ARTICLE I. GENERAL PROVISIONS

Sec. 33-003. Definitions.

~~*Driver's identification* shall mean an identification document which is given to a driver by a TNC holder following the issuance of a driver's permit, which must include the driver's true and correct name and a photograph of the driver. Transportation network companies may issue this identification in an electronic format.~~

~~*Drivers permit* shall mean a photo I.D. card issued to an individual by the director which verifies that the individual has met all city requirements and is qualified to operate a vehicle for hire in the city, except for transportation network companies this term shall mean an authorization issued pursuant to sec. 33-985. For transportation network companies, a driver's permit is a prerequisite to the issuance of a driver's identification.~~

Electric Vehicle (EV) shall mean a vehicle propelled by an electric motor (non-combustion) that has a maximum speed of no more than 35 mph and otherwise complies with Federal Motor Safety Standard 500 (49 C.F.R. Section 571.500) for Low-Speed Vehicles.

Electric Vehicle Service shall mean a ground transportation service operating for hire that uses an EV in the operation of the service and includes, but not limited to, a facility from which the service is operated, an EV used in the operation of the service, and a person who owns or operates said service. Such services shall be operated on a pre-arranged or on demand basis.

Motorbike Sidecar shall mean a car that is attached to the side of a motorbike for a passenger. The motorbike may be combustion or electric and must be street legal.

Motorbike Sidecar Service shall mean a ground transportation service operating for hire that uses a motorbike with a sidecar in the operation of the service and includes, but not limited to, a facility from which the service is operated, a sidecar used in the operation of the service, and a person who owns or operates said service. Such services shall be operated on a pre-arranged or on demand basis.

Tour service shall mean a passenger ground transportation service that uses vehicles with a manufacturer's rating capacity of eight ~~nine~~ or more passengers in the operation of the service and includes, but is not limited to, a facility from which the service is operated, vehicles used in the operation of the service, and a person who owns or operates said service, and that:

- (a) Is used to provide regularly scheduled and routed sight-seeing tours to persons for a per-passenger or per-hour charge agreed upon in advance; and
- (b) Returns passengers to their point of origin upon completion of a tour.
- (c) If the rated seating capacity is more than 15 passengers, has registered with the Texas Department of Motor Vehicles as a commercial vehicle.

~~Transportation network company (TNC) shall mean a person that uses an internet enabled application or digital platform to send or transmit an electronic, radio or telephonic communication through the use of a portable or handheld device, monitor, smartphone or other electronic device to connect passengers with transportation network drivers for transportation network operations.~~

~~Transportation network operation shall mean offering, making available or using a transportation network vehicle to provide a vehicle for hire service through a transportation network company, including any time when a driver is logged onto the transportation network company's internet-enabled application or digital platform showing that the driver is available to pick up passengers; when a passenger is in the vehicle; when the company's dispatch records show that the vehicle is dispatched or when the driver has accepted a dispatch and is enroute to provide a vehicle for hire service to a passenger.~~

~~Transportation network vehicle shall mean any motor vehicle used to provide transportation network services, with a seating capacity of not more than seven passengers.~~

~~Vehicle permit shall mean the city decal affixed to a vehicle for hire which evidences the holder's authority to operate said vehicle pursuant to the holder's operating permit. Transportation network companies shall issue the decal following verification by the TNC that the vehicle has met all city requirements under this chapter and the rules established by the director, which allows the vehicle to be operated for hire in the city. TNCs may issue this permit in an electronic format that can be displayed by the driver, and the expiration date of the permit will be determined by the date of the yearly inspection made by the TNC.~~

Sec. 33-015. Amount of bond.

