ARTICLE II AUTHORIZATION OF NOTES

SECTION 2.01. GENERAL AUTHORIZATION. Pursuant to authority conferred by and in accordance with the provisions of the Constitution and laws of the State of Texas, particularly the Chapters 1371 and 1502, as amended, Texas Government Code, Project Notes shall be and are hereby authorized to be issued in an aggregate principal amount not to exceed ONE BILLION DOLLARS (\$1,000,000,000) at any one time outstanding for the purpose of financing Project Costs of Eligible Projects and to refinance, renew, or refund Notes from time to time issued and outstanding pursuant to the provisions hereof, and other Systems Revenue Obligations which qualify as "obligations" pursuant to the provisions of the Act; and, subject to the provisions of Section 4.05, one or more Credit Notes shall be and are hereby authorized to be issued in an aggregate principal amount not to exceed ONE BILLION DOLLARS (\$1,000,000,000) at any one time outstanding for the purpose of evidencing advances under one or more Credit Agreements at any time in effect to retire Project Notes; all in accordance with and subject to the terms, conditions, and limitations contained herein and, with respect to the Credit Notes, the applicable Credit Agreement. For purposes of this Section 2.01, any portion of outstanding Notes to be paid from money on deposit in the Note Payment Fund and from the available proceeds of Notes, Short Term Obligations, or Bonds on the day of calculation shall not be considered outstanding.

SECTION 2.02. TERMS APPLICABLE TO NOTES - GENERAL. Subject to the limitations contained herein, Project Notes herein authorized shall be dated as of their date of issuance or prior thereto, but within 30 days of the date of issuance (the *Note Date*) as determined by an Authorized Representative; shall bear no interest or bear interest at such rate or rates (either fixed, variable, or floating) per annum computed either (i) on the basis of a 360-day year of twelve 30 day months or (ii) on the basis of actual days elapsed and on a 365-day or 366-day year, whichever is applicable (but in no event in either case to exceed the Maximum Interest Rate in effect on the date of issuance thereof) as may be determined by an Authorized Representative and all Project Notes authorized herein shall mature on or prior to the Maximum Maturity Date.

Subject to the Maximum Interest Rate limitation, Project Notes authorized to be issued hereunder without a fixed numerical rate of interest for the term thereof shall bear interest in accordance with any clearly stated formula or method of calculation as directed by the Authorized Representative.

Project Notes issued hereunder may contain terms and provisions for the redemption or prepayment thereof prior to maturity, subject to any applicable limitations contained herein, as shall be determined by an Authorized Representative.

As determined from time to time by an Authorized Representative in accordance with Section 2.03 and Section 3.01 hereof for each issuance of Commercial Paper Notes, any Project Notes that are Commercial Paper Notes shall be issued by Series, Subseries, and as Tax-Exempt Notes or Taxable Notes; provided, however, that, unless specifically determined otherwise by an

Authorized Representative, Commercial Paper Notes issued to refund outstanding Commercial Paper Notes shall be of the same Series, Subseries, and designated status for purposes of federal income tax treatment as the Commercial Paper Notes to be refunded, with no further action required by an Authorized Representative.

Subject to applicable terms, limitations and procedures contained herein, Project Notes may be sold in such manner at public or private sale (and to any governmental municipal liquidity provider) at par or at such discount (within the interest rate and yield restrictions provided herein) as an Authorized Representative shall approve at the time of the sale thereof.

The Project Notes shall be issued in registered form, without coupons; provided, however, that Project Notes maturing not more than one year from the Note Date may be registered to bearer. Both principal of and interest on each Project Note shall be payable in lawful money of the United States of America, without exchange or collection charges to the Holder of the Project Note; the principal thereof to be payable upon presentation and surrender of the Project Note at the principal corporate office of the Issuing and Paying Agent and interest thereon to be payable as described in Sections 2.03, 2.04, and 2.05, respectively.

The prior selection and appointment of U.S. Bank Trust Company, National Association, New York, New York to serve as the Issuing and Paying Agent for the Commercial Paper Notes is hereby confirmed. The City acting through the Board covenants and agrees to keep and maintain at the principal corporate office of the Issuing and Paying Agent books and records (the *Registration Books*) for the registration, payment, transfer, and exchange of the Project Notes, all as provided herein and under such reasonable rules and regulations as the Issuing and Paying Agent may prescribe. The City, acting through the Board, covenants to maintain and provide a Issuing and Paying Agent at all times while the Project Notes are outstanding, which shall be a banking institution authorized under applicable laws to exercise trust powers. Should a change in the Issuing and Paying Agent for the Project Notes occur, the Board shall promptly cause a written notice thereof to be (i) sent to each Registered Owner of the Project Notes then outstanding by United States Mail, first class, postage prepaid and (ii) published in a financial newspaper or journal of general circulation in The City of New York, New York, once during each calendar week for at least two calendar weeks; provided, however, that the publication of such notice shall not be required if notice is given to each Holder. Such notice shall give the address of the successor Issuing and Paying Agent. A successor Issuing and Paying Agent may be appointed without the consent of the Holders.

The City and the Issuing and Paying Agent may treat the bearer (in the case of Project Notes so registered) or the Registered Owner as the absolute owner of any Project Note for the purpose of receiving payment thereof and for all purposes, and, to the extent permitted by law, the City and the Issuing and Paying Agent shall not be affected by any notice or knowledge to the contrary.

In addition to the designation of the Issuing and Paying Agent as a "Registrar" for the Notes as described above, the City hereby designates itself as a "Registrar" for the purpose of maintaining a copy of the Registration Books within the State of Texas.

The Notes shall be printed, lithographed, or engraved or produced in any other similar manner, or typewritten, all as determined and approved by an Authorized Representative.

Notwithstanding anything in this Section or this Ordinance to the contrary, one or more “master” Project Notes, and at least one “master” Project Note (per Series or Subseries, if the Project Notes are Commercial Paper Notes), may be issued to and registered in the name of Cede & Co., as nominee of The Depository Trust Company of New York (“DTC”) in the form required by DTC to establish a book-entry only system for the Project Notes in substantially the form attached hereto (which will include, but is not limited to, a master note relating to each of the Tax Exempt Notes and the Taxable Notes). An Authorized Officer is herein authorized for and on behalf of the City to enter into one or more representation letters with DTC establishing such book-entry only system with respect to the Project Notes.

With respect to Project Notes registered in the name of Cede & Co., as nominee of DTC, the City and the Issuing and Paying Agent shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created (*DTC Participant*) to hold securities to facilitate the clearance and settlement of securities transaction among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Project Notes. Without limiting the immediately preceding sentence, the City, the Board and the Issuing and Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Project Notes, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of the Project Notes, as shown on the Registration Books, of any notice with respect to the Project Notes, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of Project Notes, as shown in the Registration Books of any amount with respect to principal of or interest on the Project Notes. Notwithstanding any other provision of this Ordinance to the contrary, the City, the Board and the Issuing and Paying Agent shall be entitled to treat and consider the person in whose name each Project Note is registered in the Registration Books as the absolute owner of such Project Note for the purpose of payment of principal and interest with respect to such Project Note, for the purpose of registering transfers with respect to such Project Note, and for all other purposes whatsoever. The Issuing and Paying Agent shall pay all principal of and interest on the Project Notes only to or upon the order of the registered owners, as shown in the Registration Books as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City’s obligations with respect to payment of principal of and interest on the Project Notes to the extent of the sum or sums so paid. No person other than a registered owner, as shown in the Registration Books, shall receive a Project Note certificate evidencing the obligation of the City to make payments of principal and interest pursuant to this Ordinance. Upon delivery by DTC to the Issuing and Paying Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the words “Cede & Co.” in this Ordinance shall refer to such new nominee of DTC.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the City to DTC or that it is in the best interest of the beneficial owners of the Project Notes that they be able to obtain certificated Project Notes, the City shall (i) appoint a successor securities depository, qualified to act as such

under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Project Notes to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Project Notes and transfer one or more separate Project Notes to DTC Participants having Project Notes credited to their DTC accounts. In such event, the Project Notes shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names registered owners transferring or exchanging Project Notes shall designate, in accordance with the provisions of this Ordinance.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Project Note is registered in the name of Cede & Co., as nominee for DTC, all payments with respect to principal of and interest on such Project Note and all notices with respect to such Project Note shall be made and given, respectively, in the manner provided in the representation letter of the City to DTC.

