Tracking Number: 25-207651

MEETING DATE: June 5, 2025

DEPARTMENT: Building & Equipment Services

DEPARTMENT HEAD: Jorge Perez

CONTRACT TYPE: Construction

PROCUREMENT METHOD: Invitation for Bid (IFB)

CONTRACT DESCRIPTION:

Underground Fuel Tank Replacement – Northwest Police Substation

CONTRACT INFORMATION:

This is a construction contract for the Building and Equipment Services Department for removal and replacement of two (2) existing underground storage tanks (USTs) and two (2) fuel islands at the Northwest Police Substation. The installation will include double nozzle single product dispensers, double-wall USTs, double-wall fire-resistant fluid (FRF) piping, a submerged turbine pump, an automatic tank gauge (ATG), and a concrete hold-down slab over the USTs. The upgraded storage and dispensing system will consist of two (2) double-wall 12,000-gallon USTs designated for unleaded fuel storage, along with four (4) double nozzle single product dispensers to facilitate fuel distribution. [John Peterek, Assistant City Manager; Jorge Perez, Director, Building & Equipment Services]

City Programs: SBEDA Program – SBEDA tools were not applied; Local Preference Program – not applicable to this contract.

Awarded Vendor(s): D&H United Fueling Solutions, Inc.

Term of Contract: 100 Calendar Days

Total Contract Value: \$873,750

Funding Source: Certificate of Obligations
