

CITY OF SAN ANTONIO
METROPOLITAN HEALTH DISTRICT

**NATIONAL ASSOCIATION OF COUNTY AND HEALTH CITY OFFICIALS (NACCHO)
INTEGRATING POSITIVE AND ADVERSE CHILDHOOD EXPERIENCES INTO
PEDIATRIC CARE (IPACE): ACADEMIC DETAILING PILOT PROJECT**

Presented by: Claude A. Jacob, Director

Agenda Item # 26
June 23, 2022

Background

NACCHO IPACE

Opportunity offered by the National Association of County and City Health Officials (NACCHO) in collaboration with Centers for Disease Control and Prevention (CDC)

Funding departments with academic detailing programs to pilot projects focused on pediatric settings

Will provide education through one-on-one discussions with providers on the impact of adverse childhood experiences (ACEs) and Positive Childhood Experiences (PCEs)

Background

Addresses 3 of the 6 SA Forward Plan priority areas

- Violence Prevention
- Access to Care
- Mental Health and Community Resilience (MHCR)

Address trauma on a universal level – with an understanding that ACEs are common

- Triple P program
- Trauma informed care (TIC) in the justice system
- Establishing a city-wide Center for Excellence in TIC

Clinician Ambassadors develop relationships with medical providers

- One on one visits with providers
- Continuing Education opportunities
- Encouraging evidence-based practices

Fiscal Impact

- Authorize the acceptance of funds for the NACCHO-IPACE Project in the amount of \$80,000.00
- Grant Period: May 10, 2022, through February 28, 2023
- There is no fiscal impact to the General Fund.

Recommendation

- Staff recommends City Council authorize the acceptance of funds from the NACCHO IPACE grant in the amount of \$80,000.00.
