referenced in Article XI for the proper administration and performance of the services to be provided under this Contract.* The City's payment obligation under this cost reimbursement Contract is limited to making reimbursements for Allowable Costs incurred as a direct result of City-funded services provided by the AGENCY in accordance with this Contract and consistent with budgeted line items in the applicable Budget. Approved Budget Revisions (*total Project Budget remains the same*) and Budget Amendments (*an increase or decrease to the total Project Budget*) supersede prior budget documents and all references to the Budget mean the last revised, approved budget.
- 4.2 **Advance payment.** In case of unforeseen or special circumstances, AGENCY may submit to the Director of the Managing City Department, in the form prescribed by the City, a written request for advance payments, including the specific reason for such request no less than ten (10) business days before the requested date of payment. Each request will be considered by the Director of the Managing City Department on a case-by-case basis. - (A) AGENCY's payments to its vendors using funds advanced by the City shall be paid in a prompt and timely manner but no later than 10 calendar days after the AGENCY is notified that an advance payment has been made available so long as services have been performed by the vendor.
 - (B) AGENCY must deposit advanced City funds in a bank insured with the Federal Deposit Insurance Corporation (FDIC). If AGENCY's total deposits in the bank, including all City funds deposited with the bank, exceed the FDIC insurance limit, then the AGENCY must arrange to automatically have the excess collaterally secured. AGENCY must provide City a copy of the collateral agreement with the AGENCY's banking institution. Advanced funds that cause the AGENCY's account balance to exceed the FDIC limit must be deposited in compliance with the Public Funds Investment Act (Chapter 2256 of the Texas Government Code). AGENCY shall maintain the FDIC insured bank account in which City funds are deposited and its recordkeeping in a manner that will allow City to track, in detail, expenditures made pursuant to this and all other City contracts.
 - (C) The City may, in its sole discretion, either 1) deduct pro rata from the remaining monthly reimbursements amounts necessary to offset the amount advanced, or 2) deduct from a single subsequent monthly reimbursement the full amount advanced to AGENCY. The City will consider factors such as projected allowable costs and other pertinent indicators such as AGENCY's financial

stability. AGENCY shall maintain a financial management system to account for periodic, or a lump sum, deduction from reimbursements.

4.3 AGENCY's Request for Payment. AGENCY shall submit to City no later than the 15th of every month a monthly Request for Payment in the form prescribed by City, which details:

- (A) the specific costs (by category and by program account number) AGENCY expensed in the previous month for the services delivered as described in Article I; and
- (B) supporting documentation of costs as may be required by the Director of the Managing City Department (e.g., original or certified copies of invoices, cancelled checks, AGENCY's general ledger and/or receipts to verify invoiced expenses); and
- (C) the Program Income received or projected during the same time period.

4.4 City Payment. City shall pay for eligible expenses and undisputed amounts in submitted Requests for Payments within 30 calendar days of receiving a properly completed, documented and approved Request for Payment.

The AGENCY shall submit to City all final requests for payment no later than 30 days from the expiration or early termination date of this Contract, unless AGENCY receives written authorization from the Director of the Managing City Department allowing AGENCY to submit a request for payment after the 30-day period.

4.7 Cost Rules.

AGENCY shall provide City detailed administrative costs by line item with its annual program budget for each project.
- (B) AGENCY shall establish, submit with supporting documentation and use a Cost Allocation Plan for each of AGENCY's annual Project budgets by the deadline established by the City. The **Cost Allocation Plan** is a plan that identifies and distributes the cost of services provided by staff and/or departments or functions and overhead not solely devoted to the Projects funded by this Contract. The **Cost Allocation Plan** substantiates how the costs of a program are charged to a particular cost category or to the program and ensures that the City is paying only its share of the costs for services, overhead, and staffing.
- (C) AGENCY costs or earnings claimed under this Contract may not be claimed under another contract or grant from another agency, organization, business entity or governmental entity.
- (D) AGENCY shall not use funds awarded from this Contract as matching funds for any federal, state or local grant without the prior written approval of the Director of the Managing City Department.

