## Post Solicitation Briefing for Land Acquisition Services for Edwards Aquifer Protection Program

Date: April 27, 2022

Presented by: Phillip Covington, Special Projects Manager  
Parks and Recreation Department

# Solicitation Overview

- City of San Antonio's Edwards Aquifer Protection Program (EAPP) was created to protect Edwards Aquifer water quality and quantity through acquisition of land and conservation easements over the recharge and contributing zone.
- EAPP sought qualifications from regional land trusts and/or governmental entities with the intent to enter into Professional Services Agreements (PSAs) for assistance in evaluating and acquiring additional properties and conservation easements located in targeted sensitive areas over the Edwards Aquifer recharge and contributing zones.

## Solicitation Type

- Request for Qualifications (RFQ)

## Estimated Value

- Up to \$1.75 million total

## Proposed Term

- 3 years w/ 2, 1-year renewals
