Note (14) Half story. An uppermost story containing habitable space completely within a sloping roof (between a three in twelve slope and a twelve in twelve slope) springing from the top plate of the story below and broken only by dormers of total (sum) width less than 25% of the horizontal length of the facade which the dormers face, in which a sloping roof replaces two opposing exterior walls, and in which habitable areas on the uppermost story do not exceed a floor area derived by multiplying the floor area of the story directly below by fifty (50) percent.
