Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	It is my pleasure to seek reappointment to the Airport Advisory Commission. As we are embarking on the expansion and modernization of our airport system the AAC serves an important roll in advising the Airport Director and Staff. Much progress has been made over the last few years in expanding air service and outlining the plan to improve and expand San Antonios airport infrastructure so that it can serve our community for generations to come. It has been my honor to serve as the Chairman of the AAC over the last few years and I look forward to continuing to lead the talented members of the AAC as we assist the Director and the City in bringing to fruition the Strategic Development Plan for the Airport System that was approved by the City of San Antonio City Council recently. There is much yet to be done and if you will have me, it would be an honor to use whatever aviation and business experience I have to help continue to improve our Airport System as it seeks to serve with excellence the citizens of San Antonio and the surrounding areas.