Obligations now outstanding and hereafter issued by City. The City has covenanted in the Ordinance to maintain at all times while the Bond Anticipation Notes remain outstanding the Credit Agreement or a similar Credit Agreement having substantially the same terms and provisions in an amount such that, assuming that this Bond Anticipation Note and all other then outstanding Bond Anticipation Notes were to become due and payable immediately, the amount available for borrowing under such Credit Agreement, together with other lawfully available money of the City held in the Funds established by the Ordinance, will be sufficient at that time to pay the principal of and interest on this Bond Anticipation Note and all other Bond Anticipation Notes secured by such Credit Agreement. Under the terms of the Credit Agreement, borrowings thereunder to provide payment for the Bond Anticipation Notes may be subject to certain conditions precedent to the exercise of such borrowings, including, but not limited to, there not having occurred an "Event of Bankruptcy" as defined in the Credit Agreement.

This Bond Anticipation Note, together with the other Notes, is payable solely from the sources hereinabove identified securing the payment thereof. The Notes do not constitute a legal or equitable pledge, charge, lien, or encumbrance upon any property of City or the Systems, except with respect to the Net Revenues as described above, and the Holder hereof shall never have the right to demand payment of this obligation from any sources or properties of City except as identified above.

The Ordinance reserves the right and permits the issuance of Systems Revenue Priority Obligations while the Notes are outstanding and the issuance of additional Notes and Short Term Obligations payable from the same sources, or any portion of such sources, securing the payment of the Notes and equally and ratably secured by a parity lien on and pledge of such sources, or any portion thereof, without any limitation as to principal amount but subject to any terms, conditions, and limitations as may be applicable thereto.

Reference is hereby made to the Ordinance, a copy of which may be obtained upon request to the City, and to all of the terms and provisions the Holder hereof by acceptance of this Bond Anticipation Note hereby assents, including, but not limited to, provisions relating to definitions of capitalized terms used herein without definition, the description of and the nature of the security for the Notes, the Net Revenues and other sources pledged to the payment of the Notes, the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders of the Notes, and the right to issue obligations payable from and secured by the Net Revenues.

[Insert Redemption Provisions agreed to and determined by an Authorized Representative at or prior to the time of initial issuance of Bond Anticipation Note]

This Bond Anticipation Note may be transferred only upon the Registration Books maintained by the Registrar under the Ordinance upon surrender thereof at the designated office of the Registrar (who is the Issuing and Paying Agent under the Ordinance) with an assignment duly executed by the registered owner or his duly authorized attorney, but only in the manner, subject to the limitations and upon payment of the charges provided in the Ordinance, and upon surrender and cancellation of this Bond Anticipation Note. Upon any such transfer, there shall be executed in the name of the transferee, and the Registrar shall deliver, a new registered Bond

Anticipation Note or Notes in the same aggregate principal amount and maturity and interest rate of the authorized denominations as the surrendered Bond Anticipation Note.

It is hereby certified and recited that all acts, conditions, and things required by law and the Ordinance to exist, to have happened, and to have been performed precedent to and in the issuance of this Bond Anticipation Note, do exist, have happened, and have been performed in regular and in due time, form and manner as required by law and that the issuance of this Bond Anticipation Note, together with all other Notes, is not in excess of the principal amount of Notes permitted to be issued under the Ordinance.

This Bond Anticipation Note is and has all the qualities and incidents of a negotiable instrument under the laws of the State of Texas.

This Bond Anticipation Note shall not be entitled to any benefit under the Ordinance or be valid or become obligatory for any purpose until this Bond Anticipation Note shall have been authenticated by the execution by the Issuing and Paying Agent of the Certificate of Authentication hereon.

The Notes are payable from and equally secured by (i) a lien on and pledge of the proceeds from (a) the sale of other Notes, (b) the sale of a series or issue of Bonds to be issued by the City subsequent to the Note Date hereof issued for such purpose, and (c) borrowings under and pursuant to the Credit Agreement between the City and the Bank entered into pursuant to Section 2.18 of the Ordinance pursuant to which the Bank has agreed to provide credit to the City under the terms

and conditions set forth therein, which borrowings are to be evidenced by Credit Notes, payable to the order of the Bank and (ii) together with the Credit Notes, a lien on and pledge of the Net Revenues of the Systems, such lien on and pledge of the Net Revenues, however, being junior and subordinate to the lien and pledge thereof securing the payment of Systems Revenue Priority Obligations now outstanding and hereafter issued by the City. The City has covenanted in the Ordinance to maintain at all times while the Variable Rate Notes remain outstanding the Credit Agreement, or a similar Credit Agreement having substantially the same terms and provisions, in an amount such that, assuming that this Variable Rate Note and all other then outstanding Variable Rate Notes, were to become due and payable immediately, whether by virtue of maturity, redemption, puts, or acceleration, the amount available for borrowing under such Credit Agreement, together with other lawfully available money of the City held in the Funds established by the Ordinance, will be sufficient at that time to pay the principal of and interest on this Variable Rate Note and all other Variable Rate Notes secured by such Credit Agreement. This Variable Rate Note, together with the other Notes, is payable solely from the sources hereinabove identified securing the payment thereof. The Notes do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of City or the Systems, except with respect to Net Revenues as described above, and the Holder hereof shall never have the right to demand payment of this obligation from any sources or properties of City except as identified above.

Reference is hereby made to the Ordinance, a copy of which may be obtained upon request to the City, and to all of the terms and provisions the Holder hereof by acceptance of this Variable Rate Note hereby assents, including, but not limited to, provisions relating to the definitions of capitalized terms used herein without definition, the description of and the nature of the security for the Notes, the Net Revenues and other sources pledged to the payment of the Notes, the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders of the Notes, and the right to issue obligations payable from and secured by the Net Revenues.

This Variable Rate Note may be transferred only upon the Registration Books of the Registrar under the Ordinance upon surrender thereof at the designated office of the Issuing and Paying Agent with an assignment duly executed by the registered owner or his duly authorized attorney, but only in the manner, subject to the limitations and upon payment of the charges provided in the Ordinance, and upon surrender and cancellation of this Variable Rate Note. Upon

any such transfer, there shall be executed in the name of the transferee, and the Registrar shall deliver, a new registered note or notes in the same aggregate principal amount and maturity and interest rate of the authorized denominations as the surrendered Variable Rate Note.

