# Background

- 2006 – Consultant determined it was in the City's best interest to outsource the management, operations, and maintenance of the City-owned golf courses and a driving range
- May 2007 – City entered into a Golf Course Management Agreement with nonprofit organization Municipal Golf Association – San Antonio (MGA-SA)
- December 2007 – through an Amendment, City assigned its landlord interest at Brackenridge Polo Field Driving Range (FTGSA) to MGA-SA

# Action

- FTGSA and MGA-SA both desire to separate the agreements, allowing each organization to operate independently and continue their long-standing relationship with City and the community
- Proposed Management and Lease Agreement with FTGSA
  - Commence upon Council approval - December 31, 2034
  - Two additional 10-year renewals subject to Council approval
  - In lieu of rent, FTGSA is responsible for operations, maintenance, utilities, & programming
- Approving the Management and Lease Agreement with FTGSA requires an amendment to the Golf Course Management Agreement with MGA-SA
  - Fourth Amendment removes FTGSA from the agreement; all other provisions of the agreement remain the same
