Wherever in this Contract, a process, restrictions, or parameters are established on Contractor's use of Contract funds, that process, restriction or parameter applies to each project independent of the others as if a separate, distinct contract were entered into for each project, unless the Contract provision clearly indicates that the projects or funding allocated to Contractor shall be considered together as a whole for the purposes of the Contract provision's application.
- 3.2 City may enforce, or waive enforcement of any of, the terms of this Contract, in connection with each project under this Contract without prejudice to any rights or remedies (whether set forth in this Contract or provided for by law or in equity) which might otherwise be available to the City in connection with the other projects under this Contract.
- 3.3 Project specific requirements for each Project shall be compiled in a **Project Package**, consisting of a: (a) Scope of Work and Scorecard; (b) Budget; and (c) US Department of the Treasury ("Treasury") Coronavirus Local Fiscal Recovery Fund Award Terms and Condition ("Grant Contract Terms and Conditions")

All Project Package(s) are grouped together in **Attachment II** and incorporated herein as if fully set forth. All references throughout the Contract to the Scope of Work and Scorecard, the Budget, or to the Grant Contract Terms and Conditions, refer to the respective document for each project. - 3.4 The Contractor will provide, oversee, and administer all activities and services in a manner satisfactory to the City and in compliance with the applicable Scope of Work and Scorecard for the Project. All work performed by Contractor hereunder shall be performed to the satisfaction of Director of the Managing City Department. The determination made by Director shall be final, binding, and conclusive on all Parties hereto. City shall be under no obligation to pay for any work performed by Contractor, which is not satisfactory to Director. XX. NO SOLICITATION/CONFLICT OF INTEREST

20.1 The Contractor warrants that no person or selling agency or other organization has been employed or retained to solicit or secure this Contract or any portion thereof upon a contract

or understanding for a commission, percentage, brokerage, or contingent fee and further that no such understanding or agreement exists or has existed with any employee of the Contractor or the City. For breach or violation of this warrant, the City shall have the right to terminate this Contract without liability or, at its discretion, to deduct from the Contract or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee, or to seek such other remedies as legally may be available.

- 20.2 Contractor certifies and warrants that neither it nor any members of its Board of Directors, officers or employees has or will derive any personal or financial interest or benefit from the activity or activities funded through this Contract, nor has an interest in any contract, subcontract or agreement with respect thereunto, nor the proceeds thereunder, either for themselves or for those with whom they have family or business ties, during their tenure and for one year thereafter. Contractor shall avoid all conflicts of interest which are prohibited by applicable federal regulations including but not limited to those set forth in 31 CFR Part 35 as presently promulgated and as same may be revised from time to time in the future.
- 20.3 Contractor further covenants that no member of its governing body or of its staff shall possess any interest in, or use their position for, a purpose that is or gives the appearance of being motivated by desire for private gain for themselves or others, particularly those with which they have family, business, or other ties.
- 20.4 No member of City's governing body or of its staff who exercises any function or responsibility in the review or approval of the undertaking or carrying out of this Contract shall:
- (A) Participate in any decision relating to this Contract which may affect his or her personal interest or the interest of any corporation, partnership, or association in which he or she has a direct or indirect interest; or
 - (B) Have any direct or indirect interest in this Contract or the proceeds thereof.
- 20.5 Contractor acknowledges that it is informed that the Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in Section 2-52 of the Ethics Code, from having a financial interest in any contract with the City or any City agency such as City-owned utilities. An officer or employee of the City has a "prohibited financial interest" in a contract with City or in the sale to City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale: a City officer or employee; his parent, child or spouse; a business entity in which the officer or employee, or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the business entity, or ten (10) percent or more of the fair market value of the business entity; a business entity in which any individual or entity above listed is a subcontractor on a City contract, a partner or a parent or subsidiary business entity.

XXI. PROHIBITED ACTIONS

- 21.1 Political Activity.

- (A) Contractor agrees that no funds provided from or through the City shall be contributed or used to conduct political activities for the benefit of any candidate for elective public office, political party, organization or cause, whether partisan or non-partisan, nor shall the personnel involved in the administration of the Projects provided for in this Contract be assigned to work for or on behalf of any partisan or non-partisan political activity.
- (B) Contractor agrees that no funds provided under this Contract may be used in any way to attempt to influence, in any manner, a member of Congress or any other state or local elected or appointed official.
- (C) The prohibitions set forth in Sections 21.1(A) and 21.1(B) of this Contract include, but are not limited to, the following:
 1. an activity to further the election or defeat of any candidate for public office or for any activity undertaken to influence the passage, defeat or final content of local, state or federal legislation;
 2. working or directing other personnel to work on any political activity during time paid for with City funds, including, but not limited to activities such as taking part in voter registration drives, voter transportation activities, lobbying, collecting contributions, making speeches, organizing or assisting at meetings or rallies, or distributing political literature;
 3. coercing personnel, whether directly or indirectly, to work on political activities on their personal time, including activities such as taking part in voter registration drives, voter transportation activities, lobbying, collecting contributions, making speeches, organizing, or assisting at meetings or rallies, or distributing political literature; and
 4. using facilities or equipment paid for, in whole or in part with City funds for political purposes including physical facilities such as office space, office equipment or supplies, such as telephones, computers, fax machines, during and after regular business hours.
- (D) To ensure that the above policies are complied with, Contractor shall provide every member of its personnel paid out of City funds with a statement of the above prohibitions, which shall include a paragraph that directs any staff person who has knowledge of violations or feels that he or she has been pressured to violate the above policies to call and report the same to the contact person listed on the statement within the managing City Department. Contractor shall have each said individual sign a statement acknowledging receipt of the policy.
- (E) Contractor agrees that in any instance where an investigation of the above is ongoing or has been confirmed, reimbursements paid to the Contractor under this Contract may, at the City's discretion, be withheld until the situation is resolved.
- (F) This Article shall not be construed to prohibit any person from exercising his or her right to express his or her opinion or to limit any individual's right to vote. Further, Contractor and staff members are not prohibited from participating in political activities on their own volition, if done during time not paid for with City funds.

