Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

- 1. Consistency:** The subject property is located within the North Central Neighborhoods Plan and is currently designated as “Mixed Use” in the future land use component of the plan. The requested “C-2 S” base zoning district is consistent with the future land use designation.
- 2. Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area. The surrounding zoning consists of “C-2” Commercial District, “C-3” General Commercial District and “MF-33” Multi-Family District.
- 3. Suitability as Presently Zoned:** The existing “C-2 S” Commercial District with a Specific Use Authorization for a Bingo Hall is an appropriate zoning for the property and surrounding area. The requested “C-2 S” Commercial District with a Specific Use Authorization for a Party House, Reception Hall, Meeting Facilities is also an appropriate zoning for the property and surrounding area. The proposed rezoning maintains the base “C-2” Commercial District and the “S” Specific Use Authorization allows for consideration of a Party House, Reception Hall, Meeting Facilities. The Specific Use Authorization also requires a prescribed site plan and allows consideration of conditions where necessary such as: hours of operation, no temporary signage and screening/buffering where appropriate.
- 4. Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
- 5. Public Policy:** The request does not appear to conflict with any public policy. Relevant Goals and Policies of the Comprehensive Plan.
 - JEC Goal 2: Traditional and targeted growth industries support San Antonio’s diversified economy and provide a wide range of job opportunities.

Relevant Goals and Policies of the North Central Neighborhoods Community Plan may include:

- Goal 1: Support and promote business and employment development along the commercial corridors that provide for a healthy business climate while supporting the

needs of the North Central Neighborhoods Community by aesthetically and environmentally reinforcing their community cultural identity and providing an attractive destination for visitors and shoppers from around the city

- Goal 2: Encourage the establishment of neighborhood-friendly businesses along the commercial corridors that promote pedestrian accessibility.

Objective 2.2: Encourage mixed use development (in the area bounded by San Pedro Avenue, Rector, McCullough, and Sprucewood) that combines commercial, residential and office uses near a transportation node.

Objective 2.3: Encourage a Town Center development with a core of community offices and a peripheral development of pedestrian oriented. Businesses including professional offices and restaurants at the site of the former Handy Andy at the intersection of Dresden and Blanco Road.

6. **Size of Tract:** The 0.148-acre site is of sufficient size to accommodate the proposed commercial development.
7. **Other Factors:** The purpose of the Specific Use Authorization is to provide for certain uses which, because of their unique characteristics or potential impacts on adjacent land uses, are not generally permitted in certain zoning districts as a matter of right, but may, under the right set of circumstances and conditions be acceptable in certain specific locations. The applicant is rezoning to develop a Party House, Reception Hall, Meeting Facilities.

The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates commercial uses.