SECTION 2.09. EXECUTION - AUTHENTICATION. The Notes shall be executed on behalf of the City by the Mayor under its seal reproduced or impressed thereon and attested by the City Clerk or Assistant City Clerk. The signature of said officers on the Notes may be manual or facsimile. Notes bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the date of passage of this Ordinance shall be deemed to be duly executed on behalf of the City, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of the initial sale and delivery of Notes authorized to be issued hereunder and with respect to Notes delivered in subsequent sales, exchanges, and transfers, all as authorized and provided in the Public Security Procedures Act, Chapter 1201, as amended, Texas Government Code.

No Project Note shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Project Note a certificate of authentication substantially in the applicable form provided in Section 2.07 hereof, executed by the Registrar by manual signature, and such certificate upon any Project Note shall be conclusive evidence, and the only evidence, that such Project Note has been duly certified or registered and delivered.

SECTION 2.10. NOTES MUTILATED, LOST, DESTROYED, OR STOLEN. If any Note shall become mutilated, the City, at the expense of the Holder of said Note, shall execute and deliver a new Note of like tenor and number in exchange and substitution for the Note so mutilated, but only upon surrender to the City of the Note so mutilated. If any Note shall be lost, destroyed, or stolen, evidence of such loss, destruction or theft may be submitted to the City and, if such evidence be satisfactory to it and indemnity satisfactory to it shall be given, the City, at the expense of the owner, shall execute and deliver a new Note of like tenor in lieu of and in substitution for the Note so lost, destroyed, or stolen. Neither the City nor the Issuing and Paying Agent shall be required to treat both the original Note and any duplicate Note as being outstanding for the purpose of determining the principal amount of Notes which may be issued hereunder, but both the original and the duplicate Note shall be treated as one and the same.

SECTION 2.11. NEGOTIABILITY, REGISTRATION, AND EXCHANGEABILITY. The obligations issued hereunder shall be, and shall have all of the qualities and incidents of a negotiable instrument under the laws of the State of Texas, and each successive Holder, in accepting any of the obligations, shall be conclusively deemed to have agreed that such obligations shall be and have all of the qualities and incidents of a negotiable instrument under the laws of the State of Texas.

The Registrar shall obtain, record, and maintain in the Registration Books the name and address of each registered owner of the Project Notes, except for Project Notes registered to bearer, issued under and pursuant to the provisions of this Ordinance. Any Project Note may, in accordance with its terms and the terms hereof, be transferred or exchanged for Project Notes of like tenor and character and of other authorized denominations upon the Registration Books by the Holder in person or by his duly authorized agent, upon surrender of such Project Note to the Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Registrar.

Upon surrender for transfer of any Project Note at the designated office of the Registrar, the Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Project Notes executed on behalf of, and furnished by, the City of like tenor and character and of authorized denominations and having the same maturity, bearing interest at the same rate and of a like aggregate principal amount as the Project Note or Project Notes surrendered for transfer.

Furthermore, Project Notes may be exchanged for other Project Notes of like tenor and character and of authorized denominations and having the same maturity, bearing the same rate of interest and of like aggregate principal amount as the Project Notes surrendered for exchange, upon surrender of the Project Notes to be exchanged at the designated office of the Registrar. Whenever any Project Notes are so surrendered for exchange, the Registrar shall register and deliver new Project Notes of like tenor and character as the Project Notes exchanged, executed on behalf of, and furnished by, the City to the Holder requesting the exchange.

With respect to any Project Note with a maturity of one year or less, the City and the Registrar may charge the Noteholder a sum sufficient to reimburse them for any expenses incurred in making any exchange or transfer after the first such exchange or transfer. The Registrar or the City may also require payment from the Holder of any Project Note surrendered for exchange or transfer of a sum sufficient to cover any tax, fee, or other governmental charge that may be imposed in relation thereto. Such charges and expenses shall be paid before any such new Project Note shall be delivered.

New Project Notes delivered upon any transfer or exchange shall be valid special obligations of the City, evidencing the same debt as the Project Notes surrendered, shall be secured by this Ordinance and shall be entitled to all of the security and benefits hereof to the same extent as the Project Notes surrendered.

The City reserves the right to change the above registration and transferability provisions of the Project Notes at any time on or prior to the delivery thereof in order to comply with applicable laws and regulations of the United States in effect at the time of issuance thereof.

SECTION 2.12. NOTE PAYMENT FUND. The Commercial Paper Ordinance created and established with the Issuing and Paying Agent, and there is now maintained, a separate and special fund designated as the "City of San Antonio, Texas Electric and Gas Systems Note Payment Fund" (the *Note Payment Fund*), which includes the appropriate accounts or subaccounts therein. The prior establishment and the continued maintenance of this fund pursuant to the terms of this Ordinance is hereby confirmed.

Money on deposit in the Note Payment Fund shall be used to pay principal of and interest on Project Notes at the respective interest payment, maturity, or redemption dates of each issue of such Notes as provided herein and the repayment of any borrowings (evidenced by the Credit Notes) under the applicable Credit Agreement; amounts remaining in the Note Payment Fund not then necessary for the purposes thereof may be transferred to the Note Construction Account (created pursuant to Section 2.14 hereof) upon request of an Authorized Representative.

The City hereby authorizes, within the Note Payment Fund and at the direction of an Authorized Representative, the creation and establishment of one or more accounts to provide for one account to relate each Series or Subseries, as applicable, with respect to which the City has entered into a particular Credit Agreement. All proceeds of borrowings under such Credit Agreement shall be deposited into the applicable account of the Note Payment Fund and used to pay the principal of, premium, if any, and interest on the Series or Subseries of Project Notes to which such Credit Agreement relates (and will be unavailable for the payment of the principal of, premium (if any), and interest on any Series or Subseries of Project Notes to which it does not relate).

In the event that any Project Notes are issued as Taxable Notes, the City, at the direction of an Authorized Representative, shall create and establish within the Note Payment Fund one or more accounts, each designated "Taxable Note Payment Account" and to be further designated by Series and Subseries (if necessary or applicable), which account or accounts shall be used to accomplish all matters pertaining to the Notes as identified in this Section 2.11.

Pending the expenditure of money in the Note Payment Fund for authorized purposes, money deposited therein may be invested at the direction of an Authorized Representative in Authorized Investments, except money market mutual funds as described in Subdivision (5) of the definition of Authorized Investments. Any income received from investments in the Note Payment Fund shall be deposited, as received, into the General Account, as hereinafter defined.

SECTION 2.13. PLEDGE OF REVENUES; PAYMENTS. The Notes are special obligations of the City payable from and secured solely by the funds pledged therefor pursuant to this Ordinance. The City agrees to make payments into the Note Payment Fund at such times and in such amounts as are necessary to provide for the full payment of the principal of and the interest on the Notes when due, whether by reason of maturity, redemption, or tender for purchase. Unless paid from Available Revenues, such payments are to be made from the proceeds of Notes, the proceeds from the sale of Bonds, or, with respect to the Project Notes, the proceeds of borrowings under and pursuant to the Agreement.