21.2 Adversarial Proceedings. Contractor agrees that under no circumstances will the funds

received under this Contract be used, either directly or indirectly, to pay costs or attorney fees incurred in any adversarial proceeding against the City or any other public entity and City may conduct an audit under Section 6.4 to confirm no such use. Contractor understands that the City may deem Contractor ineligible for consideration to receive any future funding under this Contract or under another existing or future agreement while any adversarial proceedings against the City remains unresolved. This Contract may be terminated by City under Article XI should Contractor have a pending lawsuit against City or file a lawsuit against the City during the term of this Contract. Contractor shall provide the City with reasonable notice and make a good faith effort to resolve any claims or disputes between the parties.

- 21.3 No Use of Funds for Religious Activities. Contractor agrees that none of the performance rendered hereunder shall involve, and no portion of the funds received hereunder shall be used, directly or indirectly, for the benefit, directly or indirectly, any such sectarian or religious facility or activity, or for the construction, operations, maintenance or administration of any sectarian or religious facility or activity.
- 21.4 Contribution Prohibitions. Contractor acknowledges that City Code Section 2-309 provides that any person acting as a legal signatory for an entity that applies for a “high-profile” discretionary contract, as defined by the City of San Antonio Procurement Policy and Procedures Manual, may not make a campaign contribution to any councilmember or candidate at any time from the tenth business day after the Request for Proposal (RFP) is released, and ending on the 30th calendar day following the contract award. Any legal signatory for a proposed high-profile contract must be identified within the response to the RFP or RFQ, if the identity of the signatory will be different from the individual submitting the response. Contractor acknowledges that the City has identified this Contract as high profile. Contractor warrants and certifies, and this Contract is made in reliance thereon, that the individual signing this Contract has not made any contributions in violation of City Code Section 2-309, and will not do so for 30 calendar days following the award of this Contract. Should the signer of this Contract violate this provision, the City Council may, in its discretion, declare the Contract void.

XXII. AMENDMENTS

- 22.1 Except when the terms of this Contract expressly provide otherwise, any alterations, additions, or deletions to the terms hereof shall be effected by amendment, in writing, executed by both City and Contractor. City Manager, or his/her designee, shall have authority to execute amendments on behalf of the City without further action of City Council. Contractor shall have the authority to execute amendments under authority granted by formal action under his/her governing body.
- 22.2 It is understood and agreed by the Parties hereto that performances under this Contract shall be rendered in accordance with the laws and rules governing ARPA and SLFRF funds as set forth this date, and the terms and conditions of this Contract.

- 22.3 Any alterations, additions, or deletions to the terms of this Contract required by changes in local, state and federal rules, regulations or laws applicable hereto are automatically incorporated into this Contract without written amendment hereto and shall become a part hereof as of the effective date of the rule, regulation or law.

XXIII. RELIEF FROM PERFORMANCE (FORCE MAJEURE)

- 23.1 In addition to relief expressly granted in this Contract, Contractor may be granted relief from performance if and to the extent to the extent Contractor is prevented and/or impaired from compliance and performance by any Force Majeure Event for as long as the Force Majeure event continues and, except as otherwise provided herein, Contractor continues to use reasonable commercial efforts to avoid or remove such causes of nonperformance; and shall continue performance hereunder with reasonable dispatch whenever such cause are removed. For purposes of this Contract, a “**Force Majeure Event**” shall include an act of war, order of legal authority, act of God, terrorism, social unrest, strike, natural disaster casualty, condemnation or other event beyond the reasonable control of Contractor. The burden of proof for such relief shall rest upon Contractor. To obtain relief based upon this Article XXIII, Contractor must file a written notice with the City Attorney’s Office for approval, specifying the Force Majeure Event and the performance under this Contract that such event is impairing. A Force Majeure Event does not release Contractor from the repayment of any funds disbursed under this Contract.

