Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	As an educator in higher education, my aim has not wavered. My goal as an educator is to emphasize the importance of becoming a critical thinker. I would like to take that same approach as I educate the community. My approach is not to teach them but to assist in their learning. This transformative learning approach will allow me to meet the aim of this board. To actively engage the community and stakeholder relations in exchanging ideas to build on a common goal and measure outcomes so effective change can occur.
