# Legislative Program Pillars

# Federal Legislative Program – 119<sup>th</sup> First Session

## OPPORTUNITIES

- Expand production of housing through increased incentives, tax credits, opportunity zones
- Protection of our military missions
- Procurement of downtown Federal Building for Hemisfair development
- Expand San Antonio as a Cyber Security hub

## RISKS

- Continued funding for community programs
- Continuation of tax-exempt municipal bonds

# Advancement of Community Interests

---

- Support federal regulations and legislation which would clearly benefit the City and its residents and oppose any regulations and legislation that would clearly be adverse to the City's and residents' interests.
- Support the protection of civil rights and federal nondiscrimination statutes and regulations based on race, color, religion, disability, sex, sexual orientation, gender identity, veteran status, age, or national origin.
