## All Reports Completed

## Key Performance Indicators

**Describe your project's key ACCOMPLISHMENTS as they relate to each Objective and Target.** The measures and targets shown below should match the information submitted in your eGrants application. You are responsible for providing the actual results for the current reporting period (unless otherwise specified). Use the "Notes" field to provide explanations for any significant variance from established targets.

### OOG-Defined Measures

Output Measures	Target Level	Total	Report 1	Report 2	Notes
Number of hours of service completed by program youth.	36000	38005	21143	16862	Service hours continue to be met by direct service hours completed by JCM, mediation dockets, contract sessions, and forums conducted by program.
Number of program youth completing program requirements.	3000	3804	1923	1881	Students who completed the full term of the contract reached at mediation or school based agreements.
Number of program youth served and considered truant prior to this period who have been referred to a truancy court as defined in Sec. 65.004 Texas Family Code	123	2265	1412	853	Truancy mediation continues to be a useful arm of this program and a benefit to our target population.
Number of program youth served and considered truant prior to this period who have not been referred to a truancy court as defined in Sec. 65.004 Texas Family Code	12000	17166	11680	5486	This reflects the number of youth that were summoned to participate in a forum, mediation or agreement session.
Number of program youth served who are no longer truant during this period	6000	5175	3632	1543	Forums continue to be a valuable tool in combating truancy and chronic absenteeism but one that fewer schools are engaging. As the forums have demonstrated a slight decline, our mediation efforts continue to grow.
Number of program youth served who were considered truant prior to this period	2500	1873	706	1167	Our re-enrollment dockets continue to grow and have faced the challenges of an everchanging alternative education landscape for youth and families.
Number of program youth served.	5500	9495	6071	3424	Our growth in this area is a reflection of the increased efforts being made in diversifying our program. New program initiatives have fostered improved participation and student/family engagement.
