The original certificate(s) or form must have the agent's original signature, including the signer's company affiliation, title and phone number, and be mailed directly from the agent to the City. The City shall have no duty to pay or perform under this Agreement until such certificate shall have been delivered to City's Economic Development Department and the Clerk's Office, and no officer or employee, other than the City's Risk Manager, shall have authority to waive this requirement.

10.2 The City reserves the right to review the insurance requirements of this Article during the effective period of this Agreement and any extension or renewal hereof and to modify insurance coverages and their limits when deemed necessary and prudent by City's Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this Agreement, but in no instance will City allow modification whereupon City may incur increased risk.

In addition to any other remedies the City may have upon SAEDC's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order SAEDC to stop work hereunder, and/or withhold any payment(s) which become due to SAEDC hereunder until SAEDC demonstrates compliance with the requirements hereof.

10.7 Nothing herein contained shall be construed as limiting in any way the extent to which SAEDC may be held responsible for payments of damages to persons or property resulting from SAEDC's or its subcontractors' performance of the work covered under this Agreement.

10.8 It is agreed that SAEDC's insurance shall be deemed primary with respect to any insurance or self-insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

**Exhibit A. SCOPE OF SERVICES**  
**Contractor Capacity Building & Bonding Assistance Program Administration**

The City of San Antonio (City), through the San Antonio Economic Development Corporation (SAEDC) and administered by Jim Swindle dba Alamo Surety Bonds (Consultant), shall establish and implement the Contract Capacity Building and Bonding Assistance Program (Program) to assist local small, minority, and woman-owned businesses (S/M/WBEs) seeking City contracts.

The Consultant shall provide tailored needs assessments for S/M/WBE contractors participating in this Program and create the educational, technical, and financial literacy component required for a successful program. In addition, the Consultant shall provide S/M/WBEs with one-on-one business counseling, project support if awarded a City contract, and financial support to offset City contract bonding requirement barriers. Ultimately, the Program shall ensure S/M/WBEs are receiving assistance to build their capacity and bonding limits, which should lead to an increase in the number of City contracts they are both bidding on and awarded.

For many reasons, equity is a key requirement for the Program. Over the City's history, and as reflected nationally, minority and woman-owned businesses (M/WBEs) have suffered from long-term disparities, which were made abundantly more evident during the global COVID-19 pandemic. Therefore, while the Program shall support all local small businesses, its objectives must focus on M/WBEs.

The entire scope of services for the Program is as follows below. All Program elements in the scope of services below (e.g., policies, procedures, forms, marketing information, classes, intake process, etc.) shall be pre-approved by the City's Economic Development Department before implementation.

Establish and implement a standardized intake process to assess the technical and financial strengths and weaknesses for each participant (e.g., Per Consultant's response to the City's Request for Proposal (RFP), review of the firm's company office and operations, collection and review of bond application, current bonding capacity and assessment score card). A documented and standardized action plan shall be provided to each participant based on the assessment inclusive of required classes and community partner referrals to complete.

- c. Determine the participant's bonding capacity upon initial assessment to measure growth as the participant progresses and completes the Program.

  - c. Virtual and in-person services are allowed; however, if a firm has internet access issues, accommodations must be provided.
4. Provide personalized one-on-one business guidance and consultation services for each participant (e.g., Per Consultant's response to the City's RFP, job cost breakdown & analysis, cash flow analysis, obtaining financing, funds administration process overview and requirements, dispute resolution, job status reports, complete financial statement analysis, credit evaluation, line of credit, and recommendations to improve credit and firm financial elements).
  - a. Each participant shall receive a minimum of 15 hours of consultation through their duration in the program. Consultant shall meet with each participant at least once monthly.