Except as otherwise provided by the holder's operating permit, every license/permit bond required by this division shall be in an amount fixed by the following schedule:

- (a) If the holder is authorized to operate five vehicles for hire or less, then the bond shall be in the sum of \$1,500;

- (b) If the holder is authorized to operate at least 6 but not more than 10 vehicles for hire, then the bond shall be in the sum of \$3,000;
- (c) If the holder is authorized to operate at least 11 but not more than 15 vehicles for hire, then the bond shall be in the sum of \$4,500;
- (d) If the holder is authorized to operate at least 16 but not more than 25 vehicles for hire, then the bond shall be in the sum of \$6,000;
- (e) If the holder is authorized to operate at least 26 but not more than 50 vehicles for hire, then the bond shall be in the sum of \$7,500;
- (f) If the holder is authorized to operate at least 51 but not more than 100 vehicles for hire, then the bond shall be in the sum of \$11,200; and
- (g) If the holder is authorized to operate more than one hundred 100 vehicles for hire, then the bond shall be in the sum of \$15,000.
- ~~(h) If the holder is a TNC, then the bond shall be in the sum of \$15,000.~~

Sec. 33-018. Insurance requirements generally.

(a) Prior to commencement of operations pursuant to this chapter the holder shall produce and furnish to the director, and thereafter keep in full force and effect, a policy of public liability and property damage insurance. Such policy of insurance shall be in the amount hereafter specified in this chapter and shall be subject to approval by the city risk manager. Every such policy shall insure all the vehicles ~~used~~ permitted by the holder in the vehicle for hire service authorized in the operating permit. Such policy shall inure to the benefit of any person who shall be injured or who shall sustain property damage as a result of the negligence of the holder or his servants or agents. The insurer shall be obligated to pay all final judgments which may be rendered on behalf of the public for injury or damage resulting to persons or property from the negligent operation of the holder's ground transportation service.

(b) Every policy of insurance shall be issued by an insurance company with a minimum A.M. Best rating of B+ and authorized to do business in Texas.

(c) Failure to procure and keep in full force and effect an insurance policy from a company that has an A.M. Best rating of B+ or above, ~~or an A.M. Best rating of A- or above if the holder is a TNC,~~ and that meets the minimum amount of insurance requirements under this chapter shall result in the suspension of the holder's operating permits.

Sec. 33-034. Revocation and suspension of operating permit.

(a) The director may revoke an operating permit, or suspend such operating permit for a period not to exceed 60 days, where the director has determined it is in the best interest of the public or where the holder:

- (1) Since the date of issuance of his operating permit, has been convicted or placed on community supervision, including but not limited to probation and deferred adjudication, for violations of any city, state, or federal law where said violation relates directly to the duties and responsibilities of the holder including but not limited to the violations listed in Sec. 33-010 of this chapter;
- (2) Since the date of issuance of the Operating Permit, has been indicted for criminal homicide, including murder and manslaughter but excluding criminal negligent homicide, or for any of the offenses listed in Sec. 33-010 of this chapter;
- (3) Has under his employment or contract a driver whose drivers permit has been suspended or revoked under the provisions of this chapter, or where a holder has failed to take reasonable action against one of the holder's drivers;
- (4) Has failed to comply with a correction order issued to him by the director within the time specified in the order;
- (5) Has failed to comply with this chapter or any rules, regulations, orders or directives;
- (6) Has substantially breached the terms of the permit agreement;
- (7) Has failed to pay a permit fee at the time it was due;
- (8) Has failed to pay a monetary penalty at the time it was due;
- (9) Has failed to comply with the license/permit bond requirements of this chapter;
- (10) Has failed to comply with the insurance requirements of this chapter;
- (11) Has transferred an operating permit without the city's approval;
- (12) Has allowed the operation of a ground transportation service without the city's approval;
- (13) Has failed to place in operation pursuant to the provisions of this chapter the number of vehicles authorized in the permit agreement within ~~90~~180 days of the date of the issuance of the operating permit;

(b) The decision of whether to suspend or revoke an operating permit, while vested in the director, shall be based on the following considerations:

- (1) The relationship of the violation to a holder's ability, capacity or fitness to provide a safe and reliable service;
- (2) The relationship of the violation to the city's interest in protecting the public safety and welfare;
- (3) A holder's willingness or ability to promptly come into compliance with any provision that is the basis for the suspension or revocation of the operating permit; and
- (4) The number or frequency of similar violations attributed to the holder or the holder's company.

Sec. 33-045. License file to be kept.