To provide security for the payment of the principal of and interest on the Notes as the same shall become due and payable, there is hereby pledged, subject only to the provisions of this Ordinance permitting the application thereof for purposes and on the terms and conditions set forth herein, (i) the proceeds from (a) the sale of the Bonds issued for such purpose and (b) the sale of Project Notes issued pursuant to this Ordinance; (ii) borrowings under a Credit Agreement in accordance with its terms; (iii) the amounts held in the Note Payment Fund and the Note Construction Account until the amounts deposited therein are used for authorized purposes; provided, however, that amounts in the Note Payment Fund attributable to and derived from borrowings under and pursuant to a Credit Agreement are pledged to, and shall be used to pay, the principal of, premium, if any, and interest on the Project Notes or Project Notes of the particular Series or Subseries, as applicable, and (iv) the Net Revenues of the Systems, such pledge of Net Revenues, however, being subordinate to the pledge thereof securing the payment of Systems Revenue Priority Obligations, and it is hereby resolved and declared the principal of and interest on the Notes shall be and are hereby equally and ratably secured by and payable from a lien on and pledge of the

sources hereinabove identified in clauses (i), (ii), (iii) and (iv) subject and subordinate only to the exceptions noted therein.

Money in all funds and accounts described above, to the extent not invested as permitted hereunder, shall be secured in the manner prescribed by law for securing funds of the City. Chapter 1208, as amended, Texas Government Code, applies to the incurrence of Debt under this Ordinance and the pledge of the Net Revenues granted by the City under this section, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while such Debt remains outstanding, the result of which being that the pledge of the Net Revenues granted by the City hereunder is to be subject to the filing requirements of Chapter 9, as amended, Texas Business and Commerce Code, then in order to preserve to the registered owners of Debt incurred under this Ordinance the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, as amended, Business and Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

SECTION 2.14. APPLICATION OF PRIOR COVENANTS - AVAILABLE REVENUES. The covenants and agreements (to the extent the same are not inconsistent herewith) contained in the Bond Ordinance are hereby incorporated herein and shall be deemed to be for the benefit and protection of the Notes and the Holders thereof in like manner as applicable to the Systems Revenue Priority Obligations; provided, however, that in the event of any conflict between the terms, covenants, and agreements contained herein and the terms, covenants, and agreements contained in the Bond Ordinance, the provisions of the Bond Ordinance shall control over the provisions hereof.

In accordance with the provisions of the New Series Bond Ordinance, the Notes and the Agreement (and any other Credit Agreement entered into with respect to the Project Notes) represent obligations which are subordinate to the Systems Revenue Priority Obligations. As provided in Section 4.04 of this Ordinance, the term "Available Revenues" as used in this Ordinance means the Net Revenues remaining in the "City of San Antonio Electric and Gas Systems General Account", after paying the principal of and interest on the New Series Bonds and any other Bonds secured by a lien on the Net Revenues prior to the lien on the Net Revenues securing the Notes (including the Junior Lien Obligations) as provided in Section 4.12 (*Prior Lien Bonds*) and the reserves established to secure the payment of the Prior Lien Bonds, and the Credit Agreements (and obligations arising thereunder) that are from time to time entered into by the City in connection with or relating to a series of Prior Lien Bonds. The Available Revenues shall be deposited into the Note Payment Fund from time to time in amounts necessary to pay the principal of and/or interest on the Notes to the extent not paid from the proceeds of Notes or Bonds or, with respect to the Project Notes, from the proceeds of borrowings under an Agreement.

This Ordinance shall be effective upon the effective date provided in Section 6.10 hereof; provided, however, that the Debt incurred and remaining outstanding under the Commercial Paper Ordinance shall be considered within the authorization of Section 2.01 of this Ordinance and the covenants in Section 4.02(c) of this Ordinance until the such Debt is paid and finally retired, and any conflict relating to that Debt or the rights of the Holders or owners thereof between the

Commercial Paper Ordinance and this Ordinance until such time shall be construed in favor of the terms, covenants, and agreements of the Commercial Paper Ordinance.

SECTION 2.15. NOTE CONSTRUCTION ACCOUNT. The Commercial Paper Ordinance created and established, and there is now maintained, a separate account hereby designated as the "City of San Antonio, Texas Electric and Gas Systems Note Construction Account" (the *Note Construction Account*), which includes the appropriate accounts or subaccounts therein. The prior establishment and the continued maintenance of this account pursuant to the terms of this Ordinance is hereby confirmed.

Money deposited in the Note Construction Account shall remain therein until from time to time expended for the purposes specified in Section 3.02 hereof, and shall not be used for any other purposes whatsoever, except for temporary investment thereof as provided in Section 3.02 hereof.

In the event proceeds of Project Notes are deposited in the Note Construction Account in order to renew, refinance or refund Systems Revenue Obligations as permitted by Section 2.01 hereof and such Systems Revenue Obligations will not be redeemed simultaneously with the issuance of such Project Notes, the City will utilize the proceeds of such Project Notes, when combined with other available funds of the City, if any, in an amount sufficient, without reinvestment, to provide for the payment on the redemption date or dates of any such Systems Revenue Obligations, which shall result in the making of firm banking and financial arrangements for such payment in the manner required by Chapter 1207, as amended, Texas Government Code. Any such Systems Revenue Obligations which are to be redeemed prior to scheduled maturity shall be selected for redemption by the City Council by recommendation of the Board.

Any money remaining in the Note Construction Account and not necessary for the payment of Project Costs or the purpose described in the preceding paragraph shall be paid into the Note Payment Fund and used for the payment of such maturities of the Project Notes coming due at such times as may be selected by an Authorized Representative or the pro rata payment of the Credit Notes, as the case may be and, provided that there is then in effect multiple Credit Agreements and has been issued multiple Series and Subseries of Project Notes, such amounts will be used to pay all Credit Notes arising under the Credit Agreement or Credit Agreements, respectively, relating to the Series and Subseries of Project Notes from which such remaining proceeds were originally derived. In the event no Project Notes are outstanding and there are no amounts owed on the Credit Notes, any amounts in the Note Construction Account not anticipated to be needed to pay Project Costs shall be transferred to the Parity Bond Retirement Account established by the New Series Bond Ordinance or the debt service fund to be established for the payment of the Bonds; when issued for the purpose of refunding the Project Notes from which such proceeds were derived.

The City hereby authorizes, within the Note Construction Account and at the direction of an Authorized Representative, the creation and establishment of one or more subaccounts to provide for one subaccount to relate each Series and Subseries, as applicable, with respect to which the City has entered into a particular Credit Agreement and into which proceeds of Project Notes from such Series and Subseries are to be deposited. In addition, and in the event that any Project Notes are issued as Taxable Notes, the City, at the direction of an Authorized Representative, shall

create and establish within the Note Construction Account one or more subaccounts, each designated "Taxable Note Construction Subaccount" and as further designated by Series and Subseries, which subaccount or subaccounts shall be used to deposit and hold proceeds of a particular Series and Subseries of Project Notes issued as Taxable Notes.

SECTION 2.16. CANCELLATION. All Project Notes which at maturity are surrendered to the Issuing and Paying Agent for the collection of the principal thereof and interest thereon or are surrendered for transfer or exchange pursuant to the provisions hereof shall, upon payment or issuance of new Project Notes, be cancelled by the Issuing and Paying Agent and forthwith transmitted to the City, acting by and through the Board, and the Board shall, thereafter, have the custody and control thereof.

SECTION 2.17. FISCAL AND OTHER AGENTS. In furtherance of the purposes of this Ordinance, the Board may from time to time appoint and provide for the payment of such additional fiscal, paying, or other agents or trustees as it may deem necessary or appropriate in connection with the Notes.

