SUBJECT: Joint Base San Antonio review of Zoning Case Z202210700303 S, 7004 Branching Court, SATX 78239.

1. Zoning Case Z202210700303 S, 7004 Branching Court, SATX 78239, reviewed by JBSA-RND organizations. JBSA Does not object with this request; however, there are additional comments for consideration in planning and development.

- a. Development is within MLOD. Developer must comply with lighting ordinances.
- b. In order to mitigate potential interference with existing JBSA operational systems, please coordinate with 502 CS Spectrum Manager prior to use of any Spectrum dependent systems (i.e.: two-way radio communications, or any type of wireless technologies) during construction. If applicable, coordination requested by facility user prior to installation/use of any Spectrum dependent commercial or manufacturing equipment.

2. The items presented above are efforts to enhance the safety of the community and minimize noise impacts due to the proximity of low flying aircraft. Improperly managed development may create unnecessary risk to both the community and flight operations as well as affect the overall capability of the military at this location.