Failure by AGENCY to report program income as required is grounds for suspension, cancellation, or termination of this Contract.
- (C) At the sole option and upon prior written direction from the Director of the Managing City Department, AGENCY will either:
 - 1. return Program Income funds to City within the timeframe that may be specified by the Director of the Managing City Department; or

Manufactured products mean items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

(I) In addition to the applicable laws referenced above, AGENCY must also adhere to compliance requirements that are applicable to the specific funding source(s) from which funds paid to AGENCY hereunder originated. For example, CDBG AGENCIES are required to follow applicable CDBG regulations.

XII. NO SOLICITATION/CONFLICT OF INTEREST

- 12.1 The AGENCY warrants that no person or selling agency or other organization has been employed or retained to solicit or secure this Contract or any portion thereof upon a contract or understanding for a commission, percentage, brokerage, or contingent fee and further that no such understanding or agreement exists or has existed with any employee of the AGENCY or the City. For breach or violation of this warrant, the City shall have the right to terminate this Contract without liability or, at its discretion, to deduct from the Contract or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee, or to seek such other remedies as legally may be available.
- 12.2 AGENCY covenants that neither it nor any member of its governing body or of its staff presently has any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Contract. AGENCY further covenants that in the performance of this Contract, no persons having such interest shall be employed or appointed as a member of its governing body or of its staff.
- 12.3 AGENCY further covenants that no member of its governing body or of its staff shall possess any interest in, or use their position for, a purpose that is or gives the appearance of being motivated by desire for private gain for themselves or others, particularly those with which they have family, business, or other ties.
- 12.4 No member of City's governing body or of its staff who exercises any function or responsibility in the review or approval of the undertaking or carrying out of this Contract shall:
- (A) Participate in any decision relating to this Contract which may affect his or her personal interest or the interest of any corporation, partnership, or association in which he or she has a direct or indirect interest; or
 - (B) Have any direct or indirect interest in this Contract or the proceeds thereof.
- 12.5 The Charter of the City of San Antonio and the City of San Antonio Code of Ethics prohibit a City officer or employee, as those terms are defined in Section 2-52 of the Code of Ethics, from having a direct or indirect financial interest in any contract with the City. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the

following individual(s) or entities is a party to the contract or sale:

- (A) a City officer or employee; his or her spouse, sibling, parent, child or other family member within the first degree of consanguinity or affinity;
- (B) an entity in which the officer or employee, or his or her parent, child or spouse directly or indirectly owns (i) 10 percent or more of the voting stock or shares of the entity, or (ii) 10 percent or more of the fair market value of the entity; or
- (C) an entity in which any individual or entity listed above is (i) a subcontractor on a City contract, (ii) a partner or (iii) a parent or subsidiary entity.

- 12.6 Pursuant to the subsection above, AGENCY warrants and certifies, and this Contract is made in reliance thereon, that by contracting with the City, AGENCY does not cause a City employee or officer to have a prohibited financial interest in the Contract. AGENCY further warrants and certifies that it has tendered to the City a Contracts Disclosure Statement in compliance with the City's Ethics Code.

XIII. TERMINATION

- 13.1 Termination for Cause. Should the AGENCY fail to fulfill in a timely and proper manner, or violate, obligations, covenants, conditions, or stipulations of this Contract, the City shall send written notice to the AGENCY to cure the default and if AGENCY fails to cure the default within the specified cure period, City shall have the right to terminate by sending written notice of such termination and specifying the effective date thereof (which date shall not be sooner than the 10th day following the day on which such notice is sent).
- 13.2 Termination for Convenience. This Contract may be terminated in whole or in part by either Party for any reason. Such termination shall specify the effective date thereof, which date shall not be sooner than the 30th day following the day on which notice is sent.
- 13.3 The AGENCY shall be entitled to receive just and equitable compensation for any work satisfactorily completed prior to termination. The question of satisfactory completion of such work shall be determined by the City alone, and its decision shall be final.
- 13.4 Notwithstanding any other remedy contained in this Contract or provided by law, the City may delay, suspend, limit, or cancel funds, rights or privileges given the AGENCY for failure to comply with the terms and provisions of this Contract. Specifically, at the sole option of the City, the AGENCY may be placed on probation during which time the City may withhold reimbursements in cases where it determines that the AGENCY is not in compliance with this Contract. The AGENCY shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of this Contract, and the City may withhold funds otherwise due as damages, in addition to retaining and utilizing any other remedies available to the City.