SECTION 2.18. INITIAL CREDIT AGREEMENTS. Each Agreement, a substantially final form of which is attached hereto as Exhibit A, is hereby approved. The form of Credit Note contained in each Agreement is also hereby approved, including the interest rates to be determined as set forth therein. Any Authorized Representative is hereby authorized, as the act and deed of the City, to execute each Agreement. The City hereby finds that each Agreement is a Credit Agreement hereunder relating, respectively, to the Series and Subseries of Project Notes identified therein. The Mayor and City Clerk or Assistant City Clerk are hereby authorized and directed to execute and deliver the Credit Notes and any other documents called for under each Agreement, and the City Clerk or Assistant City Clerk is authorized to place the City seal on such instruments. The payment of the respective fees identified in each Fee Letter and the other costs, expenses, and taxes described in each Agreement, as well as the timing of such payments, is hereby authorized from funds lawfully available to the Board for the payment thereof. When required, any "request for extension" (or other document having similar effect, in accordance with the terms of the applicable Agreement) shall be delivered to each Rating Agency simultaneously with the delivery to the Bank, and the City will promptly provide to each Rating Agency a copy of any "notice of extension" (or other document having similar effect, in accordance with the terms of the applicable Agreement) it receives or notice that no extension was given.

The Board is hereby authorized to enter into any agreement supplemental to an Agreement with the applicable Bank, as an Authorized Representative may deem appropriate. An Authorized Representative may agree with the Bank and the Board, to add additional banking institutions as a Bank under such Agreement; provided, however, that such action shall not cause the then existing rating by each Rating Agency of the Project Notes of the applicable Series and Subseries, if any, to be reduced, as evidenced by a letter from the respective Rating Agency confirming the rating of such Project Notes of the applicable Series and Subseries prior to such action.

SECTION 2.19. RESERVATION OF RIGHT TO ENTER INTO CERTAIN CREDIT AGREEMENTS. The City reserves the right and hereby authorizes each Authorized Representative to enter into Credit Agreements, as extended or in substitution for any Agreement

or in addition thereto (whether effectuated prior to the date of this Ordinance's adoption or prospectively), in conjunction with the issuance, payment, sale, resale or exchange of Notes (and which may be on a parity with the Notes) when determined to be advantageous to or desirable by the City, at the request of the Board, subject to the following conditions:

- (a) each Credit Agreement must be in substantially the same form as those approved pursuant to the terms of this Ordinance and attached hereto as Exhibit A;
- (b) the maximum amount of liquidity provided pursuant to the terms of any Credit Agreement shall not exceed the Program Capacity (measured as the maximum aggregate principal amount at any one time outstanding plus interest thereon at the Maximum Interest Rate for a period not more than 270 days);
- (c) the maximum interest rate borne by any obligations owed pursuant to the terms of any Credit Agreement shall not exceed the Maximum Interest Rate;
- (d) the maximum term of any Credit Agreement shall not exceed the Maximum Maturity Date;
- (e) a determination by an Authorized Representative that entering into any such Credit Agreement shall not result in default or breach of covenants relating to the Program (including the terms of outstanding obligations or any then-existing Credit Agreement that remains in effect after the effectiveness of the new or extended Credit Agreement) and that entering into the subject Credit Agreement complies with applicable law; and
- (f) evidence from each Rating Agency then providing a rating on the Series and Subseries of Notes to which such Credit Agreement relates and that were outstanding before and after the effective date of such extension, substitution, or addition, that the existing rating on such Series and Subseries of Notes is not impacted by such extension, substitution, or addition.

ARTICLE III ISSUE AND SALE OF NOTES

SECTION 3.01. ISSUANCE AND SALE OF NOTES. (a) The Notes shall be completed and delivered by the Issuing and Paying Agent in accordance with telephonic, electronic, or written instructions of any Authorized Representative and in the manner specified in the Issuing and Paying Agency Agreement and below. To the extent such instructions are not written, they shall be confirmed in writing within 24 hours. Said instructions shall specify such principal amounts, dates of issue, maturities, rates of discount or interest, Series and Subseries of Note, if applicable, and its description as "taxable" or "tax-exempt", and other terms and conditions which are hereby authorized and permitted to be fixed by any Authorized Representative at the time of sale of the Notes. Such instructions shall include the purchase price of the Notes, and a request that the Issuing and Paying Agent authenticate such Notes by counter-signature of its authorized officer or employee and deliver them to the named purchaser or purchasers thereof (or, in the case of Notes issued in book-entry form, to The Depository Trust Company of New York or its authorized agent) upon receipt of payment in accordance with the custom then prevailing in the New York financial

market in regard to such Notes. Such instructions shall also specify the amounts of the proceeds of such issue of Notes which are to be deposited to the Note Payment Fund and to the Note Construction Account (and any further deposit to an account or subaccount therein, as applicable). Such instructions shall also contain provisions representing that all action on the part of the City necessary for the valid issuance of the Notes then to be issued, has been taken, that all provisions of Texas and federal law necessary for the valid issuance of such Notes, with provision for original issue discount and interest exemption from federal income taxation with respect to the Notes other than Taxable Notes, have been complied with, and that such Notes in the hands of the Holders thereof will be valid and enforceable obligations of the City according to their terms, subject to the exercise of judicial discretion in accordance with general principles of sovereign immunity and of equity and bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that, based upon the advice of Co-Bond Counsel, the earned original issue discount on the Notes other than Taxable Notes or stated interest on the Notes other than Taxable Notes, as the case may be, will be excluded from the gross income of the Holders for federal income tax purposes. Such instructions shall also certify that:

(i) no Event of Default under Section 5.01 of this Ordinance has occurred and is continuing as of the date of such Certificate and that the Issuing and Paying Agent has not received a no-issuance notice or similar notice under a Credit Agreement then in effect and so applicable, relating to a Series and Subseries of Notes then to be issued;

(ii) other than Section 4.08 with respect to Taxable Notes, the City is in compliance with the covenants set forth in Article IV hereof as of the date of such instructions; and

(b) A Credit Note payable to a Bank under a related Credit Agreement shall have been delivered to such Bank and thereafter indebtedness may be incurred thereunder in accordance with the terms of such Credit Agreement.

(c) No Bond Anticipation Notes or Variable Rate Notes may be issued if any Commercial Paper Notes will remain outstanding following the issuance of such Bond Anticipation Notes or Variable Rate Notes. No Bond Anticipation Notes or Commercial Paper Notes may be issued if any Variable Rate Notes will remain outstanding following the issuance of such Bond Anticipation Notes or Commercial Paper Notes. No Commercial Paper Notes or Variable Rate Notes may be issued if any Bond Anticipation Notes will remain outstanding following the issuance of such Commercial Paper Notes or Variable Rate Notes. Variable Rate Notes, as applicable, and the Credit Notes in connection therewith, to the Attorney General of Texas for approval, if, in the opinion of Co-Bond Counsel, such approval is required by the Act.

(ii) Proceeds not deposited into the Note Payment Fund as provided in subparagraph (i) above shall be deposited to the Note Construction Account (and, if necessary or required, further deposited to a subaccount of such Account) and used and applied in accordance with the provisions of Section 2.14 hereof to pay Project Costs for Eligible Projects or to otherwise accomplish the purposes permitted by this Ordinance.

Pending expenditure for the foregoing purposes, proceeds from the sale of Project Notes may be invested in Authorized Investments. ARTICLE IV COVENANTS OF THE CITY

SECTION 4.01. LIMITATION ON ISSUANCE. Unless this Ordinance is amended and modified by the City Council and in accordance with the provisions of Section 6.01 hereof, the City covenants that there will not be issued and outstanding at any time more than \$1,000,000,000 in principal amount of Project Notes; subject, however, to the provision below regarding the Available Commitment. For purposes of this Section 4.01 any portion of outstanding Project Notes to be paid on the day of calculation from money on deposit in the Note Payment Fund and the proceeds of Notes, Short Term Obligations or Bonds shall not be considered outstanding.

