JBSA Installation Encroachment Management
2080 Wilson Way
Fort Sam Houston, TX 78234

SUBJECT: Joint Base San Antonio review of Zoning Case Z202210700188, 12420 Interstate 10 East, SATX.

1. Zoning Case Z202210700188, 12420 Interstate 10 East, SATX, reviewed by JBSA-RND organizations. JBSA does not object with this request; however, there are additional comments for consideration in planning and development.
 - a. Parts of this subdivision will be located in the aircraft approach/departure path from JBSA-Randolph. Recommend developer use sound attenuation measures for development.
 - b. In order to mitigate potential interference with existing JBSA operational systems, please coordinate with 502 CS Spectrum Manager prior to use of any Spectrum dependent systems (i.e.: two-way radio communications, or any type of wireless technologies) during construction. If applicable, coordination requested by facility user prior to installation/use of any Spectrum dependent commercial or manufacturing equipment.
2. The items presented above are efforts to enhance the safety of the community and minimize noise impacts due to the proximity of low flying aircraft. Improperly managed development may create unnecessary risk to both the community and flight operations as well as affect the overall capability of the military at this location.

3. Point of contact for this action is Sharonn D. Brew, 502 ABW/CMI, 210-221-0564 or by e-mail sharonn.brew@us.af.mil or 502ABW.ABW.Community_initiative@us.af.mil.
