DATE: April 29, 2021

Issue Proposed for Consideration

Support for the inclusion of the following item on the agenda of the earliest available meeting of the City Council: A resolution to review and rezone properties generally located within the boundaries of the Gardendale Neighborhood Association and the Prospect Hill Neighborhood Association, more specifically described below:

Gardendale Neighborhood Association boundaries: bounded by IH10 W, Martinez and Alazan Creeks, N. Comal Street, and W. Commerce Street.

Prospect Hill Neighborhood Association boundaries: W. Martin Street, S. General McMullen Street, W. Commerce Street, SW 24th Street and SW 26th Street, Castroville Road; Guadalupe Street, S. Zarzamora; and N Comal Street.

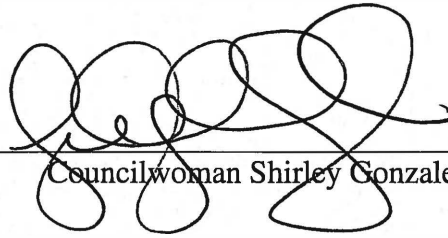

These projects are to be conducted in phases and waive all associated zoning fees.

Brief Background

The current zoning of the properties within the boundaries shows a mixture of single residential and multifamily residential with some commercial and light industrial zoning. This resolution will direct staff to conduct an analysis of the current land uses; and bring forward appropriate plan amendments and/or zoning changes that is consistent with their Neighborhood Plan and adopted Comprehensive Land Use Plans.

This proposal seeks to rezone the properties and the land use as necessary to align the zoning with the existing and/or appropriate use of the properties.
