	<p>San Antonio on the ACS Board has afforded me the opportunity to serve the citizens of San Antonio. I have participated in Rescue Forums, The Spay/Neuter Forum, City wide budget events and City wide Strategic Plan input meetings to name a few. In addition to my work at ACS I have also served on the Spay Neuter Assistance Program Board and I am President of the Hollomon Price Foundation a 501(c)(3) dedicated to funding environmental efforts around the world and locally. I am very proud that HPF has funded the Mayors Youth Council for the past four years.</p>
<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>Animal Care Services, through the support of Council, has made great strides on the issue of stray animals on our streets and impounded at the shelter. Innovative programs have been approved by Council and successfully implemented by ACS. Spay neuter has become a priority in the City with funding through the city budget and non profit commitment. District officers and the CASA Program reach residents directly. Substantial resources have been added to address stray and</p>

	<p>roaming animals. I am very proud to have been part of the process and solutions over my years on the ACS Board. I fully understand that there is still work to do. The upcoming years will be both exciting and challenging. ACS is proposing a 10 year strategic plan at this year's upcoming budget. Through the recent Bond ACS will be building a much needed veterinary hospital. I would love to continue my service on the Board as we enter this new chapter of ACS's journey to make San Antonio a better community for people and animals. I would be proud to continue service to the residents of District 4 and Councilwoman Rocha Garcia and her staff.</p>
