1. Zoning Case Z202210700347, W Loop 1604 between W Military Drive and Wiseman Rd, has been reviewed by JBSA- LAK organizations. JBSA does not object with this request; however, there are additional comments for consideration in planning and development.
  - a. Development within MLOD, the developer must comply with lighting ordinances.
  - b. In order to mitigate potential interference with existing JBSA operational systems, please coordinate with 502 CS Spectrum Manager prior to use of any Spectrum dependent systems (i.e.: two-way radio communications, or any type of wireless technologies) during construction. If applicable, coordination requested by facility user prior to installation/use of any Spectrum dependent commercial or manufacturing equipment.