XIV. DEBARMENT

- 14.1 AGENCY certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in any state or federal program. AGENCY shall provide immediate written notice to City, in accordance with the notice requirements of Article XVII, if, at any time during the term of the Contract, including any renewals hereof, AGENCY learns that its certification was erroneous when made or have become erroneous by reason of changed circumstances.
- 14.2 Should the AGENCY be debarred by City pursuant to a debarment policy currently existing or hereafter adopted, said debarment may within City's sole and absolute discretion, be grounds for termination for cause.

XV. AMENDMENT

- 15.1 Any alterations, additions or deletions to the terms hereof shall be by amendment in writing executed by both City and AGENCY and evidenced by passage of a subsequent City ordinance, as to City's approval; provided, however, the Director of the Managing City Department shall have the authority to execute an

amendment of this Contract without the necessity of seeking any further approval by the City Council of the City of San Antonio, if permitted by all applicable local, state and federal laws, and in the following circumstances:

- (A) an increase in Contract funding for each Project in an amount not exceeding (a) twenty-five percent (25%) of the project amount or (b) \$25,000.00, whichever is the lesser amount; provided, however, that the cumulative total of all amendments increasing funding for each Project and executed without City Council approval pursuant to this subsection during the term of this Contract shall not exceed the foregoing amount;
- (B) an increase in Contract funding within Contract amendment caps or parameters set by City Council by Ordinance or policy;
- (C) modifications to the **Scope of Work and Scorecard** for any Project due to the adjustment described in subsection (A) of this Section or for any other reason, so long as the terms of the amendment are reasonably within the parameters set forth in the original **Scope of Work and Scorecard**;
- (D) budget shifts of funds, so long as the total dollar amount of the budget for any Project set forth in the **Project Schedule** of this Contract remains unchanged (these modifications may be accomplished through Budget Revisions);
- (E) modifications to the **Insurance** requirements of this Contract that receive the prior written approval of the City of San Antonio's Risk Manager and the Director of the Managing City Department;
- (F) reduction of the total Contract amount in order to comply with the match requirement expenditure ratio set forth in Section 3.4, and to amend the Project **Budget** accordingly. AGENCY shall execute any and all amendments to this Contract that are required as a result of a modification made pursuant to this Section 15.1(E); or
- (G) reductions to Article I Scope of Work and Article III Consideration in order to comply with Section 3.4.

XVI. ASSIGNMENT AND SUBCONTRACTING

- 16.1 AGENCY shall not assign nor transfer AGENCY's interest in this Contract or any portion thereof without the written consent of the City Council of San Antonio, and if applicable, the Grantor of the grant source. Any attempt to transfer, pledge or otherwise assign shall be void ab initio and shall confer no rights upon any third person or party.
- 16.2 None of the work or services covered by this Contract shall be sub-contracted without the prior written consent of the City and Grantor of the grant source, if so required by said Grantor. Any work or services for sub-contracting hereunder, shall be sub-contracted only by written Contract, and unless specific waiver is granted in writing by City, shall be subject by its terms to each and every provision of this Contract. Compliance by sub-contractors with this Contract shall be the responsibility of AGENCY. AGENCY agrees that payment for services of any sub-contractor shall be submitted through AGENCY, and AGENCY shall be responsible for all payments to sub-contractors.
- 16.3 AGENCY must comply with all applicable local, state and federal procurement standards, rules, regulations and laws in all its sub-contracts related to the work or funds under this Contract, including those referenced in Section 11.2(A). It is further agreed by the Parties that the City has the authority to monitor, audit, examine, and make copies and transcripts of all sub-contracts, as often as deemed appropriate by the City. If, in the sole determination of the City, it is found AGENCY failed to comply with this Section, then the AGENCY will be deemed to be in default of this Contract, and as such, this Contract will be subject to termination.
- 16.4 Licenses and Training for Subcontractors. AGENCY warrants and certifies that AGENCY's subcontractors

have the requisite training, license or certification to provide the services required under this Contract, and that they meet all competency standards promulgated by relevant authoritative bodies, as applicable to the services provided hereunder.