Additionally, the City covenants and agrees that the total principal amount of all Project Notes (of a particular Series or Subseries if such Project Notes are issued by Series or Subseries of Commercial Paper Notes) outstanding at any one time shall not exceed the sum total of the Available Commitment relative to such Project Notes (or Series or Subseries if such Project Notes are issued as Commercial Paper Notes by Series or Subseries).

SECTION 4.02. RATES AND CHARGES. The City hereby agrees and reaffirms its covenants to the Holders of the Parity Bonds and covenants to the Holders of the Notes that it will at all times maintain rates and charges for the sale of electric energy, gas, or other services furnished, provided, and supplied by the Systems to the City and all other consumers which shall be reasonable and non-discriminatory and which will produce income and revenues sufficient to pay:

(a) All Maintenance and Operating Expenses, depreciation, replacement and betterment expenses and other costs as may be required by law (Chapter 1502, as amended, Texas Government Code).

(b) The interest on and principal of all Systems Revenue Priority Obligations, as and when the same shall become due, and provide for the establishment and maintenance of the Funds and Accounts created for the payment and security of the New Series Bonds.

(c) To the extent the same are reasonably anticipated to be paid with Available Revenues, the interest on and principal of all Notes and amounts due under any Credit Agreement, as and when the same shall become due.

(d) Any other Debt or obligation of the Systems, as and when the same shall become due.

SECTION 4.03. GENERAL ACCOUNT. The City, acting through the Board of Trustees, hereby reaffirms its covenant to Holders of the Systems Revenue Priority Obligations and hereby covenants with respect to the Holders of the Notes, that all revenues of every nature received through the operation of the Systems shall be deposited as received in the "City of San Antonio Electric and Gas Systems General Account" (hereinafter referred to as *General Account*), which shall be kept separate and apart from all other funds of the City. Revenues received for the General Account shall be deposited from time to time as received in such bank or banks as may be selected by the Board in accordance with applicable laws relating to the selection of City depositories.

SECTION 4.04. FLOW OF FUNDS. The City, acting by and through the Board, hereby agrees and reaffirms its covenant to the Holders of the Systems Revenue Priority Obligations and covenants to the Holders of the Notes that funds in the General Account shall be pledged and appropriated to the following uses and in the order of precedence shown:

FIRST: To the payment of reasonable and proper Maintenance and Operating Expenses upon approval by the Board.

SECOND: To the payment of New Series Bonds, including the establishment and maintenance of the reserve therefor.

THIRD: To the payment of Prior Lien Bonds, if any, including the establishment and maintenance of a reserve therefor.

FOURTH: To the payment and security of the Notes and any obligations owing to a Bank under a Credit Agreement.

FIFTH: To the payment and security of obligations hereinafter issued which are inferior in lien to the Systems Revenue Priority Obligations and the Notes (being the Inferior Lien Obligations).

SIXTH: To the payment of an annual amount equal to six percent (6%) of the gross revenues of the Systems to be deposited in the Repair and Replacement Account, provided for in the New Series Bond Ordinance.

SEVENTH: To the payment of the annual amount due the General Fund of the City, as provided in the New Series Bond Ordinance; and

EIGHTH: Any remaining Net Revenues of the Systems in the General Account, to the Repair and Replacement Account, in accordance with the New Series Bond Ordinance.

SECTION 4.05. MAINTENANCE OF AVAILABLE CREDIT AGREEMENT REQUIREMENT. The City agrees and covenants that at all times it will maintain Credit Agreements with banks or other financial institutions in amounts such that, assuming that all then outstanding Project Notes (of a particular Series and Subseries if such Project Notes are issued as Commercial Paper Notes by Series and Subseries) were to become due and payable immediately, the amount available for borrowing under the Credit Agreement or Agreements applicable to such Project Notes (or Project Notes of such Series and Subseries if such Project Notes are issued as Commercial Paper Notes) would be sufficient at that time to pay (i) principal of all Project Notes (or Project Notes of such Series and Subseries if such Project Notes are issued as Commercial Paper Notes) and (ii) to the extent Project Notes are in the form of Bond Anticipation Notes or Variable Rate Notes, interest on the Project Notes for such period as required by the Rating Agencies as a condition to the issuance of a rating acceptable to an Authorized Representative. No Project Note shall be issued if, after giving effect to the issuance thereof and, if applicable, the immediate application of the proceeds thereof to retire other Project Notes (or Project Notes of such Series and Subseries if such Project Notes are issued as Commercial Paper Notes) secured by a Credit Agreement, the aggregate principal amount of all Project Notes (or Project Notes of such Series and Subseries if such Project Notes are issued as Commercial Paper Notes) secured by a Credit Agreement and interest thereon, if applicable in the case of Bond Anticipation Notes and Variable Rate Notes, would exceed the Available Commitment or the maturity or put dates thereof would exceed the term of the Credit Agreement. The availability for borrowing of such amounts under the Credit Agreements may be subject to reasonable conditions precedent, including but not limited to, bankruptcy of the City. In furtherance of the foregoing covenant, the City agrees that it will not issue any Project Notes (or Project Notes of such Series and Subseries if such Project Notes are issued as Commercial Paper Notes) or make any borrowings which will result in a violation of such covenant, will not amend any Credit Agreement in a manner which will cause a violation of such covenant, and, if and to the extent necessary to maintain compliance with such covenant, will arrange for new credit facilities prior to, or contemporaneously with, the expiration of a then-effective Credit Agreement.

SECTION 4.06. BONDS. To the extent necessary or required, the City in good faith shall endeavor to sell a sufficient principal amount of the Bonds in order to have funds available, together with other money available therefor, to pay the Notes and the interest thereon, or any renewals thereof, as the same shall become due.

SECTION 4.07. PUNCTUAL PAYMENT. The City will punctually pay or cause to be paid the principal of and interest, if any, on the Notes (but only from the funds pledged herein and Available Revenues), in conformity with the Notes, this Ordinance, and the Agreement.

SECTION 4.08. PROJECT NOTES, OTHER THAN TAXABLE NOTES, TO REMAIN TAX-EXEMPT. The City covenants that it will execute and deliver to the Issuing and Paying Agent a Certificate as to Tax Exemption in the form prescribed by Co-Bond Counsel in connection with the first issuance of the Project Notes other than Taxable Notes (the *Tax-Exempt Project Notes*), and that in connection with each subsequent issuance of the Tax Exempt Project Notes, it will execute and deliver to the Issuing and Paying Agent a confirmation that the facts, estimates, circumstances, and reasonable expectations contained therein continue to be accurate as of such issue date. The City represents and covenants that it will not expend, or permit to be expended,

the proceeds of any Tax-Exempt Project Notes in any manner inconsistent with its reasonable expectations as certified in the applicable Certificate as to Tax Exemption to be executed from time to time with respect to the Tax-Exempt Project Notes; provided, however, that the City may expend Tax-Exempt Project Note proceeds in any manner if the City first obtains an unqualified opinion of Co-Bond Counsel that such expenditure will not impair the exemption from federal income taxes of interest paid on the Tax-Exempt Project Notes. The City represents that it has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that it is an issuer who arbitrage certifications may not be relied upon.