XXIV. SEVERABILITY OF PROVISIONS

- 24.1 If any clause or provision of this Contract is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of the City of San Antonio, Texas, then and in that event it is the intention of the Parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Contract shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein; it is also the intention of the Parties hereto that in lieu of each clause or provision of this Contract that is invalid, illegal, or unenforceable, there be added as a part of the Contract a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

XXV. INCORPORATION OF ATTACHMENTS

- 25.1 Each of the attachments listed below is an essential part of the Contract, which governs the rights and duties of the parties, and shall be interpreted in the order of priority as appears below, with this document taking priority over all attachments:

Attachment I. Project Schedule
Attachment II. Project Package
Attachment III. SBEDA

XXVI. NON-WAIVER OF PERFORMANCE

- 26.1 Unless otherwise specifically provided for in this Contract, a waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Contract shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Contract, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either party hereto of any provision of this Contract shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged. In case of City, such changes must be approved by the City Council, as described in Article XXIV. Changes and Amendments. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party hereunder or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved hereby.

XXVII. LEGAL AUTHORITY

- 27.1 Contractor represents, warrants, assures, and guarantees that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into this Contract and to perform the responsibilities herein required.
- 27.2 The signer of this Contract for Contractor represents, warrants, assures and guarantees that he or she has full legal authority to execute this Contract on behalf of Contractor and to bind Contractor to all terms, performances and provisions herein contained.
- 27.3 Contractor shall provide evidence to City upon execution of this Contract that it is currently operating as a Texas non-profit corporation exempt from tax under Section 501(c)(3) of the Internal Revenue Code, or a for-profit entity governed by an autonomous governing body, acting in accordance with the governing instruments submitted to the City in its application for funding. Whether a non-profit or for-profit entity, Contractor must be authorized to do business in the State of Texas and be formed under and operating in accordance with all applicable laws of the State of Texas. Contractor shall provide Managing City Department verification of the foregoing requirements no later than the execution date of this Contract.

Texas Government Code §2271.002 provides that a governmental entity may not enter into a contract with a company for goods or services, unless the contract contains a written verification from the company that it:

- (1) does not boycott Israel; and
- (2) will not boycott Israel during the term of the contract.

This section only applies to a contract that:

- (1) is between a governmental entity and a company with 10 or more full-time employees; and

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

"Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit. This term does not include a sole proprietorship.

By submitting an offer to or executing contract documents with the City of San Antonio, Company hereby verifies that it does not boycott Israel, and will not boycott Israel during the term of the contract. City hereby relies on Company's verification. If found to be false, City may terminate the contract for material breach.

"Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly

owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit. This term does not include a sole proprietorship.

"Boycott energy company" means, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company: (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described in (A).

Texas Government Code §2274 provides that a governmental entity may not enter into a contract with a company for goods or services, unless the contract contains a written verification from the company that it: (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the contract.

By submitting an offer to or executing contract documents with the City of San Antonio, Company hereby verifies that it does not boycott energy companies and will not boycott energy companies during the term of the contract. City hereby relies on Company's verification. If found to be false, City may terminate the contract for material breach.

XXXV. PROHIBITION ON CONTRACTS WITH COMPANIES THAT DISCRIMINATE AGAINST FIREARM AND AMMUNITION INDUSTRIES

This section only applies to a contract that:

Texas Government Code §2274 (enacted by SB 19, 87th Texas Legislature, Regular Session (2021)), provides that a governmental entity may not enter into a contract with a company for goods or services, unless the contract contains a written verification from the company that it: (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association;

and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association.

By submitting an offer to or executing contract documents with the City of San Antonio, Company hereby verifies that it does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of the contract against a firearm entity or firearm trade association. ASSURANCES OF COMPLIANCE WITH CIVIL RIGHTS REQUIREMENTS

ASSURANCES OF COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

As a condition of receipt of federal financial assistance from the Department of the Treasury, the recipient named below (hereinafter referred to as the "Recipient") provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Recipient's beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Recipient's program(s) and activity(ies), so long as any portion of the Recipient's program(s) or activity(ies) is federally assisted in the manner prescribed above.

1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d *et seq.*), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
2. Recipient acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient's programs, services, and activities.
3. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.

5. Recipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Recipient and the Recipient's sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). 6. Recipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property.
7. Recipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Expiration Date: November 30, 2021

agreements between the Recipient and the administrative agency that made the finding. If the Recipient settles a case or matter alleging such discrimination, the Recipient must provide documentation of the settlement. If Recipient has not been the subject of any court or administrative agency finding of discrimination, please so state.

10. If the Recipient makes sub-awards to other agencies or other entities, the Recipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that that they are effectively monitoring the civil rights compliance of sub-recipients.

The United States of America has the right to seek judicial enforcement of the terms of this assurances document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

Under penalty of perjury, the undersigned official(s) certifies that official(s) has read and understood the Recipient's obligations as herein described, that any information submitted in conjunction with this assurances document is accurate and complete, and that the Recipient is in compliance with the aforementioned nondiscrimination requirements.
