

Chapter 28 – Sign Code Update Request Application

Send to: SignCodeReview@sanantonio.gov

Name: Organization (if applicable): Address: Phone: Email: Signature: Include title if representing a governmental agency or public/private organization) Part 2. Reason(s) for Update (check all that apply) Modify procedures and standards for workability and administrative efficiency Eliminate unnecessory development costs Update the procedures and standards to reflect changes in the law or the state of the art technologies See Part 4 (if none of the provided choices in this section apply, please discuss the reasons for the proposed update in Part 4) Part 3. Summary of Proposed Update with Suggested Text (see application instructions) Suggesting changes to 28-72, specifically 28-74 (b). Would like to amend 28-74(b)3c to be for 2 ears initially with (1) 2-year renewal and (1) 1-year renewal. Additionally, amend so that a change of agent can be filled to allow a different licensed sign contractor to file for renewal To the same section, would also like to allow for these signs to be placed within electrical easement like to the temporary status of sign type. Add language such as 28-75(c)3 "The sign erector shall certify in writing that the sign will not interfere with public safety". Incidental signage has this illowance despite some being a permanent sign Mould also like to see changes made in Accela to help with renewal reminders	Nan	Christi Barron Seven13 Signs & Graphics, LLC
