Briefing and Possible Action on

- 2. Briefing and possible action on the Multi-Modal Corridor Study Evaluation Criteria used to inform decision-making associated with the selection of potential corridors for transportation studies.** [Roderick Sanchez, Assistant City Manager; Tomika Monterville, Director, Transportation]

Chair Cabello Havrda stated that Items 2 and 3 would be taken together.

Tomika Monterville, Transportation Director, provided an overview of the multi-modal corridor studies conducted and the recommendations of the proposed corridors and criteria used to identify those corridors. Monterville reviewed the methodology used in the study to include data provided by VIA Metropolitan Transit (VIA). She stated that 13 corridors were evaluated based on nine criteria items and she provided materials reviewing the criteria for each of the corridors. She stated that the corridors proposed were Harry Wurzbach Road, Marbach Road and West Avenue. She provided data on the recommendation determination.

Monterville reviewed the proposed recommendations which was for the Committee to accept the evaluation criteria and approval of the three corridors to be studied for the remaining AAMPO TxDOT Multi-Modal Corridor Study. She reviewed the next steps in the process for acceptance and approval by the full City Council.

DISCUSSION

Chair Cabello Havrda asked Deputy City Clerk Perkins to read a letter submitted by Councilmember Sandoval which she read and the letter was included in the minute record.

Chair Cabello Havrda asked what the next steps were once these projects were brought forward to the Metropolitan Planning Organization (MPO). Monterville stated that once these projects were approved, it was recommended that the solicitation would need to go further and then study other projects in 2023 and 2024.

Monterville stated that she appreciated Councilmember Sandoval's comments related to equity and safety and that those factors were considered along with the additional criteria for the identified feeder corridors. She also noted that VIA ridership data was very telling and that Bond Project funding was also key in addressing future design and recommendations. Monterville also stated that community input was essential in this process.

Councilmember Castillo stated that she appreciated the criteria presented and the projects recommended but expressed concern that General McMullen was not being considered for the study. She asked if there was an opportunity to create a grading scale for corridor projects. Monterville stated that she did not recommend a grading scale but that a complete study should be conducted such as the criteria used for this study. Monterville acknowledged that the Committee's recommendations would be considered and brought forward.

Councilmember Castillo recommended that General McMullen be prioritized for a corridor study in the FY2023 proposed or future listing.

Councilmember Bravo asked if other tools could be identified for consideration of multi modal corridor projects such as Vision Zero. He stated that he needed additional information to better understand recommendations in the future. Monterville stated that additional data would be included in a future tool kit.

Councilmember Perry moved to recommend and forward the proposed multi-modal transportation corridor selection criteria for use by the Transportation Department. Councilmember Castillo seconded the motion. The motion carried by the following vote:

Aye: Cabello Havrda, Bravo, Castillo, Perry
Absent: Sandoval

- 3. Briefing and possible action on the roadways recommended for the three \$1 million Multi-Modal Corridor Studies funded by the Alamo Area Metropolitan Planning Organization (AAMPO)/Texas Department of Transportation (TxDOT).** [Roderick Sanchez, Assistant City Manager; Tomika Monterville, Director, Transportation]

Councilmember Perry moved to recommend and forward the proposed multi-modal transportation corridor selection criteria for use by the Transportation Department. Councilmember Castillo seconded the motion. The motion carried by the following vote:

Aye: Cabello Havrda, Bravo, Castillo, Perry
Absent: Sandoval

- 4. Briefing and possible action to apply for a United States Department of Transportation Safe Streets for All Grant.** [Roderick Sanchez, Assistant City Manager; Tomika Monterville, Director, Transportation]

Transportation Director Tomika Monterville provided an overview of the Bipartisan Infrastructure Law (BIL) submittal for the United States Department of Transportation Safe Streets for All Grant. Monterville reviewed the grant criteria and consideration of the Vision Zero pedestrian crossing funding for grant match requirements. She stated that staff was seeking approval to submit the grant for the Vision Zero High Injury Network Mid-Block Crossings and Safety Campaign.

DISCUSSION

Councilmember Castillo asked if stakeholders would be given an opportunity to provide input on intersections and projects to be considered. Monterville stated that community engagement was crucial in the process and opportunities would be coordinated for participation.

Councilmember Perry asked for clarification on the criteria used in identifying cross walk projects. Monterville reviewed data collected and how it was used for the design of proposed projects.

Councilmember Perry noted that 13 projects were moving forward but that there were 28 projects identified as potential projects. Monterville stated that the 15 other projects identified were still being evaluated due to inclusion in future bond projects or the Capital Improvement Project (CIP). Councilmember Perry stated that Bond projects should include crosswalks and should not be supplemented by these funds. Councilmember Perry stated that Culebra Road should not be a part of the discussion since it was included in the Bond Program. Sanchez stated that once a Bond project was completed, there might not be a need for crosswalks.

Councilmember Perry asked for clarification on the total costs for construction and design. Monterville stated that she would provide that information.

Councilmember Bravo asked how performance measures would be identified. Monterville stated that stakeholder engagement would be conducted with VIA ridership and street pedestrians and spoke to how engagement would be delivered.

Councilmember Castillo asked if the crosswalks on Zarzamora Street were in design or under construction. Monterville stated that she would provide that information.

Councilmember Bravo moved to recommend and forward the application for a United States Department of Transportation Safe Streets for All Grant to the full City Council for consideration. Councilmember Castillo seconded the motion. The motion carried by the following vote:

Aye: Cabello Havrda, Bravo, Castillo, Perry
Absent: Sandoval
