Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the Arena District/ Eastside Community Plan and is currently designated as Medium Density Residential in the future land use

component of the plan. The requested “IDZ-1” Limited Intensity Infill Development Zone with uses permitted for one (1) dwelling unit is consistent with the future land use designation.

2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.
3. **Suitability as Presently Zoned:** The existing “RM-4” Residential Mixed District is an appropriate zoning for the property and surrounding area. The requested “IDZ-1” Limited Density Infill Development Zone with uses permitted for one (1) dwelling unit is also an appropriate zoning for the property and surrounding area. The rezoning allows flexible infill development of a single-family home on a substandard sized lot.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objectives of the Arena District/ Eastside Community Plan.
 - **Land Use Vision:** Existing neighborhoods are conserved and protected by appropriate adjacent and internal uses.
 - **Land Use Guiding Principle 2.1:** Establish a land use pattern that is responsive to the existing context and is founded upon realistic market expectations.
 - **Land Use Guiding Principle 2.2:** Protect the neighborhoods by providing them with the necessary improvements to enable infill development and redevelopment.
 - **Land Use Plan Goal 4.1:** Conserve existing neighborhoods.
6. **Size of Tract:** The 0.0424 acre site is of sufficient size to accommodate the proposed residential development.
7. **Other Factors:** The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates residential uses. The applicant intends to build a single-family home.

The subject property is located within the Martindale Army Airfield Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, Texas Army National Guard and JBSA were notified of the proposed request.