- 16.5 AGENCY certifies that its subcontractors are not presently debarred, suspended or proposed for debarment, declared ineligible or voluntarily excluded from participation in any state or federal program.

XVII. OFFICIAL COMMUNICATIONS

- 17.1 For purposes of this Contract, all official communications and notices among the Parties shall be deemed sufficient if in writing and delivered in person, mailed by overnight or express service or mailed, registered or certified mail, postage prepaid, to the addresses set forth in the respective signature blocks. Notices of changes of address by either Party must be made in writing delivered to the other Party's last known address within five (5) business days of the change.

XVIII. PROHIBITED ACTIONS

18.1 Political Activity.

- (A) AGENCY agrees that no funds provided from or through the City shall be contributed or used to conduct political activities for the benefit of any candidate for elective public office, political party, organization or cause, whether partisan or non-partisan, nor shall the personnel involved in the administration of the Projects provided for in this Contract be assigned to work for or on behalf of any partisan or non-partisan political activity.
- (B) AGENCY agrees that no funds provided under this Contract may be used in any way to attempt to influence, in any manner, a member of Congress or any other state or local elected or appointed official.
- (C) The prohibitions set forth in Sections 18.1(A) and 18.1(B) of this Contract include, but are not limited to, the following:
 - 1. an activity to further the election or defeat of any candidate for public office or for any activity undertaken to influence the passage, defeat or final content of local, state or federal legislation;
 - 2. working or directing other personnel to work on any political activity during time paid for with City funds, including, but not limited to activities such as taking part in voter registration drives, voter transportation activities, lobbying, collecting contributions, making speeches, organizing or assisting at meetings or rallies, or distributing political literature;
 - 3. coercing personnel, whether directly or indirectly, to work on political activities on their personal time, including activities such as taking part in voter registration drives, voter transportation activities, lobbying, collecting contributions, making speeches, organizing or assisting at meetings or rallies, or distributing political literature; and
 - 4. using facilities or equipment paid for, in whole or in part with City funds for political purposes including physical facilities such as office space, office equipment or supplies, such as telephones, computers, fax machines, during and after regular business hours.
- (D) To ensure that the above policies are complied with, AGENCY shall provide every member of its personnel paid out of City funds with a statement of the above prohibitions, which shall include a paragraph that directs any staff person who has knowledge of violations or feels that he or she has been pressured to violate the above policies to call and report the same to the contact person listed on the statement within the Managing City Department. AGENCY shall have each said individual sign a statement acknowledging receipt of the policy.
- (E) AGENCY agrees that in any instance where an investigation of the above is ongoing or has been

confirmed, reimbursements paid to the AGENCY under this Contract may, at the City's discretion, be withheld until the situation is resolved.