A driver permit file shall be kept and maintained, in a location determined by the director, of all persons to whom such permit have been issued. ~~A TNC shall maintain such file in its offices.~~

ARTICLE III. GROUP CYCLE SERVICES

Sec. 33-321. -- Available permit distribution

- ~~(a) When the city determines that permits shall become available, the city shall advertise the availability of group cycle permits for no less than 30 days. The advertisement method shall be determined by the director.~~
- ~~(b) All applications must be submitted by a date set by the director and must comply with Secs. 33-007 and 33-008 of this chapter (as determined by the director). If the application is approved by the director, each application shall be placed into a permit drawing. Applications shall not be for more permits than are available.~~
- ~~(c) Permit drawings shall be held with all permit applicants present. Only permit applicants shall be allowed to attend the drawing. However, if an applicant can not be present they must provide a written letter informing the city that they can not attend. The applicant may request for one individual to attend on their behalf. Failure to attend or have someone attend the drawing shall not disqualify the applicant.~~
- ~~(d) Drawing procedures shall be outlined in group cycle rules and regulations.~~

~~(e) If there are not applications for all the available permits the director shall have the discretion as to when to advertise a drawing for permits, based upon any request for a permit or a lapse of time.~~

Sec. 33-322321 – 329. – Reserved.

ARTICLE V. LIMOUSINE SERVICES

Sec. 33-525. Supplemental drivers permit.

If a limousine service experiences peak demand periods requiring more drivers than are currently permitted, the holder may request supplemental drivers by submitting a written application for a supplemental drivers permit, which shall state the reason why a supplemental driver is needed. Supplemental drivers:

- (a) Shall possess a valid Texas driver's license as outlined in Sec 33-041 (3);
- (b) Shall possess a valid driver's permit from the City of San Antonio or another Texas city, or have a Texas Department of Public Safety license designated for the type of vehicle they will be operating;
- (c) May not be used for more than 10 consecutive days;
- (d) Every individual driver may not be used for more than a total of 30 days in a calendar year;
- (e) A supplemental driver's permit shall automatically expire if the driver operates in violation of Secs. 33-524 and 33-52, and the driver shall be in violation of Sec. 33-006 (a) of this chapter.

ARTICLE VII. TOUR SERVICE AND CHARTER SERVICE

Sec. 33-725. Supplemental drivers permit.

If a service experiences peak demand periods requiring more drivers than are currently permitted, the holder may request supplemental drivers by submitting a written application for a supplemental drivers permit, which shall state the reason why a supplemental driver is needed. Supplemental drivers:

ARTICLE VIII. TAXICABS

Sec. 33-928. Classifications and requirements of vehicles.

Holders shall operate taxicabs in the city in accordance with the terms and conditions of the type of operating permit issued. The types of operating permits authorized by this chapter shall be classified as city-wide and airport, as defined in Sec. 33-003 of this chapter.

(a) Each holder, owner and driver shall remove from city-wide and airport service any taxicab ~~which is twelve years of age that does not comply with, as outlined in Rule 421 established by the director under this chapter.~~ The age of the vehicle shall be calculated from the vehicle's model year.

(b) Wheelchair accessible vehicle requirements:

(1) Wheelchair accessible vehicles shall service the entire city.

(2) Wheelchair accessible vehicles shall comply with the rules and regulations as established by the director.

(3) Wheelchair accessible vehicles may pick-up and drop-off at the airport as requested.

(4) Wheelchair accessible vehicles shall not have any age limits; however, vehicles may be removed from service by the director if the vehicle(s) do not comply with any part of this chapter, the rules and regulations, or vehicle inspection guidelines.

Sec. 33-929. Number of taxicabs; authority to operate additional taxicabs.

(a) A holder shall maintain in service a minimum of three taxicabs.

(b) The number of vehicles authorized by the permit agreement and the number of vehicle permits issued pursuant thereto shall be reduced to reflect the actual number of vehicles the holder is able to operate and maintain in accordance with the provisions of this chapter, the operating permit, the permit agreement, and the rules and regulations established by the director.

