Contract Summary Sheet

Date: 6/22/2023
Agenda Item: 23-192351

Name/Title (Caption as shown on agenda):
Annual Contract for SWMD On Call Vehicle Repair 6100016474 JF

Brief Description of Item(s) and Use: These contracts will provide the Solid Waste Management Department (SWMD) with twenty-five (25) vendors to perform repairs on various equipment makes and models in the SWMD fleet. By awarding to multiple on-call vendors a timelier return of vehicles to service will be achieved. These proposed contracts will provide services that may include diagnostics and repairs to engines for both gas & diesel vehicles, exhaust, transmission, transmission rebuilds, brakes, air conditioning, hydraulic systems and other chassis-related repairs. The contracts shall also include repairs for off-road equipment, machinery shop repairs, and commercial bodies (i.e., refuse, street sweeper, boom trucks and trailers, etc.).

This purchase was made utilizing an unforeseen damage exemption to allow for a competitive procurement and for the City to award to multiple vendors. The City has an inventory of approximately 700 non-emergency medium and heavy-duty vehicles, and 750 off-road vehicles. Awarding to multiple vendors will allow for the repairs to City vehicles to be completed on a timely basis without any delays.

Total \$:	\$2,500,000.00 annually
Contract Period:	Upon award through December 31, 2025, with two, one year renewal options
Method of Procurement:	Unforeseen Damage Exemption (28 offers received)
Price Trend:	40.38% labor rate increase due to certified trained technicians requirements
Contract Info:	Formal <input type="checkbox"/> Annual <input checked="" type="checkbox"/> Support/Maintenance <input type="checkbox"/> Lease <input type="checkbox"/>