In addition to the above covenants, the City covenants to take any action to maintain, or refrain from any action which would adversely affect, the treatment of the Tax Exempt Project Notes as obligations described in section 103 of the Internal Revenue Code of 1986 (the *Code*), the interest on which is not includable in the "gross income" of the Holder for purposes of federal income taxation. In furtherance thereof, the City specifically covenants as follows:

(a) To take any action to assure that no more than 10% of the proceeds of the Tax Exempt Project Notes are used for any "private business use," as defined in section 141(b)(6) of the Code, or, if more than 10% of the proceeds are so used, that amounts, whether or not received by the City with respect to such private business use, do not under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10% of the debt service on the Tax Exempt Project Notes, in contravention of section 141(b)(2) of the Code;

(b) To take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5% of the proceeds of the Tax-Exempt Project Notes, then the amount in excess of 5% is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(c) To take any action to assure that no amount which is greater than the lesser of \$5,000,000 or 5% of the proceeds of the Tax-Exempt Project Notes is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(d) To assure that the aggregate "nonqualified amount" with respect to output facilities shall not exceed the \$15,000,000 limitation of section 141(b)(4) of the Code;

(e) To refrain from taking any action which would otherwise result in the Tax-Exempt Project Notes being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(f) To refrain from taking any action that would result in the Tax-Exempt Project Notes being "federally guaranteed" within the meaning of section 149(b) of the Code;

(g) To refrain from using any portion of the proceeds of the Tax-Exempt Project Notes, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which would produce a

materially higher yield over the term of the Tax-Exempt Project Notes, other than investment property acquired with –

- (1) proceeds of the Tax-Exempt Project Notes invested for a reasonable temporary period of three years or less until such proceeds are needed for the purpose for which the bonds are issued,
 - (2) amounts invested in a bona fide debt service fund, within the meaning of section 1.103 - 13 (b) (12) of the Treasury Regulations, and
 - (3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10% of the proceeds of the Tax-Exempt Project Notes;
- (h) To otherwise restrict the use of the proceeds of the Tax-Exempt Project Notes, or amounts treated as proceeds of the Tax-Exempt Project Notes, as may be necessary, so that the Tax-Exempt Project Notes do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings);
- (i) To pay to the United States of America at least once during each five year period (beginning on the date of delivery of the Tax-Exempt Project Notes) an amount that is at least equal to 90% of the "Excess Earnings," within the meaning of section 148(f) of the Code, and to pay to the United States of America, not later than 60 days after the Tax-Exempt Project Notes have been paid in full, 100% of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code; and
- (j) To maintain such records as will enable the City to fulfill its responsibilities under this Section and section 148 of the Code and to retain such records for at least six years following the final payment of principal and interest on the Tax-Exempt Project Notes.

For purposes of the foregoing subparagraphs (a) and (b), the City understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Tax-Exempt Project Notes. It is the understanding of the City that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of Treasury pursuant thereto. In the event that the regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Tax-Exempt Project Notes, the City will not be required to comply with any covenant contained herein to the extent that such modification or expansion, in the opinion of Co-Bond Counsel, will not adversely affect the exemption of interest on the Tax-Exempt Project Notes under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Tax-Exempt Project Notes, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of Co-Bond Counsel, to preserve the exemption from federal income taxation of interest on the Tax-Exempt Project Notes under section 103 of the Code.

SECTION 4.09. TAXABLE NOTES. (a) The provisions of Section 4.08 of this Ordinance notwithstanding, the Board reserves the ability to issue Taxable Notes in the Form of Taxable Notes set forth in Section 2.07(B).

(b) It is the intention of the Board that the interest on the Taxable Notes not be excludable from gross income for federal income tax purposes under section 103 of the Code.

(c) The Board covenants and agrees to cause the Issuing and Paying Agent to undertake to report, to the extent required by the Code, interest payments on the Taxable Notes to the Internal Revenue Service. Such information shall be filed by the Issuing and Paying Agent on the form published by the Internal Revenue Service for this purpose and contain the information required by the Code.

(d) The Board covenants and agrees to cause the Issuing and Paying Agent to obtain or cause to be obtained from the holder of each of the Taxable Notes the information required by Code relating to the correct social security number or other taxpayer identification number for the holder of each of the Taxable Notes or to withhold the portion of the payment required to be withheld under the Code.

SECTION 4.10. ALLOCATION OF, AND LIMITATION ON, EXPENDITURES FOR THE PROJECT. The City covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purpose for which the Tax-Exempt Project Notes are issued on its books and records in accordance with the regulations under section 148 of the Code.

SECTION 4.11. DISPOSITION OF PROJECT. The City covenants that the property financed with the Tax-Exempt Project Notes will not be sold or otherwise disposed in a transaction resulting in the receipt by the City or the Board of cash or other compensation, unless the City obtains an opinion of Co-Bond Counsel that such sale or other disposition will not adversely affect the tax exempt status of the Tax-Exempt Project Notes. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the City shall not be obligated to comply with this covenant if it obtains an opinion of Co-Bond Counsel that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

SECTION 4.12. SUPPLEMENTAL ORDINANCES. Other than as permitted herein with respect to the issuance of additional obligations of the City secured by the Net Revenues of the Systems, the City will not adopt any supplemental ordinances, pursuant to the Bond Ordinance or otherwise, without, to the extent required by any Credit Agreement at such time valid and in effect, the consent of the Bank thereunder, or which would materially adversely affect the ability of the City to make payments on the Notes when due.

SECTION 4.13. OPINION OF CO-BOND COUNSEL. The City shall cause the legal opinion of Co-Bond Counsel as to the validity of the Project Notes and as to the exclusion of interest on the Tax Exempt Project Notes from the gross income of the Noteholders for purposes of federal

income taxation to be furnished to any Holder of a Project Note and/or Tax Exempt Project Note, as applicable, without cost.

SECTION 4.14. COMPLIANCE WITH BOND ORDINANCE AND OTHER DOCUMENTS.

The City will comply with the terms and provisions of the Bond Ordinance, and any other ordinance or contract to which the City is a party, the non-compliance with which would materially adversely affect the ability of the City to make payments on the Notes when due.

SECTION 4.15. RESERVATION OF RIGHT TO ISSUE NEW SERIES BONDS, BONDS OF SUPERIOR OR INFERIOR LIEN AND SHORT TERM OBLIGATIONS.

The City hereby expressly reserves the right to hereafter issue New Series Bonds, in accordance with the provisions of the New Series Bond Ordinance, Junior Lien Obligations, in accordance with the provisions of the City ordinances authorizing the issuance of the Previously Issued Junior Lien Obligations, and other Prior Lien Bonds payable from and secured by a lien on and pledge of the Net Revenues of the Systems prior in right and claim to the lien on and pledge of the Net Revenues securing the payment of Debt incurred under this Ordinance. Additionally, the City expressly reserves the right to hereafter issue Short Term Obligations when and as the City Council shall determine and authorize without any limitation as to principal amount or otherwise, which Short Term Obligations may be equally and ratably payable from and secured by a lien on and pledge of the Net Revenues of the Systems of equal rank and dignity with the lien and pledge securing the payment of Debt incurred under this Ordinance. The City also retains the right to issue Bonds or other evidences of indebtedness or to incur contractual obligations secured by a lien on and pledge of the Net Revenues of the Systems subordinate and inferior to the lien thereof and pledge thereon securing the Notes, including Additional Interior Lien Obligations.