- (F) This Section shall not be construed to prohibit any person from exercising his or her right to express his or her opinion or to limit any individual's right to vote. Further, AGENCY and staff members are not prohibited from participating in political activities on their own volition, if done during time not paid for with City funds.
- 18.2 Adversarial Proceedings. AGENCY agrees that under no circumstances will the funds received under this Contract be used, either directly or indirectly, to pay costs or attorney fees incurred in any adversarial proceeding against the City and City may conduct an audit under Section 6.4 to confirm no such use. "Adversarial Proceeding" means *any matter in which interests of each party or of each party's client(s), are contrary to the other, including any matter in dispute, litigation, claim, demand, or other action taken in law or equity or based upon any other legal theory, seeking any remedy from the City.* AGENCY understands that the City may deem AGENCY ineligible for consideration to receive any future funding under this Contract or under another existing or future agreement while any adversarial proceedings against the City remains unresolved. This Contract may be terminated by City under Article XIII should AGENCY have a pending lawsuit against City or file a lawsuit against the City during the term of this Contract.
- 18.3 No Use of Funds for Religious Activities. AGENCY agrees that none of the performance rendered hereunder shall involve, and no portion of the funds received hereunder shall be used, directly or indirectly, for the benefit, directly or indirectly, any such sectarian or religious facility or activity, or for the construction, operations, maintenance or administration of any sectarian or religious facility or activity.
- 18.4 Contribution Prohibitions. AGENCY acknowledges that City Code Section 2-309 provides that any person acting as a legal signatory for an entity that applies for a "high-profile" discretionary contract, as defined by the City of San Antonio Procurement Policy and Procedures Manual, may not make a campaign contribution to any councilmember or candidate at any time from the tenth business day after the Consolidated Human Development Funding Services Pool Request for Proposal (RFP) is released, and ending on the 30th calendar day following the contract award. Any legal signatory for a proposed high-profile contract must be identified within the response to the RFP or RFQ, if the identity of the signatory will be different from the individual submitting the response. AGENCY acknowledges that the City has identified this Contract as high profile. AGENCY warrants and certifies, and this Contract is made in reliance thereon, that the individual signing this Contract has not made any contributions in violation of City Code Section 2-309, and will not do so for 30 calendar days following the award of this Contract. Should the signer of this Contract violate this provision, the City Council may, in its discretion, declare the Contract void.

XIX. MISCELLANEOUS

- 19.1 Independent Contractor. AGENCY is and shall be deemed to be an independent contractor, responsible for its respective acts or omissions and the City shall in no way be responsible therefor, and neither Party has authority to bind the other nor to hold out to third parties that it has the authority to bind the other.
- 19.2 Nothing contained in this Contract shall be deemed or construed by the Parties or by any third party as creating the relationship of employer-employee, principal-agent, partners, joint venture, or any other similar such relationship, between the Parties.
- 19.3 Any and all of the employees of the AGENCY, wherever located, while engaged in the performance of any work required by the City under this Contract shall be considered employees of the AGENCY only, and not of the City, and any and all claims that may arise from the Workers' Compensation Act on behalf of said employees while so engaged shall be the sole obligation and responsibility of the AGENCY.
- 19.4 Non-Waiver. No waiver, change, modification or discharge by either Party of any provision of this Contract shall be deemed to have been made or shall be effective unless expressed in writing and signed by the Party to be charged. Unless otherwise specifically provided for in this Contract, a waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Contract shall not be construed or held

to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party under this Contract or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved.

- 19.5 Venue. AGENCY and City agree that this Contract shall be governed by and construed in accordance with the laws of the State of Texas, and all obligations of the Parties created under this Contract are performable in Bexar County, Texas. Venue and jurisdiction arising under or in connection with this Contract shall lie exclusively in Bexar County, Texas.
- 19.6 Gender. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires.
- 19.7 Severability. If any clause or provision of this Contract is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of City, it is the intention of the Parties that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Contract shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained. It is also the intention of the Parties that in lieu of each clause or provision of this Contract that is invalid, illegal or unenforceable, there be added as a part of this Contract a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.
- 19.8 Authority. The signer of this Contract for AGENCY represents, warrants, assures and guarantees that he has full legal authority to execute this Contract on behalf of AGENCY and to bind AGENCY to all of its terms, conditions, provisions and obligations. AGENCY shall provide evidence to City upon execution of this Contract that it is currently operating as a Texas non-profit corporation exempt from tax under Section 501(c)(3) of the Internal Revenue Code, or a for-profit entity governed by an autonomous governing body, acting in accordance with the governing instruments submitted to the City in its application for funding. Whether a non-profit or for-profit entity, AGENCY must be authorized to do business in the State of Texas and be formed under and operating in accordance with all applicable laws of the State of Texas. AGENCY shall provide Managing City Department verification of the foregoing requirements no later than the execution date of this Contract.
