AUTHORIZING THE CREATION OF A CITY COMMISSION ON VETERANS AFFAIRS TO SERVE THE CITY COUNCIL IN AN ADVISORY CAPACITY ON ISSUES AFFECTING THE CITY'S MILITARY POPULATION, BOTH ACTIVE AND RETIRED.

* * * *

WHEREAS, the City of San Antonio, because of the opportunity and privilege afforded the City to play host to numerous United States military installations, has had and continues to have a close relationship with many men and women, both active duty and retired ("Veteran"), who have dedicated their lives to protect the freedoms embodied in the Constitution and Laws of this Country; and

WHEREAS, the City Council of the City of San Antonio finds it to be in the best interest of the City to assist these Veterans by creating a Commission on Veterans Affairs ("Commission") that would serve as a clearinghouse for services provided by the numerous local, state and federal veterans-related service delivery systems such as the U.S. Department of Veterans Affairs, the Texas Veterans Commission, various City Departments and the many veterans' advocate organizations; and

WHEREAS, the City Council further finds that the City would benefit from a Commission that would, among other things, provide policy guidance to the Council regarding the many pressing issues affecting veterans such as elderly services, disabled services, homelessness, affordable housing, healthcare, job training as well as the impact of any future base re-alignments and closures; **NOW THEREFORE:**

SUBJECT: VETERANS AFFAIRS COMMISSION ORDINANCE

DATE: April 6, 2001

Summary

This Ordinance would authorize the creation of a City Commission on Veterans Affairs to serve the City Council in an advisory capacity and appoint Commission Members to serve for two-year terms.

Background

San Antonio has had a long and prosperous relationship with the military. Military City USA is not only a prime location for active duty personnel but a choice location for veterans and their families. The City needs to continue to recognize that important reality and ensure that needed services are provided to protect the dignity and welfare of those individuals who have generously served and protected our country.

The Veterans Affairs Commission is being created as a result of a six-signature memo generated by Councilman Raul Prado. This advisory commission will provide veterans a clearinghouse for reviewing existing programs and services as provided by local, state and federal veterans services agencies. The commission will help ensure that the needs of veterans are adequately being addressed and if lacking, make recommendations as to how improvements may be made.

The Veterans Affairs Commission would serve as a clearinghouse for services provided by numerous federal, state and local veterans-related service delivery systems such as the U.S. Department of Veterans Affairs, the Texas Veterans Commission, various City departments and the many veterans' advocacy organizations. Additionally, the Commission would provide policy guidance regarding the many pressing issues affecting veterans including elderly services, disabled

services, homelessness, affordable housing, healthcare, job training and the impact of additional base alignments and closures.

Policy Analysis

Currently, there are few programs which serve the needs of veterans that the City provides directly but indirectly the City offers numerous programs that veterans benefit from on a daily basis. These programs include services such as the elderly and disabled services, supportive housing, transitional housing and homelessness programs. Additionally, the Housing and Community Development Department assists veterans through its HOME program which provides affordable housing to low and moderate income households and the Health Department supports veterans in their healthcare needs through its clinical, preventative and health education programs.

It is anticipated that the Commission will collaborate with entities that have existing offices such as the Bexar County Veterans Services Office, Texas State Veterans Commission and others to ensure a collaborative effort in addressing the needs of San Antonio's Veteran Community.

The Commission shall act in an advisory capacity only and shall have no power to bind the City by contract or other means. It shall be the function of the Board to advise the City Council on any and all matters related to Veterans Affairs.

It is proposed that the External Relations Department serve as the primary department to staff the work of the Commission with the departments of Community Initiatives, Health, Economic Development and Housing and Community Development providing necessary support. It is further recommended that the Commission receive a "sunset" review every four years to reevaluate its purpose and necessity.

Terms of Office

The Commission shall be comprised of eleven (11) members appointed by City Council for two (2) year staggered terms. Initial terms will be as follows: six (6) members serving two year terms and five (5) serving a one year term; thereafter all terms will be for two (2) years. Each Commission Member may serve a maximum of three two-year terms.

Memberships and Application Process

Membership on the Commission shall be open to all ~~former military personnel~~ ^{Veterans *} who are interested in the overall delivery of veteran services. The deadline for application is set as May 4, 2001 with the Commission beginning its first monthly meeting in June 2001.

Financial Impact

It is proposed that the External Relations Department staff the Commission and provide technical and administrative support. The cost for the remainder of the year of \$4,016 will be

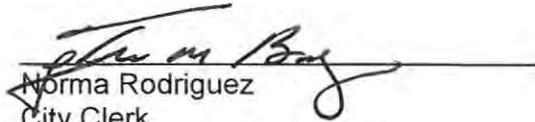

** As Recommended by Motion / Second at
Council Mtg of 4-12-01*

absorbed within the existing budget. For FY 2002, an estimate of \$14,300 a year for administrative costs including personnel, binding & printing, mailouts, food and parking will be addressed during the normal budget process.

Coordination

This Ordinance has been coordinated with the departments of Community Initiatives, Economic Development, Health, City Attorney's Office and Housing & Community Development.