(c) All applicants for permits or additional permits shall be eligible to receive only such additional taxicab permits as are necessary to meet the service needs of the city's population growth. The number of additional taxicab permits for each calendar year shall be determined by a ratio of one taxicab per 1,700 population within the legal boundaries of the city. The population figure for the city will be based upon the annual population estimate as determined by the planning department as of December 31 of the year preceding the allocation period.

(d) The procedure to distribute the Taxicab permits shall be outlined in the rules and regulations established by the director. ~~Once the director has determined whether any additional permits are available for the city for a given year, applications may be obtained by current holders and new applicants by satisfying the requirements of Secs. 33-007 and 33-008 of this chapter. The applicants will be notified of the total number of operating permits to be allocated following the receipt of the population data by the director. Applications for additional permits shall be considered by the Taxicab Permit Allocation Committee (TPAC). The TPAC shall consist of three members selected by the director. The TPAC shall also conduct interviews of the applicants. After evaluation of the applications by TPAC on a scale of 0 to 100, the TPAC shall then allocate the available permits to those applicants who scored 80 or greater. The allocation shall be made in a manner that is fair and equitable, that protects the public health and safety, that promotes the public convenience and necessity, and that respects the concept of free enterprise.~~

(e) In addition to the requirements of subsections (c) and (d) above, other factors which may be relied on in determining eligibility for additional or new permits include, but are not limited to, whether:

(1) One hundred percent of the holder's authorized taxicabs passed the most recent scheduled semi-annual inspection;

(2) ~~During the first quarter (January through March) of the preceding year, a vehicle was in operation for each of the holder's authorized taxicab permits for at least 30 days, and each vehicle had an overall utilization rate of 75 percent; and~~

(3) ~~Within 30 days of receiving notice from the director of intention to increase the number of taxicab permits, the holder submits a report verifying an overall utilization rate of 75 percent for each of the holder's authorized taxicabs for the first quarter of the preceding year prepared by an independent certified public accountant licensed by the state, such rate being calculated by the following formula:~~

~~Permit days utilized = sum of the number of days each authorized permit was in operation.~~

~~Permit utilization rate = permit days utilized / (# of authorized permits × # of days in the period) × 100.~~

~~In determining the utilization rate, bona fide owner-operated vehicles will be considered to be in service 100 percent. Company owned daily lease vehicles are considered only when in service.~~

(4) (2) Holder has complied with this chapter and the rules and regulations established by the director.

(f) The holder's application for additional vehicle permits may be denied if any of the requirements of the section above are not met or if at any time during the twelve month period immediately preceding the application for additional permits the holder:

(3) (2) Failed to maintain the license/permit bond or insurance required by this chapter;

(4) (3) Had a vehicle permit revoked or suspended; or

(5) (4) Has failed to assign any previously issued vehicle permits to a vehicle.

~~If a holder is denied a permit under this section or is disqualified from receiving additional permits, the number of additional permits to be allocated to each qualified holder will be recalculated.~~

(g) A holder who is approved for additional vehicle permits shall execute an amended permit agreement authorizing the additional vehicles. The amended permit agreement shall supersede any such agreements previously executed between the city and the holder. The duration of the amended permit agreement shall be for the same period of time as provided for in the original permit agreement.

(h) ~~Additional vehicle permits shall be distributed to qualified holders within 60 days of a reported deadline. A holder receiving new or additional vehicle permits shall within 180-90 days of signing the permit agreement have presented the vehicle(s) to the City which must have passed the initial inspection. the distribution of such additional vehicle permits, increase his total fleet to the new level as required by subsection (a) of this section.~~

(i) ~~Any applicant who scored 80 or greater may appeal to a hearing officer the allocation of additional permits, but not the scores granted, by the TPAC. Said appeal~~

~~must be filed no later than the tenth business day following the applicant's receipt of notification of the TPAC's allocation of additional permits. The appeal must be in writing, filed with the director, and accompanied by an appeal fee of \$100. If no appeal is filed, the allocation of the TPAC shall become final. The city manager shall appoint a hearing officer for such appeals. Said hearing officer is hereby authorized to affirm or modify the allocation of additional permits by the TPAC. The decision of the hearing officer shall be final. Should an appeal be filed, the additional permits allocated shall not be distributed until such time as the hearing officer issues a decision.~~
