RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is not located within a Neighborhood, Community, or Sector Plan therefore a finding of consistency is based on existing and surrounding zoning and uses.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.
3. **Suitability as Presently Zoned:** The current “R-4” Residential Single-Family District is an appropriate zoning for the property and surrounding area. The proposed “R-4 CD” Residential Single-Family District with a Conditional Use for a Gift Shop is also appropriate. Various zoning designations can be found in the area with land use ranging from low to high intensities. The proposed “R-4 CD” maintains the base residential zoning district for the existing residence. The requested “CD” Conditional Use will allow the addition of a gift shop within the existing structure, which limited to the proposed site plan and cannot be expanded.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objectives of the SATomorrow Comprehensive Plan:
 - GCF Goal 2: Priority growth areas attract jobs and residents.
 - GCF Goal 4: Sustainable infill and mixed-use development provide walkable and bikeable destinations for all residents.
 - GCF Goal 5: Growth and city form support improved livability in existing and future neighborhoods.
 - GCF P8: Continue to focus on the revitalization of neighborhoods adjacent to downtown and extend these efforts to regional centers, urban centers and transit corridors.
6. **Size of Tract:** The subject property is 0.16 acres, which can reasonably accommodate the proposed development.
7. **Other Factors:** The applicant intends to rezone to “R-4 CD” to develop a small gift shop within an existing residential structure.

The subject property is located within the Fort Sam Houston Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JB SA was notified of the proposed request. The Military has indicated that there are no objections to this request.

The purpose of the Conditional Use is to provide for certain uses which, because of their unique characteristics or potential impacts on adjacent land uses, are not generally permitted in certain zoning districts as a matter of right, but may, under the right set of circumstances and conditions be acceptable in certain specific locations.

This property is designated within the Monte Vista Historic District. Any proposed exterior alterations associated with the proposal will require approval from the Office of Historic Preservation. Approval of a site plan or renderings submitted as part of a zoning application does not supersede any requirements for design review outlined in Article VI of the Unified Development Code. To date, no application has been made to the Office of Historic Preservation for this project.
