About the Space

This 100-year-old home has been lovingly refurbished with attention to maintaining the historic details, including all the original floors and windows. The fully furnished 3b/2b home can serve as the setting for a variety of activities, utilizing everything from its fully modernized kitchen to its comfortable living room seating. Located in the heart of the Deco District, near Woodlawn Lake, the home is across the street from a historic elementary school where children play and moms push younger siblings in strollers down the sidewalk. And all of this family-friendly activity is less than 5-minutes from IH-10. The entire home is accessible, including backyard with privacy fence and front yard with a huge oak tree.

(/profiles/62322d19b455940034c2d2f3) Beautiful space that fitted all of our needs. We were able to utilize the space for several scenes and they came out beautifully. Autumn was super responsive and helpful. I would definitely recommend this location to anyone looking to have that home style look for your production or photographic needs.