ARTICLE V

SECTION 5.01. EVENTS OF DEFAULT. If one or more of the following events (*Events of Default*) shall happen, that is to say:

(a) if default shall be made in the due and punctual payment of any installment of principal of any Project Note when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if the City shall fail to make due and punctual payment of any installment of interest on any Project Note when and as such interest installment shall become due and payable and such failure shall continue for five Business Days;

(c) if the Bank has delivered to the Issuing and Paying Agent notice of an "Event of Default" under a Credit Agreement that would permit the principal of any Credit Note (and interest accrued thereon) to be declared due and payable prior to the maturity thereof under the Credit Note and such Credit Agreement;

(d) if default shall be made by the City in the performance or observance of any other of the covenants, agreements or conditions on its part in this Ordinance or in the Project Notes

contained, and such default shall continue for a period of 60 days after written notice thereof to the City by the Holders of not less than 10% in principal amounts of the Project Notes then outstanding;

(e) if the Holder of any Systems Revenue Priority Obligation at the time outstanding exercises a right under such Systems Revenue Priority Obligation or the proceedings or documentation under which such Systems Revenue Priority Obligation was issued or incurred to declare the principal thereof (and interest accrued thereon) to be payable prior to the stated maturity thereof;

(f) if there shall occur the dissolution (without a successor being named to assume the rights and obligations) or liquidation of the City or the filing by the City of a voluntary petition in bankruptcy, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of its creditors, or the entry by the City into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceeding for its reorganization instituted under the provisions of the federal Bankruptcy Code, as amended, or under any similar act in any jurisdiction which may now be in effect or hereafter enacted; or

(g) if an order or decree shall be entered, with the consent or acquiescence of the City, appointing a receiver or receivers of the Systems, or any part thereof, or of the rents, fees, charges or other revenues therefrom, or if such order or decree, having been entered without the consent or acquiescence of the City shall not be vacated or discharged or stayed within 90 days after the entry thereof; then and in every such event, any Holder of any Project Note at the time outstanding may, by notice to the City, declare the principal of such Holder's Project Notes, and the interest accrued thereon, to be due and payable immediately, whereupon the same shall become and shall be immediately due and payable, anything in this Ordinance or in the Project Notes contained to the contrary notwithstanding.

SECTION 5.02. SUITS AT LAW OR IN EQUITY AND MANDAMUS. In case one or more Events of Default shall occur, then and in every such case the Holder of any Note at the time outstanding and any Bank shall be entitled to proceed to protect and enforce such party's rights by such appropriate judicial proceeding as such party shall deem most effectual to protect and enforce any such right, either by suit in equity or by action at law, whether for the specific performance of any covenant or agreement contained in this Ordinance, or in aid of the exercise of any power granted in this Ordinance, or to enforce any other legal or equitable right vested in the Holders of Notes and any Bank by this Ordinance or the Notes or by law. The provisions of this Ordinance shall be a contract with each and every Holder of Notes and all Banks and the duties of the City shall be enforceable by any Holder and/or Bank by mandamus or other appropriate suit, action, or proceeding in any court of competent jurisdiction.

SECTION 5.03. REMEDIES NOT EXCLUSIVE. No remedy herein conferred upon or reserved to the Holders of Notes or any Bank is intended to be exclusive of any other remedy, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised

at any time or from time to time, and as often as may be necessary, by the Holder of any one or more of the Notes or any Bank as described in the applicable Credit Agreement.

ARTICLE VI MISCELLANEOUS

SECTION 6.01. AMENDMENTS OR MODIFICATIONS. (a) This Ordinance and the rights and obligations of the City and of the Holders of Notes may be modified or amended at any time by a supplemental ordinance, without notice to or the consent of any Noteholders, but only to the extent permitted by law, and, subject to the rights of the Holders of the Notes, only for any one or more of the following purposes:

- (1) to add to the covenants and agreements of the City in this Ordinance contained, other covenants and agreements thereafter to be observed, or to surrender any right or power herein reserved to or conferred upon the City; or
- (2) to cure any ambiguity, or to cure or correct any defective provision contained in the Ordinance, upon receipt by the City of an approving opinion of Co-Bond Counsel selected by the City, that the same is needed for such purpose, and will more clearly express the intent of this Ordinance; or

- (5) to make any changes or amendments with respect to Project Notes in a particular form if there are no Project Notes then outstanding in such form; provided, however, that nothing herein contained shall permit or be construed to permit the amendment of the terms and conditions of this Ordinance or in the Notes so as to:
 - (1) make any change in the maturity of any of the outstanding Project Notes;
 - (2) reduce the rate of interest borne by any of the outstanding Project Notes;
 - (3) Reduce the amount of the principal payable on any of the outstanding Project Notes;

(7) reduce or restrict the pledge made herein (Section 2.12) for payment of the Project Notes.

and provided, further, that no change, modification or amendment shall be made in the Ordinance or become valid and effective without the approval of such charge, modification or amendment by the Attorney General of the State of Texas, if, in the opinion of Co-Bond Counsel, such approval is required by applicable law and, to the extent required by any Credit Agreement then in effect, without the consent of the Bank thereunder.

(b) An Authorized Representative may approve technical changes to this Ordinance for such purposes as such Authorized Representative deems necessary, including, but not limited to obtaining or continuing a credit rating from the Rating Agencies or obtaining approval of this Ordinance by the Attorney General of Texas; provided, however, that such changes, in the opinion of Co-Bond Counsel, shall not materially affect the security for the Notes or the intent and purpose of the City Council in adopting this Ordinance.

SECTION 6.02. ADDITIONAL ACTIONS. The Mayor, the City Clerk, the Assistant City Clerk, any Authorized Representative, and the other officers of the City and the Board are hereby authorized and directed, jointly and severally, to do any and all things necessary and to execute and deliver any and all documents (which include effectuation of any new Credit Agreement or extension of an existing Credit Agreement, Dealer Agreement, Offering Memorandum, Issuing and Paying Agency Agreement, and any additional documents related thereto), which they may deem necessary or advisable in order to consummate the issuance, sale and delivery of the Notes and agreements related thereto, and to otherwise engage in any action to effectuate the purposes of this Ordinance. Each Authorized Representative is further authorized to select the qualified counterparties, or substitutions thereto, to the foregoing, execute any related necessary agreements or programmatic documentation, and implement the services set forth therein. Specifically, by the adoption of this Ordinance, the City Council hereby authorizes the payment of the fees and expenses incurred and to be paid by the Board in connection with the issuance, sale, and delivery of the Notes and the execution and delivery of each Credit Agreement, Dealer Agreement, Issuing and Paying Agency Agreement, Fee Letter, and any additional agreements related to the Notes, as well as amendments to each of the foregoing, and as otherwise provided in this Ordinance.

SECTION 6.03. ORDINANCE TO CONSTITUTE A CONTRACT; EQUAL SECURITY. SECTION 6.04. SEVERABILITY OF INVALID PROVISIONS. If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way affect the validity of any of the other provisions hereof or of the Notes issued hereunder.

SECTION 6.05. PAYMENT AND PERFORMANCE ON BUSINESS DAYS. Whenever under the terms of this Ordinance or the Project Notes, the performance date of any provision hereof or thereof, including the payment of principal of or interest on the Project Notes, shall occur on a day other than a Business Day, then the performance thereof, including the payment of principal of and interest on the Project Notes, need not be made on such day but may be performed or paid, as the case may be, on the next succeeding Business Day with the same force and effect as if made on the date of performance or payment.

SECTION 6.06. DEFEASANCE.
