1. **Cause resulting from Material Breach.** Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, either Party may terminate the Contract, in whole or in part, upon the following condition:
  - i. Material Breach  
If a Party determines, in its sole discretion, the other Party has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of the other Party's duties under the Contract.
2. **Cause resulting from Failure to Maintain Financial Viability.** DSHS may terminate the Contract if, in its sole discretion, DSHS has a good faith belief that Local Government no longer maintains the financial viability to fully perform its obligations under the Contract.

CONTRACTOR will comply with periodic security controls compliance assessment and monitoring by HHS as required by state and federal law, based on the type of Confidential Information CONTRACTOR creates, receives, maintains, uses, discloses or has access to and the Authorized Purpose and level of risk. CONTRACTOR's security controls will be based on the National Institute of Standards and Technology (NIST) Special Publication 800-53. CONTRACTOR will update its security controls assessment whenever there are significant changes in security controls for HHS Confidential Information and will provide the updated document to HHS. HHS also reserves the right to request updates as needed to satisfy state and federal monitoring requirements. **45 CFR 164.306.**

(R) CONTRACTOR will establish, implement and maintain reasonable procedural, administrative, physical and technical safeguards to preserve and maintain the confidentiality, integrity, and availability of the Confidential Information, and with respect to PHI, as described in the HIPAA Privacy and Security Regulations, or other applicable laws or regulations relating to Confidential Information, to prevent any unauthorized use or disclosure of Confidential Information as long as CONTRACTOR has such Confidential Information in its actual or constructive possession. **45 CFR 164.308 (administrative safeguards); 164.310 (physical safeguards); 164.312 (technical safeguards); 164.530(c)(privacy safeguards).**

CONTRACTOR will provide name and current address, phone number and e-mail address for such designated officials to HHS upon execution of this DUA and prior to any change. If such persons fail to develop and implement the requirements of the DUA, CONTRACTOR will replace them upon HHS request. **45 CFR 164.308(a)(2).**

(T) CONTRACTOR represents and warrants that its Authorized Users each have a demonstrated need to know and have access to Confidential Information solely to the minimum extent necessary to accomplish the Authorized Purpose pursuant to this DUA and the Base Contract, and further, that each has agreed in writing to be bound by the disclosure and use limitations pertaining to the Confidential Information contained in this DUA. **45 CFR 164.502; 164.514(d).**

(U) CONTRACTOR and its Subcontractors will maintain an updated, complete, accurate and numbered list of Authorized Users, their signatures, titles and the date they agreed to be bound by the terms of this DUA, at all times and supply it to HHS, as directed, upon request.

(V) CONTRACTOR will implement, update as necessary, and document reasonable and appropriate policies and procedures for privacy, security and Breach of Confidential Information and an incident response plan for an Event or Breach, to comply with the privacy, security and breach notice requirements of this DUA prior to conducting work under the Statement of Work. **45 CFR 164.308; 164.316; 164.514(d); 164.530(i)(1).**

(W) CONTRACTOR will produce copies of its information security and privacy policies and procedures and records relating to the use or disclosure of Confidential Information received from, created by, or received, used or disclosed by CONTRACTOR for an Authorized Purpose for HHS's review and approval within 30 days of execution of this DUA and upon request by HHS the following business day or other agreed upon time frame. **45 CFR 164.308; 164.514(d).**

(X) CONTRACTOR will make available to HHS any information HHS requires to fulfill HHS's obligations to provide access to, or copies of, PHI in accordance with HIPAA and other applicable laws and regulations relating to Confidential Information. CONTRACTOR will provide such information in a time and manner reasonably agreed upon or as designated by the Secretary of the U.S. Department of Health and Human Services, or other federal or state law. **45 CFR 164.504(e)(2)(i)(I).**

(Y) CONTRACTOR will only conduct secure transmissions of Confidential Information whether in paper, oral or electronic form, in accordance with applicable rules, regulations and laws. A secure transmission of electronic Confidential Information in motion includes, but is not limited to, Secure File Transfer Protocol (SFTP) or Encryption at an appropriate level. If required by rule, regulation or law, HHS Confidential Information at rest requires Encryption unless there is other adequate administrative, technical, and physical security. All electronic data transfer and communications of Confidential Information will be through secure systems. Proof of system, media or device security and/or Encryption must be produced to HHS no later than 48 hours after HHS's written request in response to a compliance investigation, audit or the Discovery of an Event or Breach. Otherwise, requested production of such proof will be made as agreed upon by the parties. De-identification of HHS Confidential Information is a means of security. With respect to de-identification of PHI, "secure" means de-identified according to HIPAA Privacy standards and regulatory guidance. **45 CFR 164.312; 164.530(d).**
