Briefing and Possible Action

Item 4 – Discussion was held for the Storm Water Management Advisory Board to assume the additional responsibility to participate in the Community Rating System Community Representatives to review and provide comment on the Program for Public Information. They will discuss the plan for community outreach. This responsibility would consist of one meeting per year and be incorporated into the current Board schedule. Motion to accept the role in the CRS program and assisting the Community Representative with the Program for Public Information. The motion was made by Debbie Reid and seconded by Patrice Melancon. The motion was unanimously approved by the Board.

Item 5 – Discussion was held on the watershed working group subcommittee or to move forward with the second option for the Board to retain the responsibility of the subcommittees. The process for any action would be adopted by the Board at a later date. Motion was made by Patrice Melancon and seconded by Debbie Reid. The motion was unanimously approved.

Staff Presentation

Sabrina Santiago presented examples of impervious cover for Tier 4 non-residential development comparison between a big box store, chain fast food restaurant with drive through, and small coffee shop.

Richard De La Cruz presented the Board with an update on the current Storm Water capital projects. the presentation covered the projects in Pre-Design and Design. The Board requested the remainder of the presentation to cover the projects in construction come back at next month's meeting.

Meeting Adjourned 7:40 pm
